A. All ordinances of the City which are of a permanent and general nature and which have been revised, codified, rearranged, renumbered and consolidated into component codes, titles, chapters and sections shall be known and designated as the Codified Ordinances of Oakwood, Ohio for which designation "Codified Ordinances" may be substituted. Explanation of Codified Ordinances

C. Calendar - Computation of Time.

1. The time within which an act is required by law to be done shall be computed by excluding the first and including the last day, except that when the last day falls on Saturday, Sunday or a legal holiday the act may be done on the next succeeding day which is not a Saturday, Sunday or a legal holiday.
2. When a public office in which an act required by law is to be performed is closed to the public for the entire day which constitutes the last day for doing such act or is closed before its usual closing time on such day, such act may be performed on the next succeeding day which is not a Saturday, Sunday or a legal holiday. If any legal holiday falls on Sunday, the next succeeding day is a legal holiday.
3. When an act is to take effect or become operative from and after a day named, no part of that day shall be included.
4. In all cases where the law shall require any act to be done in a reasonable time or reasonable notice to be given, such reasonable time or notice shall mean such time only as may be necessary for the prompt performance of such duty or compliance with such notice.

E. Joint Authority. All words purporting to give joint authority to three or more City officers or other persons shall be construed as giving such authority to a majority of such officers or other persons, unless it shall be otherwise expressly declared in the ordinance giving the authority or inconsistent with Charter provisions.

F. Exceptions. The rules of construction shall not apply to any law which shall contain any express provision excluding such construction, or when the subject matter or context of such law may be repugnant thereto.

101.04 REVIVOR; EFFECT OF AMENDMENT OR REPEAL.

A. When an ordinance which repealed a former ordinance is repealed, the former legislation is not thereby revived.

Explanation of Codified Ordinances

B. When a provision of the Codified Ordinances is repealed or amended, such repeal or amendment does not affect pending actions, prosecutions or proceedings, civil or criminal. When the repeal or amendment relates to the remedy, it does not affect pending actions, prosecutions or proceedings unless so expressed, nor does any repeal or amendment affect causes of such action, prosecution or proceeding existing at the time of such amendment or repeal, unless otherwise expressly provided in the amending or repealing ordinance.

C. When a provision of the Codified Ordinances is repealed, such repeal does not:

1. Affect any rights or liabilities which exist, have accrued or have been incurred by virtue of such repealed provision.
2. Affect an action or proceeding for the enforcement of any rights or liabilities existing or arising thereunder.
3. Relieve any person from punishment for an act committed in violation of such repealed provision.

101.05 CONSTRUCTION OF SECTION REFERENCES.

A. When reference is made to any section of the Codified Ordinances, such reference shall include any amendment of or supplement to that section or to any City legislation enacted in lieu thereof. Unless otherwise provided, whenever a reference to a section is made in any amendment or supplement to another section of the Codified Ordinances hereafter enacted, such reference shall be deemed to refer to the section as the same shall then stand or as thereafter amended.

B. Whenever in a penalty section reference is made to a violation of a section or chapter, such reference shall be construed to mean a violation of any provision of the section or chapter.

C. References to action taken or authorized under designated sections of the Codified Ordinances include, in every case, action taken or authorized under the applicable legislative provision which is superseded by the Codified Ordinances.

Explanation of Codified Ordinances

101.06 CONFLICTING PROVISIONS.

If the provisions of different codes, chapters or sections of the Codified Ordinances conflict with or contravene each other, the provisions bearing the latest passage date shall prevail. If the conflicting provisions bear the same passage date, the conflict shall be construed so as to be consistent with the meaning or legal effect of the subject matter taken as a whole.

101.07 SEPARABILITY.

Each section of the Codified Ordinances and every part of each section is an independent section and an independent part of a section, so that the holding of any section or a part thereof to be unconstitutional, void or ineffective for any cause shall not affect the validity or constitutionality of any other section or part of any section.

101.08 SALE AND DISTRIBUTION OF COPIES.

A. The City shall hold available for sale a limited number of copies of its Codified Ordinances at such prices as may be established from time to time by the City Manager to cover administration costs of providing the copies. Supplements shall be made available for sale in the same manner.

B. Distribution of certain copies of the Codified Ordinances to agents and employees of the City, to members of Council, to the Dayton Law Library Association, to certain other libraries in the community and to the Ohio Municipal League shall be made free of charge at the discretion of the City Manager. Supplements may be provided in the same manner.

101.09 CORRECTIONS; REVISIONS.

As part of the 1992 recodification of the ordinances of this city, the city council assigns and delegates to the city attorney the following responsibility and authority to correct errors and make revisions in that codification:

A. To correct typographical errors, spelling, sentence structure, punctuation, capitalization, paragraphing, arrangement, headings, style and the numbering of parts, titles, chapters, sections and pages.

B. To include ordinances which were previously enacted, which are still in effect, and which would be appropriate to have as part of the codification.

C. To add and revise an index, tables of contents and cross reference tables.

In carrying out this responsibility and exercising this authority, the city attorney shall comply with the following standards and limitations:

D. Under paragraph A above, he shall use appropriate professional skill and judgment to avoid changes in purpose or meaning, limiting corrections to matters of appearance, to more correct or better use of language and to ease of readability and use.

E. Under paragraph B and C, he shall add only such materials as his professional skill and judgment indicates would be reasonably helpful for use of the codification and to justify the effort of compilation and of keeping them current.

101.99 GENERAL PENALTY.

Whenever in the Codified Ordinances or in any ordinance of the City, any act is prohibited or is made or declared to be unlawful or to be an offense or a misdemeanor, or whenever the doing of any act is required or the failure to do any act is declared to be unlawful, and if no specific penalty is otherwise provided, whoever violates any such provision shall be deemed to be guilty of a minor misdemeanor for the first offense. The second violation of the same provision within one year after the first violation shall constitute a fourth degree misdemeanor. The third and any subsequent violations of the same provision within one year after the second or immediately prior violation shall constitute a third degree misdemeanor.

111.01 APPLICATION TO COUNCIL, BOARDS, COMMISSIONS AND COMMITTEES.

A. The proceedings of Council, of every board and commission created by the Charter, and of every other public body of this City as defined in these rules, shall be governed by this chapter.

B. For public bodies other than the Council, the words "Mayor" and "Vice-Mayor" shall be deemed to mean "Chairperson" and "Vice-Chairperson". Similarly, the word "Council" shall be deemed to mean whatever other public body is involved. References to "members" shall be deemed to include those who are elected and also those who are appointed.

C. Certain portions of these rules shall be deemed to have special application in that they apply only to the City Council or have some different meaning when applied to other public bodies. When that is the case, the rule will include language which says so.

111.02 TIME AND PLACE OF MEETINGS.

This section applies only to the City Council. Regular meetings of Council shall be held on such dates as Council may determine from time to time, but not less frequently than every other month. The meetings shall be held at 7:30 P.M. in the Council Chamber of City Hall unless Council specifies a different time or place for any such meeting.

111.03 DUTIES OF MAYOR.

A. The Mayor shall take the chair at the time appointed for the meeting of Council, shall immediately call the members to order, and shall proceed with the business of the meeting as described in the agenda and as required by this chapter.

B. The Mayor shall preserve order and decorum during the session of Council and to this end may direct the City Manager. The Mayor shall place before Council for decisions all questions properly submitted by any member (including the Mayor, who may move or second the adoption of any motion, resolution or ordinance).

C. The Mayor shall decide all points of order without debate, subject to appeal to the entire Council by any two members. In case of appeal, the question shall be, "Shall the decision of the Chair stand as the decision of the Council?" or "I move to overrule the decision of the Chair" or some similar language. The Mayor shall have the right to call any member to the Chair for any part of the session. (See Section 111.25.)

D. This paragraph applies only to the Council. The Mayor, subject to the approval of Council, shall appoint the following standing committees. The appointment shall be made at, or as soon as possible after, the first meeting of Council in January of each year. Such committees shall consist of two members each and the first member named shall be chairman of the committee. The standing committees are as follows:

Rules of Procedure of Council, Boards, Commissions and Committees

1. Court liaison
2. Finance
3. Law
4. Minutes
5. Planning and zoning
6. Public properties
7. Public utilities/waterworks/sewer
8. Safety and traffic
9. Streets and alleys
10. Community relations/promotion and appointments

111.04 TEMPORARY MAYOR.

In the absence of both the Mayor and the Vice-Mayor, the senior member of Council then present shall call the Council to order and shall act as temporary Mayor, whose official acts under the rules shall be valid.

111.05 ORDER OF BUSINESS.

The presiding officer shall call the business in the following order, unless a different order is agreed upon by Council:

- A. Call to order.
- B. Roll call.
- C. Minutes of the past meetings.
- D. Visitors.
- E. Public Hearings
- F. Legislation, (for other than the City Council itself, this shall be "new business").
- G. Staff Reports
- H. City Manager's report, (this applies only to the City Council).
- I. Council comments/status reports.
- J. Adjournment.

In addition to the above matters, communications and petitions shall be placed on the written agenda if they are filed in the office of the Clerk of Council no later than Friday noon prior to commencement of the meeting at which they are to be heard.

111.06 ATTENDANCE OF MEMBERS; NO PROXY VOTING.

A. It shall be the duty of all the members of Council to be present and remain during all regular sessions of Council except when sick, in case of sickness or death in their respective families, when extraordinary business interests demand immediate attention, when absent from the City or when on special leave granted by Council.

