EMERGENCY OPERATION CENTER (E.O.C.)

The Kettering Fire Department E.O.C. functions as the focal point for communications and command response during a disaster. The E.O.C. is located at Kettering Fire Department Headquarters and is staffed by the Chief of Kettering Fire Department or his/her designee and other personnel deemed appropriate. The E.O.C. will maintain control of disaster activities by obtaining information from the disaster scene and by providing directions.

An E.O.C. radio will be used to communicate information between the E.O.C. and the appropriate City personnel regarding the number of victims, the severity of the disaster, transportation and the need for additional personnel.

The E.O.C. will maintain open communication with City departments, public service and relief agencies in the community.

The City Manager's designated Public Information Officer will provide information to the news media and the families of victims as it becomes available from the E.O.C.

The City Manager hereby delegates the appropriate responsibility and authority to administer this policy to the Department Directors.
