| TIME: | SESSION I AM | 12/12/22 | 8 :00 AM -11:00 AM |
| | SESSION I PM– | 12/12/22 | 12:00 PM–3:00PM |
| | SESSION II AM | 12/13/22 | 8 :00 AM -11:00 AM |
| | SESSION I PM– | 12/13/22 | 12:00 PM–3:00PM |

Seminar Description: Provide an overall view of the various aspects of snow and ice control as related first, to management and supervision of operations, and second, to operators in the field.

- ☐ Statistics & Responsibilities
- ☐ Weather Basics & Storm Management
- ☐ Materials
- ☐ Pre-wetting Solids
- ☐ Anti-icing
- ☐ Safety

Who should attend: This seminar is recommended for all personnel who handle snow removal and ice control, especially for newer employees and those who have not attended in the past. It is great refresher training for all snowplow operators.

PRESENTER: RON ASMAN , ODOT LTAP SNOW AND ICE COORDINATOR

COST: FREE TO ALL MVCC, MVRMA AND CLG MEMBERS. **BUT REGISTRATION IS REQUIRED**

PLEASE REGISTER EARLY, IN PREVIOUS YEARS THIS CLASS FILLED TO CAPACITY.

REGISTRATION INFORMATION: ONLY REGISTER FOR ONE SESSION.