B. Members who are not at the designated location of a meeting shall be deemed to be present if they participate in that meeting by means of communication equipment which:

Rules of Procedure of Council, Boards, Commissions and Committees

1. enables all members participating to hear each other, and to hear all other persons who are present and who are recognized to speak at the meeting; and
 2. enables all other persons attending at the designated location of the meeting to hear and, if recognized, to speak to each member of the Council and to each other.
- C. No proxy voting shall be permitted.

111.07 QUORUM; EXCESSIVE ABSENCES.

A. A majority of the number of Council members authorized by the City Charter (that number being five (5)) shall be necessary to constitute a quorum. This means a quorum is three (3) members.

B. Any member who, without valid excuse and contrary to Section 111.04, absents himself from six sessions of Council extending over a period of at least two months may be expelled from Council by a vote of two-thirds of all members.

111.08 AGENDA; DUTIES OF MANAGER.

To enable the Council to review a proposed order of business, the City Manager at each meeting shall furnish the Council a written agenda for that meeting. The agenda shall list business expected to come before Council at that meeting in the order in which it is to be taken up as required by Section 111.13. A reasonable number of copies of the agenda shall be available for use by persons attending public meetings of Council.

111.09 INTRODUCTION OF OFFICIAL BUSINESS.

Official business, i.e., that which requires action by the Council, may be introduced only by a member of Council or by the City Manager.

111.10 CONDUCT OF BUSINESS A MATTER OF LOCAL SELF GOVERNMENT.

The manner in which the Council conducts discussions of public business shall be a matter of local self government to be determined under the Charter and ordinances of the City and not by state statute. Accordingly, this Chapter 111 of the Codified Ordinances is enacted to set forth specific local self-government procedures for conducting the business of this City. The City Council has considered, and by the passage of these rules shall be deemed to have adopted as local procedures applicable to the government of this City, the provisions of the state Sunshine Law, Revised Code 121.22, as that law read on September 1, 1995, except to the extent this Chapter 111 establishes contrary or supplemental provisions.

111.11 DUTY TO VOTE.

Every member present shall vote, unless the member abstains. Any member who abstains from voting may make a brief statement of the reason for doing so. A member who abstains shall be counted for the purpose of determining a quorum, but no vote shall be recorded for that member on the issue from which the member abstained. This rule that abstentions do not count as a vote shall not apply, however, with regard to organizational matters such as selection of a clerk of Council or of a Mayor or Vice Mayor. Abstentions on such organizational questions could prevent the Council from going forward to consider its business, and so one who abstains on such matters shall be deemed to have voted with the majority of those who do vote.

111.12 MEETINGS OF COMMITTEES AND OTHER GROUPS NOT CREATED BY CHARTER.

Committees or subcommittees of less than a majority of the members of Council, together with any other committees, boards, commissions, task forces or groups of persons not created by the City Charter (collectively included in the word "committee"), are declared not to be public bodies and therefore not to be subject to the local procedures described in these Rules of Procedure (or to the statutory provisions adopted by reference in these Rules of Procedure) if and to the extent that:

A. Any decision or action of the committee may not bind the Council or the City but instead merely constitutes a non-binding recommendation; and

B. If Council action is required, the recommendation is disclosed at a subsequent public meeting of Council and persons attending that meeting have an opportunity to hear the recommendation before Council acts upon the matter. A motion by a member of Council who is making a report for that committee shall be deemed to be one acceptable method (but not the only one) of disclosing the recommendation of that committee. For example, if a report is requested from or offered by a Committee to Review Council Minutes, it shall be a sufficient disclosure of the recommendation of the committee if the reporting member (who is identified as acting for the committee) simply says, "I move that the minutes of the _____ meeting be accepted." (instead of the cumbersome procedure of saying, "The recommendation of the committee is that the minutes of _____ meeting be accepted, and I so move.")

111.13 PUBLIC NOTICE OF MEETINGS.

A. Regular meetings: The Clerk of Council shall maintain a listing of the time and place of all regularly scheduled meetings of Council and of all other public bodies of this City. The list shall be made available to any person upon inquiry and shall be made a public notice as follows:

1. By giving it to the newspapers now known as the "Dayton Daily News," the "Kettering-Oakwood Times" and the "Oakwood Register," or to their successors, if any, and

-
2. By posting the list upon a bulletin board open to public view in the City offices at 30 Park Avenue, and
 3. By posting the list upon the city's primary internet website. For website publication, it shall be sufficient to post a link which allows an internet user to access the list as a PDF or other commonly used file type, or by including substantially identical information in a list or calendar format.

B. Special meeting: When a special meeting is called for Council, any board or commission created by the Charter, or any other public body of the City, the Clerk of Council shall give at least twelve hours' advance notice to the same newspapers referred to in paragraph A immediately above and to any other news media that have requested notification, except in the event of an emergency requiring immediate official action. If such an emergency occurs, the same newspapers and other news media entities shall be notified orally as soon as reasonably possible by an administrative employee of the City or by the member or members of Council who called the special meeting.

C. Requests for advance notice of meetings dealing with specific topics: Upon request (and upon payment of any reasonable fee which may have been set on the fee schedule maintained by the City Manager), any person may obtain reasonable advance notice of all public meetings of the Council or of any other public body of the City at which any specific type of public business is to be discussed, and/or may obtain reasonable advance notice of all public meetings (not merely those dealing with some specific type of business) of such groups. The notice may be in the form of a list showing the date, hour and place of various meetings or may simply be the agenda of meetings subject to the request. Any such request must be in writing, must set forth the mailing address to be used by the City, must be signed by the party, and shall remain in effect for the balance of the calendar year in which it is made plus all of the next following year, but shall expire automatically at the end of that second year.

111.14 SPECIAL MEETINGS; NOTICE TO MEMBERS.

A. The Mayor or any two members of Council (or one less than a majority of any public body subject to these rules) may call a special meeting upon at least twelve hours' advance notice to each member. The notice shall be in writing and shall list the time, place and purpose of the special meeting. In the alternative, the advance notice required by this section may be given by telephone by the Clerk of Council or by any person designated by the Clerk. No motion may be passed or other action taken upon any topic other than that covered by the purpose of the meeting (as mentioned in the notice); this shall not prohibit other matters being brought up and discussed but no action may be taken upon those other matters.

B. If written notice is used, it shall be deemed to have been given and completed if deposited in the U.S. mail, postage prepaid, at least sixty hours prior to the time of the special meeting. Written notice of a special meeting may also be completed by service in the same manner as a summons is served in a civil lawsuit. Such service of notice may be made by any member of the Safety Department or by any other person designated by the Clerk of Council.

C. Notice may be waived by any member at any time. Attendance at a meeting without objecting to lack of notice before any substantive discussion begins shall be deemed to constitute waiver of notice by that member.

111.15 ALL MEETINGS OF COUNCIL AND OF EVERY OTHER PUBLIC BODY OF THE CITY SHALL BE OPEN TO THE PUBLIC, EXCEPT FOR EXECUTIVE SESSIONS.

All meetings of Council and of every public body of this City shall be open to the public, except that meetings may be used for executive sessions (i.e., not open to the public) to the extent allowed either by Ohio statute or by City ordinance.

111.16 EXECUTIVE SESSION PROCEDURES AND TOPICS.

Such sessions are not open to the public. An executive session shall be deemed a special meeting of Council if not held during, or immediately preceding or following, a regular meeting. The decision to hold an executive session may be made in any of the following ways: (1) by listing the fact and topic of the executive session on an agenda of the Council meeting, a reasonable number of copies of which are available to persons attending the meeting; (2) by the Mayor or acting chairperson announcing the fact and topic of the executive session (subject to being overruled by a majority of the members present); (3) by a motion passed by affirmative vote of a majority of the members present so as to declare the fact and topic of the executive session, with the vote being taken by a show of hands or voice vote, no roll call vote being required; or (4) by any other method which the Council members are willing to use and which provides reasonable disclosure of the fact and topic of the executive session.

It shall not be necessary for the members of Council to convene a public portion of a meeting before going into executive session or after leaving an executive session, as long as the decision to hold an executive session is communicated to interested persons by any of the following procedures: (1) by making available an agenda of the meeting which lists or calls for the executive session; or (2) by stating in the public notice of the meeting (as described above in Section 111.09 that an executive session will be held before or after a meeting, or if the sole purpose of the meeting is to hold an executive session, by stating that fact.)

The topics for which executive sessions may be held shall include those described in Revised Code 121.22 and certain additional matters listed below. Topics may be identified by using the capital letter titles in the following subparagraphs. An executive

session called for one topic may be expanded during that session and without advance notice to include additional topics, as long as the minutes subsequently list all the topics involved. Such listing in the minutes shall be deemed to constitute reasonable disclosure of the additional topics.

The following topics may be discussed at executive sessions, subject to the restriction that no ordinances or resolutions may be enacted nor any motions passed in such sessions, and instead all ordinances, resolutions and motions must be voted upon in those portions of meetings which are open to the public.

- (1) "PERSONNEL MATTERS" for all matters referred to in paragraph (1) of division (G) of Ohio Revised Code 121.22, sometimes referred to as the Sunshine Law.
- (2) "PROPERTY MATTERS" to consider the acquisition of property for public purposes or the disposal of property, whether at competitive bidding or otherwise, on conditions generally the same as those described in paragraph (2) of division (G) of Revised Code 121.22, specifically being that an executive session on this topic is proper if disclosure of information would give a competitive, bargaining or other advantage to a person or entity whose interest is or may be adverse to what Council deems to be the general public interest.
- (3) "CONFERENCE WITH ATTORNEY" for matters referred to in paragraph (3) of division (G) of Revised Code 121.22. and also for conferences with attorneys representing the City which are confidential communications and advice under the attorney-client privilege described in division (A) of 2317.02 of the Revised Code of Ohio.
- (4) "LABOR NEGOTIATIONS" for matters referred to in paragraph (4) of division (G) of Revised Code 121.22.
- (5) "MATTERS REQUIRED OR PERMITTED TO BE KEPT CONFIDENTIAL BY FEDERAL OR STATE LAW" for any matter referred to in paragraph (5) of division (G) of Revised Code 121.22, and also for any matter permitted to be kept confidential by federal or state law.
- (6) "SECURITY ARRANGEMENTS" for matters referred to in paragraph (6) of division (G) of Revised Code 121.22 and also for discussions of multi-government cooperation, or of the sole activities of this City, as to law enforcement matters where disclosure of the matters discussed might reveal information that could be used for the purpose of committing, or avoiding prosecution for or conviction of, a violation of law.
- (7) "QUASI-JUDICIAL DELIBERATIONS" for deliberations leading to a decision by Council on appeals from quasi-judicial decisions of other public bodies of the city. Also for similar deliberations by those same public bodies in connection with any quasi-judicial hearings they may hold. In both instances, the final decision (i.e., the final vote) must be taken at an open public meeting, not in executive session.

- (8) "ECONOMIC DEVELOPMENT" for discussions of any aspect of economic development affecting the City, including but not limited to the possibility of construction of new buildings or of businesses or jobs locating, remaining in or departing from the City (or the Miami Valley, to the extent conditions in that valley may affect the income of businesses or residents within this City and therefore affect the tax revenue of this City).
- (9) "NEGOTIATIONS WITH ORGANIZATIONS OR INDIVIDUALS" for negotiations with public or private organizations or with individuals, and discussions regarding those negotiations, on the same type of conditions which must exist to make "Property Matters" a valid topic for executive sessions, specifically being that an executive session on this topic is proper if disclosure of information would give a competitive bargaining or other advantage to a person or entity whose interest is or may be adverse to what the Council deems to be the general public interest.
- (10) "COUNCIL RETREATS" for short and long-range planning, team building and other general discussions, limited to not more than four retreats in any calendar year.
- (11) "PROCEDURAL MATTERS" such as, but not limited to, committee assignments, decisions as to when and where meetings will be held, and decisions as to what topics will be dealt with at subsequent meetings.
- (12) "SEMINARS AND CONFERENCES" such as, but not limited to, meetings of or sponsored by the National League of Cities or the Ohio Municipal League.

111.17 VOTE REQUIRED FOR ADOPTION OF MOTIONS, COMMITTEE REPORTS, AND LEGISLATION.

A. A majority of all the members present at any session shall be necessary for the adoption of any motion.

B. A majority (three) of the total authorized number of five Council members shall be required to adopt a committee report or to enact ordinances or resolutions. (See Sec. 111.19 as to super-majority voting requirements for emergency ordinances and, as an alternative to an emergency ordinance, for having only one reading of the title of an ordinance.)

111.18 REPORTS AND RESOLUTIONS; SIMULTANEOUS VOTE.

To expedite business, all motions, reports and resolutions, except such as by law require a separate roll call, may be voted on at one time if no objection is made. Any motion, report or resolution to which such objection is made shall be laid aside and voted on separately.

111.19 COPIES OF, READING OF, ORDINANCES AND RESOLUTIONS.

Before passage, copies of every ordinance and resolution shall be made available to the audience. The title of every ordinance shall be read aloud and distinctly twice, each time on a separate day (but the title to any resolution needs only one reading on one day). For all purposes referred to in this Chapter 111, the word "audience" shall be deemed to mean those who are present in person at a meeting. This procedure of reading ordinances (by title only) on two separate days may be changed by either of the following actions:

A. Passage of an emergency ordinance: after the title of any ordinance is read the first time, a motion may be made "to pass (or adopt) this ordinance as an emergency measure." Or, if the title and the body of the ordinance already declare that it is to be an emergency measure, the motion may be simply "to pass (or adopt) this ordinance." Every ordinance passed as emergency legislation must contain a separate section of the ordinance stating the reason for the emergency. Passage of the motion by affirmative vote of at least four members of Council shall constitute a declaration that such emergency exists and that the ordinance is adopted as emergency legislation. No additional reading of, or vote upon, the ordinance shall be necessary. (Upon passage, an emergency ordinance becomes effectively immediately.)

B. Passage of an ordinance as non-emergency, but with only one reading: even though an ordinance is not an emergency measure, after the title of the ordinance is read for the first time a motion may be made "to pass (or adopt) this ordinance now and without readings on two separate days" (or some similar language). Passage of this motion by affirmative vote of at least four members of Council shall dispense with a second reading and shall constitute adoption of the ordinance. No additional reading of or vote upon the ordinance shall be necessary (but since it was not adopted as an emergency, such an ordinance will not become effective until thirty days after its passage).

111.20 ROLL CALL VOTING IS PERMITTED BUT IS NOT NECESSARY.

The Mayor may call for a roll call vote or, alternative, may simply ask that those in favor say Aye or Nay (or use some similar language). In the alternative or in addition, the Mayor may ask each Council Member to raise his or her hand to indicate a vote in favor or against a proposal. A roll call vote shall be taken if requested by any member of Council.

111.21 SELLING PRESENTATIONS PROHIBITED.

During any period in which the City is soliciting competitive bids or quotations for the purchase of some particular item or service and is deciding which to select, meetings of Council may not be used by vendors to extol the virtues of their particular products or services.

111.22 MINUTES OF MEETINGS.

Minutes of public meetings of the Council, of boards and commissions created by the Charter, and of other public bodies of the City shall be prepared and approved within a reasonable time after the meetings have been completed. Those minutes shall be public records. They need not be verbatim minutes, but instead may be summary in form, listing only agenda topics discussed, other matters of importance, and actions which involved votes of members. No minutes shall be taken of executive sessions, but a brief statement setting forth the general subjects of discussion (as those executive session subjects are identified by capital letter titles authorized by these Rules of procedure) shall be inserted into the minute book.

111.23 CONDUCT OF AUDIENCE AT PUBLIC HEARINGS AND MEETINGS.

Public hearing: A "public hearing" is that part of a public meeting during which members of the audience have a right to speak on the matter involved (subject to reasonable restrictions imposed by these Rules of Procedure and by Council). The purpose of a public hearing is to allow members of the audience to present their views to Council.

Since hearings are for citizen input, the Mayor is empowered to restrict the use of tactics that are confrontational and that do not serve to illuminate the issues at hand. Council may choose to reply to questions posed at a subsequent meeting.

Public meeting: A "public meeting" is a session at which the Council acts upon various matters of City business. It is public in that citizens have the right to attend the meeting and listen to the proceedings. The audience at a public meeting (unlike that at a public hearing) has no "right" to be heard and instead may speak only if invited by Council to do so.

The following procedures are to be followed by members of the audience who are recognized to speak at any public hearing or meeting.

- A. Wait to be recognized by the Mayor before speaking.
- B. Upon being recognized, rise before speaking, if requested to do so by the Mayor.
- C. If there is a podium or other location at which persons addressing the Council are to speak, the person who has been recognized is to leave his or her seat and proceed to that speaking location, if requested to do so by the Mayor.
- D. Before speaking, a member of the audience is to identify himself or herself by name and address, indicating if that address is within the City of Oakwood.
- E. Customarily, proponents will be recognized first, followed by persons who oppose the matter or issue, with a subsequent opportunity for rebuttal.
- F. Except when leave is granted by the Mayor, there is a time limit of three

minutes for each speaker. This does not apply to the person or organization who or which has filed the application, variance request or other matter being heard by the Council.

G. Avoid repeating points made by earlier speakers. The Mayor has the right to terminate comments that are redundant.

H. Comments from persons in the audience shall be addressed to the Council as a whole or to the Mayor, not to any individual member of Council, nor to proponents or opponents of the issue, nor to City staff, and not to other members of the audience.

I. Customarily, everyone will be given a chance to speak before any other person is allowed to speak twice. This does not apply to the applicant's or proponent's right to rebuttal.

J. The Council reserves the right to put an end to that portion of any meeting or hearing in which comments from the audience are allowed, so as to leave time for Council to proceed with other business.

111.24 AMENDMENT OF THESE RULES.

Since the provisions of this Chapter 111 are established by ordinance, they may not be amended by any Oakwood organization other than the City Council.

111.25 USE OF ROBERT'S RULES OF ORDER.

Beyond what is provided for in this chapter of the Codified Ordinances, the most recently revised edition of Robert's Rules of Order shall govern Council in its deliberations. Those provisions may be suspended in the same manner as other rules of procedure in this chapter.

113.01 PUBLICATION OF APPROPRIATION ORDINANCES.

In lieu of publication of appropriation ordinances in a newspaper of general circulation, all such ordinances may be published by reproduction and distribution to the members of Council and to department heads, to city boards and commissions, and to all citizens who may apply for copies at the office of the Clerk of Council. This method of publication is authorized by City Charter Article III, Section 3.05.

113.02 PUBLICATION OF GENERAL ORDINANCES BY INCLUSION IN CODIFIED ORDINANCES.

Ordinances of a general nature and ordinances providing for public improvements may be published in a newspaper of general circulation in the City, including a bulletin or newsletter published by the City itself. In the alternative, any or all such ordinances may be published through being included at length in a code of revised ordinances which is made available to the public in the office of the Clerk of Council. This code shall constitute the Codified Ordinances described in Section 101.01. This method of publication is specifically authorized by City Charter Article III, Section 3.05.

113.03 AMENDMENTS TO AND REVISIONS OF PREVIOUS ORDINANCES AND RESOLUTIONS.

A. An amendment of an existing ordinance or resolution need not set forth in full the ordinance, section or paragraph thereof being amended but may instead state what words are to be added, explain where those words are to be inserted, and also set forth any words to be deleted. One method of doing this may be to type words to be added in capital or italic letters and to type dashes through, and/or put brackets or parenthesis around, any words to be deleted. (Amended by Ord. 4405, passed 3/2/98).

B. If an entire ordinance or an entire section, paragraph, or sentence is to be repealed, it shall not be necessary to set forth in full the language to be repealed. Instead, it shall be sufficient to refer to the language being repealed by its ordinance or resolution number, section number or by identifying the paragraph or sentence to be repealed.

113.04 TWO OR MORE SUBJECTS IN ONE ORDINANCE OR RESOLUTION.

Any ordinance may contain a number of separate legislative sections as long as they deal with the same general subject or with the same code within the Codified Ordinances, e.g. the Traffic Code or Building Code.

Further, the City Manager may prescribe such additional duties as in his discretion seem appropriate in the best interests of the City.

129.05 EMERGENCIES; RESPONSIBILITY OF PERSONNEL.

Whenever the officer in command of the Division of Police determines that an emergency has arisen or is about to arise, he shall order such members of that division to duty as are not then on duty and as in his judgment may be necessary to meet the emergency. The City Manager may from time to time designate patrolmen to act, for as long as the City Manager may deem it advisable, as telephone-radio operators. Such patrolmen shall, for such time as they may serve in such capacity, retain their rank and salary as patrolmen. The City Manager may also designate personnel other than members of the Division of Police to act as telephone-radio operators and, in addition, may assign such personnel to administrative duties in the Division of Police. However, such designation and assignment shall in no way be deemed to make such personnel members of the Division of Police.

129.10 SCHOOL TRAFFIC WATCHMEN.

The City Manager may assign personnel of the Division of Police, or may assign other employees of the City, to duties as school traffic watchmen. Any such other employees not part of the Division of Police shall not be deemed to become personnel of that division merely by reason of assignment to them of such duties.

It shall be the duty of such special policemen to respond promptly to calls to duty when given by the City Manager or his authorized representative. They shall be subject to the orders of the City Manager and shall obey all the rules of the City Manager applicable to special policemen. They shall conform to the general discipline and regulations of the Safety Department. 145.01 DEFINITIONS

As used in this chapter:

- A. "Bid security" means appropriate security guaranteeing that if awarded, the bidder will enter into a contract conforming to the City's specifications and satisfactory to the City, and will properly secure its performance thereunder as required in the specifications. Bid security may be evidenced by :
 - 1. A certified check, cashier's check, or letter of credit, in form and substance satisfactory to the City Attorney, drawn upon or issued by a bank or other financial institution, in an amount not less than five percent (5%) of the amount of the bid; or
 - 2. A bid bond, in form and substance satisfactory to the City Attorney, from a surety company authorized to do business in the State of Ohio, in an amount not less than five percent (5%) of the amount of the bid.

- B. "Competitive bidding threshold" means the greater of \$50,000, or the minimum threshold contract value, as established by state law for county contracts, for utilizing formal competitive procedures.

- C. "Competitive bidding," "competitive bidding procedures" and "competitive selection" mean the formal bidding procedures set forth in Sections 145.04 and 145.05.

- D. "Governmental cooperative purchasing program" means, without limitation, any of the following:
 - 1. A program whereby political subdivisions may participate in state contracts arranged by the Office of State Purchasing (part of the Ohio Department of Administrative Services) pursuant to Revised Code 125.04;

Purchases and Contracts

2. Any other cooperative purchasing program that allows for participation in contracts or pricing schedules negotiated by the State of Ohio or any of its political subdivisions;
 3. Any opportunity, regardless of whether the same constitutes a program, for the City to contract with a Vendor on terms that were obtained by another political subdivision through that subdivision's competitive process, where the price and other terms are favorable to the City.
- E. "Informal procedures" means purchasing or contracting in any manner appropriate to the City's need or purpose, including but not limited to the solicitation of proposals, quotes or informal bids, or direct negotiation with Vendors. Informal procedures do not require competitive selection.
- F. "Lowest and best responsible" means the Vendor whose bid offers the lowest price after taking into account the Vendor's prior performance history with this City or other entities, the Vendor's demonstrated capabilities, any delivery and quality requirements, and any other fact revealed through the investigation made pursuant to Section 145.05(B) that is material to selecting the Vendor best able to meet the City's need in a cost-effective, responsible manner. The term "lowest and best responsible" shall not be construed to require the City to select a Vendor based upon price alone.
- G. "Vendor" and "Vendors," when so capitalized, are collective terms and include, without limitation, any seller, vendor, distributor, supplier, source, contractor or other provider of supplies, materials, equipment, labor or any other item or service whatsoever.

145.02 HOME RULE DECLARATION

The procedures described in this Chapter shall govern all purchasing and contracting for the city of Oakwood, and are intended as an exercise of the City's power of local self-government pursuant to Section 1.02 of the City Charter and Section 3, Article XVIII of the Constitution of the State of Ohio. Except to the extent that state law may be expressly incorporated, this Chapter shall supersede state law with respect to the subject matter herein. Specifically, but without limiting the superseding effect of this Chapter, the City shall not be obligated to follow the procedures set forth in Ohio Revised Code Sections 9.312, 9.313, 9.32 and 9.33 through 9.332, nor to follow the construction contract, public improvement or professional design contract procedures set forth in Chapter 153 of the Ohio Revised Code. Where this Chapter may be silent on a matter that is material to contracting and purchasing for the city of Oakwood, the City Manager is and shall be authorized to use such additional procedures as he or she deems to be in the best interest of the City.

145.03 CONTRACTING AUTHORITY

- A. The City Manager is the Purchasing and Contracting Agent for the City. The Purchasing and Contracting Agent is authorized to make any contract; purchase any supplies, materials and equipment; provide labor for any work or improvement; purchase, hire or retain any services; and make any other agreement or expenditure on the City's behalf consistent with the City Charter and all applicable laws. To the extent sufficient funds have been appropriated by Council, the Purchasing and Contracting Agent may act under this Chapter

Purchases and Contracts

without the need for further legislative authorization. The City Manager may delegate any portion of his or her authority as Purchasing and Contracting Agent to the head of any City department.

- B. If the probable cost of a purchase, or probable City obligation under a contract, will equal or exceed the competitive bidding threshold, the Purchasing and Contracting Agent shall resort to formal bidding under Section 145.04, subject to any applicable exceptions. Where the probable cost or obligation is below the competitive bidding threshold, or where an exception to formal bidding applies, the Purchasing and Contracting Agent may award the purchase or contract through informal procedures.
- C. In exercising his or her authority under this Chapter, the Purchasing and Contracting Agent shall endeavor to procure items or services on terms that will minimize expense to the City while remaining consistent with delivery and quality requirements.

145.04 FORMAL BIDDING PROCEDURES

- A. Formal sealed bids shall be used to determine the lowest and best responsible Vendor for the awarding of any purchase or contract that is subject to formal bidding under Section 145.03(B).
- B. Formal bids shall be solicited by publishing an advertisement once a week, for not less than two weeks, in a newspaper of general circulation in the City. The advertisement shall set forth the day, hour and place of the bid opening, and shall provide contact information for the person or department responsible for distributing specifications and/or bidding instructions. If, in the discretion of the Purchasing and Contracting Agent, publication in a professional or trade publication or internet website is more likely to attract bidders appropriate to the City's need or purpose, publication may be made in that forum instead, for a similar duration.
- C. Each bid must conform to the following general requirements:
 - 1. Each bid shall contain the full name of each person or company interested therein;
 - 2. Each bid shall be accompanied by appropriate bid security; and
 - 3. No bid may be altered or modified after it has been delivered to the City.
- D. The City may establish prequalifications or prerequisites for bidders, including but not limited to references and a statement of similar work previously performed.
- E. Formal bidding shall not be required in any of the following situations, which shall constitute exceptions to the general rule set forth above in subsection (A), regardless of the probable cost or obligation to be incurred:
 - 1. Public emergency declared in a resolution by a four-fifths vote of Council;

Purchases and Contracts

2. Where proximity of the supplier and/or immediate availability of the product or service is a determinative factor;
3. Where special or unusual circumstances make it advisable that the City deal with a particular Vendor on a sole-source basis;
4. Where a contract has already been entered into and a change order is sought for additional items or services, so long as all such change orders on a particular contract do not exceed twenty five percent (25%) of the original contract amount;
5. Participation in state contracts arranged by the Office of State Purchasing (part of the Ohio Department of Administrative Services) pursuant to Ohio Revised Code Section 125.04, or any other governmental cooperative purchasing program;
6. Where a purchase or contract can be obtained locally at a price below the price offered under a governmental cooperative purchasing program;
7. Contracts for professional or personal services;
8. Any other situation in which Council declares, by resolution, that the best interests of the City would be served by dispensing with the requirement of formal bidding for a particular purchase or contract; and
9. Any other exception in this chapter or allowed by the Charter or Ohio law.

145.05 OPENING AND EVALUATION OF FORMAL BIDS

- A. The Purchasing and Contracting Agent shall open and publicly read the formal bids on the last day such bids may be filed with the City.
- B. After sealed bids have been opened, the Purchasing and Contracting Agent may make an investigation into the responsibility of various bidders. If any contract is awarded, the Purchasing and Contracting Agent shall award such contract to the lowest and best responsible bidder. Before any contract is signed, it shall be submitted to the Finance Director for encumbrance and certification, and the contract shall also be approved as to form by the City Attorney.
- C. The Purchasing and Contracting Agent may reject any individual bid, or a particular portion of all bids, in the following circumstances:
 1. When there is reason to believe that collusion or combination has occurred among bidders;
 2. Failure to comply with the bid specifications, unless the Purchasing and Contracting Agent waives any irregularities;
 3. The Purchasing and Contracting Agent, in his or her discretion, determines that the interest of the City would be served by doing so.
- D. When no bid is received in response to a solicitation for bids, or if no bid sets fixed prices applicable during the term of the contract, or if no sealed bid is received for an amount within the City's good-faith cost estimate, or when no bid fully complies with the specifications and/or bidding instructions made available to interested bidders, the Purchasing and Contracting Agent shall have the option to make the purchase through informal procedures or to readvertise so as to repeat the formal bidding process. The City Manager shall inform Council before proceeding under this provision. For purposes of this section, a rejected bid shall be deemed not to have been received by the City.

145.06 GOVERNMENTAL COOPERATIVE PURCHASING PROGRAMS

The Purchasing and Contracting Agent is authorized to make purchases and contracts by participating in any governmental cooperative purchasing program. Consistent with this authority, the Purchasing and Contracting Agent may bind the City to all lawful contract terms and conditions prescribed by such program, including payment of a reasonable fee by the City to cover administrative costs incurred by the program as a result of this City's participation. In entering into such contracts, the City Manager is authorized and directed to agree that the City will pay the Vendor directly for items the City receives.

145.07 PURCHASE ORDERS

After following the proper bidding process or after utilizing informal procedures, as appropriate, a purchase order will be prepared. All purchase orders shall be submitted to the Director of Finance and/or City Manager for certification (*see* Section 125.01(D)). Blanket purchase orders may be issued for an estimated year's supply of standardized material or services or to a supplier of various items where buying convenience or a quantity discount is a factor. The Director of Finance and/or City Manager may promulgate additional procedures, guidelines and standard practices relating to purchase orders and the purchasing process, as may be deemed necessary to facilitate proper financial record-keeping for the City.

145.08 COLLECTION AGENCY CONTRACTS

The Purchasing and Contracting Agent shall have authority to enter into contracts with collection agencies, on such terms as he or she deems to be in the best interest of the City, for collection of sums of money due this City.

145.09 PETTY CASH

If an item being purchased is \$100.00 or less, the purchase may be considered a petty cash transaction. The head of the department making such purchase shall approve all petty cash purchases using the proper form, as provided by the Finance Department and consistent with procedures as may be established by the City Manager.

147.01 DEFINITIONS.

As used in this chapter and unless another definition is provided or the content otherwise requires:

A. "Active deposit" means a deposit of the City's public money payable or withdrawable in whole or in part as authorized in the Consumer Checking Account Equity Act of 1980, 94 Stat. 146, 12 U.S.C.A. 1832(a).

B. "Eligible depository" means:

1. any national bank located in Ohio and any bank as defined by Section 1101.01 of the Revised Code of Ohio which is subject to inspections by the Ohio Superintendent of Banks; and
2. any domestic building and loan association as defined in ORC Section 1151.01 which is authorized to accept deposits.

C. "Public money" means all money in the treasury of the City, or money coming lawfully into the possession of the Finance Director.

D. "Uniform Depository Act" means Chapter 135 of the Revised Code of Ohio and any amendment or supplement thereto. Whenever any provision of the Uniform Depository Act is made applicable under this chapter, such provisions are applicable only to the extent that they are not in conflict with or inconsistent with the Charter and ordinances or resolutions.

147.02 FINDINGS BY THE COUNCIL; INAPPLICABILITY OF AND INCORPORATION OF STATE LAWS.

A. The Council hereby makes the following findings with respect to the authorization and the establishment of the policies and procedures for the deposit and investment of public money in the treasury:

1. The authorization and establishment of such policies and procedures are powers of local self-government which may be exercised by the City through its ordinances under Sections 3 and 7 of Article XVIII of the Ohio Constitution and Article II of the Charter.
2. The authorization and establishment of such policies and procedures are in the best interests of the City and its citizens: (a) to provide a more efficient management of the City's money and investments; and (b) to enable the City to earn a greater yield on its investments and to provide safeguards of the City's money.

B. The Uniform Depository Act shall not apply to the City, except as it may be adopted by reference under this chapter. Section 135.11 of the Revised Code of Ohio, pertaining to exemption from conflict of interest laws, shall apply to the City, however.

C. In its actions and decisions regarding the deposit and investment of public money, the City may follow the procedures of the Uniform Depository Act from time to time, may elect to proceed under this Chapter 147 in other situations, and may change this election at any time and from time to time with the result that the Uniform Depository Act may apply to certain portions of the public funds of this City while Chapter 147 may apply to other portions of those funds.

D. To the extent that this chapter is applied to any particular amount of public money, the Uniform Depository Act shall not apply to that portion of money, except as it may be adopted by reference under this chapter. As noted in paragraph B, however, ORC Section 135.11 (pertaining to exemption from conflict of interest laws) always shall apply to the City.

Section 135.11 (pertaining to exemption from conflict of interest laws) always shall apply to the City.

E. Sections 731.56 to 731.59, inclusive, of the Revised Code of Ohio shall not apply to the City, except as ORC Section 731.59 is incorporated in part in Section 147.05 of this chapter.

F. Unless incorporated by reference or otherwise made applicable in this chapter, no other provision of the Revised Code of Ohio which is inconsistent or in conflict with this chapter shall apply to the City.

147.03 DEPOSITORIES.

A. The City Manager shall determine the amount of public money which shall be available in active deposits to provide the needed cash flow to pay warrants and checks issued and outstanding (and to provide for a reasonable surplus in addition thereto) and to maximize the interest received on public money of the City. Interest on active deposits shall be paid or credited by the City's designated eligible depositories at least quarterly and when funds are withdrawn, computing the time of payment from the date of deposit. No service charge shall be made by a designated eligible depository against an Active Deposit or collected from or paid by the Finance Director unless such service charge is the same as is customarily imposed by institutions in the City receiving money on deposit subject to check, in which event the Finance Director may pay such charge. All public money of the City not deposited in active deposits shall be invested pursuant to Section 147.05.

B. The City Manager shall, by a writing filed with the Clerk of Council, designate one or more eligible depositories as the depository or depositories of the City's active deposits. In making such designation the City Manager shall consider the following:

1. the convenience of the location of the depository's offices;
2. the rate or rates of interest, if any, which the depository will pay on the active deposits;
3. the service charges, if any, that will be made for the services of the depository; and
4. any other terms or conditions with respect to the depository's acceptance of the City's active deposit.

C. The initial designation of depositories for the City's active deposits shall be for a period not to exceed six months and may be made without giving the notice hereinafter provided for. Subsequent designations of depositories for the City's active deposits shall be for a period specified in the City Manager's written designation of depositories described in the paragraph immediately above. That period shall not be less than six months nor longer than five years, and such subsequent designations shall be

made after the Finance Director has provided written notice by first-class mail to the eligible depositories having an office in the City, and such other eligible depositories as determined by the Finance Director, at least sixty days prior to the date of the action of the City Manager designating depositories for the City's active deposits.

D. Such notice shall provide an estimate of the maximum amount of such active deposits at any time during the period of designation and the proposed period of designation or alternative proposed periods of designation. It shall also request such depositories to apply in writing for all or part of the City's active deposits on or before a date and time specified in the notice. The notice to such eligible depositories shall request them to state in their applications the amount of active deposits which will be accepted by them, the rate of interest, if any, which will be paid on such active deposits, the service charges, if any, which will be made for their services, other terms or conditions with respect to the acceptance of all or part of the City's active deposits, and the location of their offices in the City, or if none are located in the City, the location of their nearest offices.

E. The notice shall include or request any other information to or from such depositories which the Finance Director deems relevant. The request for written applications or their receipt does not constitute a bidding procedure. Rather, such request and application are intended to provide relevant information to the City Manager for his or her designation pursuant to this section and to provide notice to eligible depositories that the City will receive applications and proposals for its active deposits.

F. The City Manager shall enter into a contract, approved as to form by the City Attorney, with such depositories for the appropriate period determined pursuant to this section. Such contract shall establish the rate of interest, if any, to be paid by the depository on the City's active deposits, the service charges, if any, the depository may make for its services, and other terms or conditions of the depository's acceptance of the City's active deposits.

G. The limitations of the aggregate amounts of public money that may be on deposit with eligible depositories as set forth in the Uniform Depository Act shall apply under this chapter.

147.04 SECURITY FOR REPAYMENT OF DEPOSITS.

A. Before making the initial deposit in a public depository pursuant to an award made under Section 147.03 or pursuant to an investment in a certificate of deposit under

Money, Investments and Funds

Action 147.05(b)(7), the Finance Director shall require the institution to pledge to and deposit with him, as security for the repayment of all public money to be deposited in the depository during the period of designation, eligible securities of aggregate market value equal to the excess of the amount of public money to be at the time so deposited, over and above such amount of that money as is insured by the federal deposit insurance corporation or by any other agency or instrumentality of the federal government or of the State of Ohio as may be approved by the City Manager and City Attorney. In the alternative, the Finance Director may require such institution to deposit with the City surety company bonds or other insurance policies approved by the City Manager and City Attorney which, when executed, shall be for an amount equal to such excess amount.

B. In the case of any deposit other than the initial deposit made during the period of designation, the amount of the aggregate market value of securities required to be pledged and deposited, or the surety company bonds required to be deposited or the other insurance coverage required, shall be equal to the difference between the amount of public money on deposit in such public depository plus the amount to be so deposited, minus such portion or amount of the aggregate as is at the time insured as provided in this section. The Finance Director may require additional eligible securities to be deposited to provide for any depreciation which may occur in the market value of any of the securities so deposited.

C. The following securities shall be eligible for the purposes of this section:

1. Bonds, notes, or other obligations of the United States; or bonds, notes, or other obligations guaranteed as to principal and interest by the United States or those for which the faith of the United States is pledged for the payment of principal and interest thereon, by language appearing in the instrument specifically providing such guarantee or pledge and not merely by interpretation or otherwise.
2. Bonds, notes, debentures, or other obligations or securities issued by any federal government agency or the export-import bank of Washington. In addition, bonds, notes, or other obligations guaranteed as to principal and interest by the United States or those for which the faith of the United States is pledged for the payment of principal and interest thereon, by language appearing in the instrument specifically providing such guarantee or pledge and not merely by interpretation or otherwise.
3. Bonds and other obligations of this state.
4. Bonds and other obligations of any country, township, school district, municipal corporation (including the City) or other legally constituted

Money, Investments and Funds

taxing subdivision of this state which is not at the time of such deposit in default in the payment of principal or interest on any of its bonds or other obligations, for which the full faith and credit of the issuing subdivisions is pledged.

5. Bonds of other states of the United States which have not during the ten years immediately preceding the time of such deposit defaulted in payments of either interest or principal on any of their bonds.
6. Obligations guaranteed as to principal and interest by the Ohio Student Loan Commission.

D. If the depository fails to pay over any part of the deposit made therein as provided by law, the Finance Director shall sell at public sale any of the bonds or other securities deposited with him pursuant to this section or ORC Section 131.09. Thirty days' notice of such sale shall be given in a newspaper of general circulation at the county seat of the county in which the office of the Director of Finance is located. Pursuant to division (c) of ORC Section 135.18, when a sale of bonds or other securities has been so made and upon payment to the Finance Director of the purchase money, the Finance Director shall transfer such bonds or securities. At that time the absolute ownership of such bonds or securities shall pass to the purchasers, and any surplus remaining after deducting the amount due the state or subdivision and expenses of sale shall be paid to the depository.

E. An institution designated as a depository may, by written notice to the Finance Director, designate a qualified trustee and deposit the eligible securities required by this section with the trustee for safekeeping for the account of the Finance Director and the institution as a depository, as their respective rights to and interests in such securities under this section may appear and be asserted by written notice to or demand upon the trustee pursuant to division (D) of ORC Section 135.18. In such case, the Finance Director shall accept the written receipt of the trustee describing the securities which have been so deposited, a copy of which shall also be delivered to the depository. Thereupon all such securities so deposited are, pursuant to division (D) of ORC Section 135.18, deemed to be pledged with the Director of Finance and to be deposited with him for all purposes of this section.

F. The Council may make provisions for the exchange and release of securities and the substitution of other eligible securities except where the depository has deposited eligible securities with a trustee for safekeeping as provided in this section.

G. When the depository has deposited eligible securities described in this section with a trustee for safekeeping, the depository may at any time substitute eligible securities described above having a current market value equal to or greater than the current market

value of the securities then on deposit and for which they are to be substituted, without specific authorization from the City Council or Finance Director of such substitution, only if:

1. The Finance Director has authorized the depository to make such substitution on a continuing basis during a specified period without prior approval of each substitution. Such authorization may be effected by the director sending to the trustee a written notice stating that substitution may be effected on a continuing basis during a specified period which shall not extend beyond the end of the period of designation during which the notice is given. The trustee may rely upon such notice and upon the period of authorization and the period of designation stated therein.
2. In the situation in which no continuing authorization for substitution has been given by the Finance Director, the depository notifies the Finance Director and the trustee of an intended substitution, and the Finance Director fails to object to the trustee as to the eligibility or market value of the securities being substituted within ten calendar days after the date appearing on the notice of proposed substitution. The notice to the Finance Director and to the trustee shall be given in writing and delivered personally or by certified or registered mail with a return receipt requested. The trustee may assume in any case that the notice has been delivered to the Finance Director. In order for objections of the Finance Director to be effective, receipt of the objections must be acknowledged in writing by the trustee.
3. The Finance Director gives written authorization for a substitution of specific securities.

H. The depository shall notify the Finance Director of any such substitution. Upon request from the Finance Director, the trustee shall furnish a statement of the securities pledged against such public deposits.

I. Pursuant to division (I) of ORC Section 135.18, any federal reserve bank or branch thereof located in this state is qualified to act as trustee for the safekeeping of securities under this section, even without complying with ORC Sections 1109.03, 1109.04, 1109.17 and 1109.18 or with this chapter and without becoming subject to ORC Section 1109.15 or any other law of Ohio relative to the exercise by corporations of trust powers generally. Under division (I) of ORC Section 135.18, any institution mentioned in ORC Section 135.03 which holds a certificate of qualification issued by the Superintendent of Banks, and any institution complying with ORC Sections 1109.03, 1109.04, 1109.17 and 1109.18, also is qualified to act as trustee for the safekeeping of securities, (other than those belonging to itself) under this section and under ORC Section 135.18. Pursuant to said Section 135.18 and upon application to him in writing by any such institution, the Superintendent of Banks shall investigate the applicant and ascertain whether or not it has been authorized to execute and accept trusts in Ohio and has safe and adequate vaults and efficient supervision thereof for the storage and safekeeping within Ohio of such securities. If the superintendent finds that the applicant has been so authorized and does have such vaults

and supervision thereof, he shall, pursuant to said Section 135.18, approve the application and issue a certificate to that effect. The original or any certified copy of that certificate shall be conclusive evidence that the institution therein named is qualified to act as trustee for the purposes of this section with respect to securities other than those belonging to itself.

J. Notwithstanding the fact that a depository is required to pledge eligible securities in certain amounts to secure deposits of public money, a trustee shall have no duty or obligation to determine the eligibility, market value, or face value of any securities deposited with the trustee by a depository. This applies in all situations including, without limitation, a substitution of securities. Pursuant to ORC Section 135.18, any charges or compensation of a designated trustee for acting as such under this section shall be paid by the depository and in no event shall be chargeable to the City or to the Finance Director or to any officer of the City. Pursuant to said Section 135.18, such charges or compensation shall not be a lien or charge upon the securities deposited for safekeeping prior or superior to the rights to and interests in such securities of the City or of the Finance Director. Pursuant to said Section 135.18, the Finance Director and his bondsmen or surety shall be relieved from any liability to the City or to the depository for the loss or destruction of any securities deposited with a qualified trustee pursuant to this section.

147.04.1 OPTIONAL PLEDGING REQUIREMENTS TO ALLOW THE POOLING OF PLEDGED SECURITIES.

A. In lieu of the pledging requirement prescribed elsewhere in this Chapter 147, an institution designated as a public depository at its option may pledge a single pool of eligible securities to secure the repayment of all public money deposits in the institution which are not otherwise secured pursuant to law. At all times the total value of the securities so pledged (based on the valuations prescribed in this chapter) must be at least equal to 105% of the total amount of all public deposits secured by the pooled securities, including the portion of such deposits covered by any federal deposit insurance.

B. Alternatively, funds of the City of Oakwood may be secured through the use of such a pooled fund of eligible securities in the manner described in ORC Sections 135.181 or 135.182. (Ord. 3499, passed 8/12/85; Ord. 4849, passed 12/11/2017.)

147.05 INVESTMENTS OTHER THAN ACTIVE DEPOSITS OR CASH RESERVE.

A. It is the policy of the City to deposit and invest public funds in a manner which will provide the maximum security with the highest investment return while meeting the daily cash flow demands of the City and conforming to all State and local statutes governing the investment of public funds.

B. All public money of the City not deposited in active deposits or kept by the Finance Director as a cash reserve as may be prescribed by the City Manager shall be invested by the Finance Director pursuant to this section. Cash balances from the several different funds of the City may be pooled for investment purposes. Unless otherwise restricted, all interest earnings will be credited to the General Fund of the City. Investments under this section need not be limited to money which will not be needed for a period of six months. The City funds subject to this section are hereinafter referred to as the "Active Portfolio".

C. The following investment and deposit objectives will be applied in the management of City funds:

The primary objective of the City's investment activities is the preservation of capital and the protection of investment principal.

1. All investment and deposit transactions must be in conformance with all applicable laws and ordinances prevailing at the time of the transaction.
2. The City's investment portfolio will remain sufficiently liquid to enable the City to meet operating requirements which might be reasonably anticipated.
3. In investing public funds, the City will strive to maximize the return on the portfolio, but will avoid assuming unreasonable investment risks.
4. The City will diversify its investments to avoid incurring unreasonable and avoidable risks regarding specific security types or individual financial institutions.
5. Banks vary in the services they provide, their service fees, interest rates on interim investments and the minimum compensating balances required for demand-deposit accounts. The City's objective is to obtain good banking services while minimizing the cost of banking services to the City.

D. Deposit and investment of City funds shall be made with the exercise of that degree of judgement and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation but for investment, considering the probable safety of their capital as well as the probable income to be derived (hereinafter referred to as "The Prudent Person Standard").

Money, Investments and Funds

The standard of prudence to be used by City officials involved in the deposit and investment of City funds shall be The Prudent Person Standard and shall be applied in the context of managing an overall portfolio. City officials acting in accordance with written procedures and this policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

E. Authority to manage the City's deposits and investment program is derived from the City Charter. The Director of Finance, as Chief Financial Officer of the City, shall be charged with the administration of this Policy. The Director of Finance shall have the right to assign such duties and responsibilities as he or she deems appropriate in keeping with the efficient and prudent management of such policy. Such assignment shall include explicit delegation of authority to persons responsible for investment transactions.

F. Officers and employees involved in the deposit and investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

Officers and employees involved in the deposit and investment of City funds shall disclose to the City's independent auditors any material financial interests in financial institutions that conduct business with the City and further disclose any large personal financial/investment positions that could be related to the performance of the City's portfolio.

Officers and employees involved in the investment of City funds shall subordinate their personal investment transactions to those of the City, particularly with regard to the time of purchases and sales.

G. The Director of Finance shall have established a system of controls to regulate the activities of subordinate officials. Such internal controls and compliance therewith shall be subject to review during the annual audit conducted by or on behalf of the Auditor of the State of Ohio.

H. To the extent possible, the City will attempt to match the term to maturity of its investments with anticipated cash flow requirements. Unless matched to a specific cash flow requirement, the City will not directly invest in securities maturing more than 10 years from the month of settlement. A security trading on a "When Issued" basis may be purchased or sold if all aspects of the security and the trade meet the requirements by this Policy and the settlement date is no longer than 30 days after the trade date.

As an alternative, for securities which repay principal prior to maturity, such as certain mortgage backed securities, the City will not directly invest in securities with an

expected average life of more than 10 years. Expected average lives must be substantiated by forecasts independent of the City and the dealer from which the security is purchased such as the Bloomberg System.

I. Securities shall be purchased only through:

Nationally chartered commercial banks organized within and under laws of one of the United States, which are insured through the Federal Deposit Insurance Corporation, and which are members of the Federal Reserve; or

1. Broker/dealer firms which are registered with the National Association of Securities Dealers (NASD) and are licensed to sell securities within the State of Ohio; and
2. Primary securities dealers, as designated by the Federal Reserve Bank of New York and which qualify under Securities & Exchange Commission Uniform Net Capital Rule 15c3-1.
3. The broker/dealer must meet the eligibility requirements set forth in Section I(1), above; and
4. The broker/dealer and the personnel assigned to service the City's account must be licensed to sell securities in the State of Ohio.
5. The Director of Finance shall make additions to the authorized list when the above described criteria are met.
6. The Director of Finance shall make deletions from the list as directed if and as directed by ordinance of the City Commission, upon failure of the broker/dealer to meet the foregoing investment and deposit policy requirements, or upon request of the broker/dealer.
7. The Director of Finance shall make deletions from the list at his or her discretion based on the following criteria or circumstances:
 - Perceived financial difficulties of the broker/dealer;
 - a. Consistent lack of competitiveness by the broker/dealer;
 - b. Lack of experience or familiarity of the account representative in providing service to large institutional accounts; or
 - c. When deemed in the best interest of the City.

J. The City Manager and the Finance Director may invest in any of the following classifications of obligations, all of which are hereby determined to be eligible for investment:

Money, Investments and Funds

Bonds, notes, or other obligations of or guaranteed by the United States or those for which the faith of the United States is pledged for the payment of principal and interest thereon.

Bonds, notes, debentures or other obligations or securities issued by any federal government agency or by the export-import bank of Washington.

Discount notes of the Federal National Mortgage Association, and bonds issued by the homeowners' loan corporation, as defined in ORC Section 731.56.

Bonds and notes of the State of Ohio.

Bonds and notes of any municipal corporation (including the City) county, township or other political subdivisions of Ohio as to which there is no default or principal, interest or coupons.

The Finance Director may enter into a repurchase agreement with any eligible institution mentioned in ORC Section 135.03. The eligible institution shall submit a Master Repurchase Agreement that has been entered into between the City and that particular institution. Each Master Repurchased Agreement will provide for:

Collateralization of each repurchase agreement consisting exclusively of obligations described in sections J(1) and (2) above, the market value of which shall not be less than 102% of the principal amount of each repurchase agreement plus accrued interest;

Safekeeping of the collateral by the City's third-party safekeeping agent; and

Settlement of each repurchase agreement on a delivery-versus-payment basis.

Master repurchase agreements may provide for substitution of collateral by the broker/dealer with the agreement of the City.

Certificates of deposit of eligible depositories which may provide on their face that the amount of such deposit is payable (upon written notice) at a specified period before the date of the repayment maturity.

Insured deposit accounts in eligible depositories paying interest at a rate greater than the interest paid on the City's active deposits. Such investments must be approved in writing by the City Manager and City Attorney and such approval shall also include approval of the insurance

Money, Investments and Funds

provided to secure and protect the City's ability to recover the principal deposited in such deposit account.

Banker's acceptances issued by banks ranked within the top 100 banks based upon asset size, or issued by banks within the State of Ohio with at least two billion dollars (\$2,000,000,000).

Commercial paper which when purchased is rated at least (P-1) by Moody's Investor Services and A-1 by Standard and Poor's, and corporate notes and other debt which, when purchased, is rated AAA by Moody's Investor Services and/or Standard and Poor's.

No-Load money market mutual funds consisting exclusively of obligations described in paragraphs J(1) and (2) hereof.

The State Treasury Asset Reserve of Ohio (STAR Ohio).

K. Securities which are specifically prohibited for investment include interest-only, mortgage-backed securities or other securities for which there exists a hypothetical mathematical possibility of a negative yield, excluding default risk, if the security is held to maturity.

L. To avoid incurring unreasonable risks inherent in over-investing in specific instruments, individual financial institutions, dealers or maturities, the Director of Finance will diversify the active portfolio as follows:

<u>Instrument Type</u>	<u>Maximum Percent of Active Portfolio</u>	<u>Maximum Percent of Portfolio by Obligor</u>
*U.S. Treasury Obligations	100	100
*Authorized U.S. Federal agency securities and U.S. Government-sponsored corporations and instrumentalities	100	50
*Nonnegotiable certificates of deposit	100	25
*STAR Ohio	100	100
*Prime Commercial Paper	25	10
*Bankers' acceptances	25	10
*Commercial debt - demand notes	25	25
*Commercial debt - notes and bonds	25	10

M. No transaction needs to be executed when, through inadvertence or unusual circumstances, a maturity in the active portfolio causes the percentage of a type or category of investment to exceed the diversification limits set forth in section (K) above.

Money, Investments and Funds

Any transaction executed after such infraction shall work toward returning the active portfolio to compliance with such limits.

N. The City Manager and/or the Finance Director may set lower limits on the amount of funds which can be placed in any investment category.

O. Competitive bidding will be utilized in order to strengthen the investment program in terms of level and consistency of performance. When purchasing securities, the Director of Finance will obtain the minimum number of offerings as follows:

Type of Security	<u>Minimum Acceptable Number of Offerings</u>
Government securities	2
Nonnegotiable certificates of deposit	3
Bankers' acceptances	2
Commercial Paper	3

P. When selling any type of security, the Director of Finance will use his or her best efforts to obtain a minimum of three (3) bids. The right is reserved to reject the offering of bid yielding the highest return if such offering or bid is inconsistent with the City's investment strategy, i.e., maturity, risk, diversification, liquidity, etc. Price and rate quotations on all trades shall be obtained from authorized financial institutions and dealers within and outside the City. In the case of a purchase or sale of securities where all other factors are considered by the Director of Finance to be equal, placement will be made in favor of the institution situated within the City if two or more offerings or bids are the same.

Q. The City Manager may order the Finance Director to sell any of the securities, obligations, or certificates of deposit or to close any accounts held as investments. Such order shall be in writing and shall specifically describe the securities, obligations, certificates of deposit or accounts and fix the date on which they are to be sold or closed. Securities, obligations, certificates of deposit or accounts ordered to be sold or closed by the City Manager shall be sold or closed for cash by the Director of Finance on the date fixed in the City Manager's order at the then current market price.

R. The Finance Director shall have authority to sell any securities, obligations, or certificates of deposit or close any accounts held as investments (without the written order of the City Manager mentioned the paragraph immediately above) for cash and for a sum not less their current market price.

148.05 MANDATORY FILING OF RETURN; PAYMENT OF TAX.

A. Each person who engages in business, or other activity or whose qualifying wages, commissions or other compensation is subject to the tax imposed by this chapter shall make and file a return on or before April 15 of each year, whether or not any tax is due from such person. In addition, every resident shall make and file a return in a similar manner, whether or not a tax is due from such resident, excepting those residents under 18 years of age and excepting residents who are retired and who have no income

subject to this tax and have so notified the superintendent in writing.

B. When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed on or before the fifteenth (15th) day of the fourth (4th) month following the end of such fiscal year or period. The Tax Administrator is hereby authorized to provide by regulation that the return of an employer or employers showing the amount of Municipal tax deducted by said employer or employers from the qualifying wages, commissions, other compensation and other taxable income of an employee, and paid by the employer or employers to the Tax Administrator may be accepted as the return required of such employee whose sole income subject to tax under this Tax Code is such qualifying wages, commissions, other compensation and other taxable income.

C. The return shall be filed with the Tax Administrator on a form prescribed and furnished by or obtainable upon request from the Tax Administrator or upon a generic form which contains all of the following information and which generic form otherwise complies with all of the City's rules and ordinances governing the filing of returns, reports, and documents:

1. The aggregate amounts of qualifying wages, commissions and other compensation received by him and gross income from business, profession or other activity earned during the preceding year and subject to said tax, less allowable expenses incurred in the acquisition of such gross income;
2. The amount of the tax imposed by this chapter on such earnings and profits; and
3. Such other pertinent statements, information returns or other information as the Tax Administrator may require.

D. Notwithstanding subsection 148.05(C), for taxable years beginning on or after January 1, 2005, a taxpayer subject to Oakwood's tax on the net profit from a business or profession may file its municipal income tax return or estimated municipal tax return, and may make payment of amounts due on such returns, by using the Ohio business Gateway.

E. Except as set forth in subsection (D), the taxpayer making a return shall, at the time of the filing thereof, pay to the City through the Tax Administrator the amount of taxes shown as due thereon. Credit shall be allowed for:

1. Any portion of the tax so due which was withheld at the source pursuant to the provisions of Section 148.06 of this chapter;
2. Any portion of said tax which was paid in advance by the taxpayer pursuant to the provisions of Section 148.07 of this chapter; and

3. Tax paid to another municipality as provided by Section 148.15 of this chapter.

F. Subject to the limitations contained in Section 148.11 of this chapter, any taxpayer who has overpaid the amount of tax to which the City is entitled may have part or all of such overpayment applied against any subsequent liability hereunder or, at his election indicated on the return, such overpayment (or part thereof) shall be refunded.

G. Amended returns.

1. Where necessary, an amended return must be filed in order to report additional income and any additional tax due or to claim a refund of tax overpaid, subject to the requirements and/or limitations contained in Section 148.11. Such amended returns shall be on a form meeting original filing requirements, clearly marked AMENDED. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return without the approval of the Tax Administrator.
2. Notwithstanding the limitations contained in Section 148.11, within three months from the final determination of any federal tax liability affecting the taxpayer's City of Oakwood tax liability, such taxpayer shall make and file an amended City of Oakwood return showing income subject to the City of Oakwood tax based upon such final determination of federal tax liability and shall pay any additional tax shown due thereon or make claim for refund of any overpayment.

H. Information returns, schedules and statements required to support tax returns which are incomplete without such information shall be filed within the time limits set forth for the filing of the tax returns. Failure to do so shall be deemed to be a violation of this section, but the taxpayer shall have ten days after notification by the Tax Administrator to file such items.

148.06 COLLECTION AT SOURCE.

A. Each employer shall at the time of the payment of any qualifying wages, withhold the taxes levied by Section 148.03 of this chapter from the qualifying wages of his employees who are subject to the provisions of this chapter. In making such withholding, the employer shall compute the tax to the nearest full cent so that mills of five or more shall be increased to the next full cent and mills less than five shall be dropped. No person shall be entitled to a refund merely because such rounding off of the tax results in an apparent overpayment based on his total earnings. Each employer shall, on or before the last day of each month, make a return and pay to the Tax Administrator, the tax withheld during the preceding month. The Tax Administrator shall

have authority, however, to approve the filing of returns and payments of the tax withheld on a quarterly basis. In such case, the employer shall, on or before the last day of each month following the calendar quarters ending March 31, June 30, September 30 and December 31, make a return and pay to the city the tax withheld during the preceding calendar quarter. Such approval for quarterly filings and payments may be withdrawn by the Tax Administrator when it is to the best interest of the City of Oakwood to do so. The Tax Administrator shall provide, by regulation the manner in which such approval is to be granted or withdrawn.

B. The employer shall be liable for the payment of the tax required to be withheld, whether or not such tax has in fact been withheld. An employee is not relieved from liability for a tax by the failure of the employer to withhold the tax as required by a municipal corporation or by the employer's exemption from the requirement to withhold the tax.

C. The failure of an employer to remit to Oakwood the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer in connection with the failure to remit the tax withheld.

D. Such employer shall be deemed to hold withheld taxes as a Trustee for the benefit of the City of Oakwood; and any such withheld taxes shall, until paid to the City, be deemed to be a trust fund in the hands of the employer.

E. No person shall be required to withhold the tax on the wages or other compensation paid any domestic servant employed by him exclusively in or about such person's residence, even though that residence is in the City of Oakwood; but every such domestic servant employee shall be subject to all the requirements of this chapter.

F. On or before January 31 of each year, each employer shall file a withholding return on a form prescribed by and obtainable upon request from the Tax Administrator setting forth the names and addresses of all employees from whose compensation the tax was withheld during the preceding calendar year and the amount of taxes withheld and such other information as may be required by the rules and regulations adopted by the Tax Administrator. If the total City Income Tax withheld from any employee includes tax withheld for another municipality, the amount of such tax and the name of the municipality for which it was withheld shall be separately shown on the annual withholding return.

G. Any employer may report the amount of municipal income tax withheld from qualifying wages paid or on or after January 1, 2007, and may make remittance of such amounts by using the Ohio Business Gateway.

H. Any person who is required herein to withhold City Income Tax from compensation shall pay all such City Income tax to the City in accordance with the provisions of this Chapter. In the event the City Income Tax required to be withheld from the compensation of employees are not so withheld or are not paid to the City in

accordance with the provisions of this section, any person, including but not limited to all shareholders, officers, owners, managers, employees, and trustees, having control or supervision of or charged with the responsibility of filing the withholding return and making payment of City Income tax withheld are jointly and severally personally liable for the City Income Tax withheld, not returned, or not paid to the City as well as any related interest and penalties, and are also criminally liable under the provisions of Section 148.12. The liquidation, dissolution, termination, death, or bankruptcy of any person does not discharge such person's liability for a failure of such person to file withholding returns or withhold or pay City Income Taxes required to be withheld.

I. Any person required by the Internal Revenue Code to report, on an Internal Revenue Service Form 1099, payments made by such person to any individual not treated by such person as an employee for services performed by such individual shall also report such payment to the City where such services or any portion thereof were performed in the City, or where such payee is a resident of the City. Such report shall be made on a form prescribed by the Tax Administrator, which form shall include the name, address, federal taxpayer identification number, the amount of the payments made to each payee, and the percentage of such payments attributable to the City. Federal forms 1099 may be submitted in lieu of such report. Such return or forms shall be filed annually on or before February 28 of each year.

148.07 DECLARATION OF ESTIMATED TAX.

A. Every person who anticipates the receipt of any taxable income which is not subject to Section 148.06 of this chapter, or who engages in any business or other activity subject to the tax imposed by Section 148.03, shall file a declaration setting forth such person's estimated taxable income together with the estimated tax due thereon, if any.

B. The filing date for a declaration of estimated income and estimated tax shall be as follows:

1. On or before April 15 of each year, or on or before the fifteenth day of the fourth month after the date the taxpayer becomes subject to the provisions of this chapter.
2. Any taxpayer reporting on a fiscal year basis shall file a declaration on the fifteenth day of the fourth month after the beginning of each fiscal year or period.

C. Form for (and amendment of) estimated tax deductions.

1. Such declaration shall be filed upon a form furnished by or obtainable upon request from the Tax Administrator, which form or forms shall contain a statement that the figures used in making such declaration are the figures used in making the declaration of the

estimate of the taxpayer's federal income tax liability, adjusted to report that income which is taxable under the provisions of this chapter. Credit shall be taken for the City of Oakwood tax to be withheld. In accordance with the provisions of Section 148.15, credit may be taken for tax to be paid to or to be withheld and remitted to another taxing municipality.

2. The original declaration (or any subsequent amendment thereof) may be amended at any time.
3. An amended declaration must be filed on or before January 31 of the following year or, in the case of a taxpayer on a fiscal year, on or before the date fixed by regulation of the Tax Administrator if it appears that the original declaration made for such taxable year underestimated the taxpayer's income by ten percent or more. At such time a payment shall be made which, together with prior payments, is sufficient to pay the taxpayer's entire estimated liability. If upon the filing of the return required by Section 148.05, it appears that the taxpayer did not pay ninety percent of his tax liability as shown on said return on or before January 31 (or the date fixed by regulations, whichever is applicable), the difference between ninety percent of the taxpayer's tax liability and the amount of estimated tax actually so paid shall be subject to the interest and penalty provisions of Section 148.10 of this chapter.

D. Payment of estimated tax amounts shall be made as follows:

1. At least one fourth of the estimated annual tax, less credit, shall be paid when the declaration is to be filed; and at least a similar amount shall be paid on or before the last day of the seventh, tenth and thirteenth months after the beginning of the taxable year. If an amended declaration of estimated tax has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.
2. The last quarterly payment of estimated tax need not be made if the taxpayer files his final return and pays the balance of the tax due thereon within forty five days following the end of the taxable year.

148.08 DUTIES AND POWERS OF THE TAX ADMINISTRATOR.

A. It shall be the duty of the Tax Administrator to receive tax payments from the taxpayers, to keep an accurate record thereof, and to report daily all money so received. In addition, the Tax Administrator shall enforce payment of all taxes owed to the City and shall keep accurate records for a minimum of five years showing the amount due from each taxpayer required to file a declaration and/or to make any return,

including taxes withheld, and showing the dates and amounts of payments thereof.

B. The Tax Administrator is hereby charged with enforcement of the provisions of this chapter, and is hereby empowered, subject to the approval of the Board of Adjudication, to adopt and promulgate and to enforce rules and regulations relating to any matter or thing pertaining to the collection of taxes and administration, interpretation, application and enforcement of this chapter, including provisions for the reexamination and correction of returns.

C. If the Tax Administrator determines that a taxpayer or employer has failed to file a return or has filed a return which does not show the proper amount of tax due, the Tax Administrator may, subject to Subparagraph C 1 c of this Section 148.08, assess the amount of tax appearing to be due, together with interest and penalties thereon, if any, in the following manner:

1. General provisions as to assessment, interest and penalties and other decisions of the Tax Administrator:

a. Proposed assessments. If the Tax Administrator determines that a taxpayer has a tax liability for which he has filed no return, has filed an incorrect return or has failed to pay the full amount of tax due, the Tax Administrator may cause the issuance of a proposed assessment showing the amount of tax due together with any penalty and interest that may have accrued thereon.

i. Such proposed assessment shall be served upon the taxpayer in person or by mailing to his last known address together with a notice setting forth the taxpayer's right to appeal the assessment and the manner in which to appeal. Proof of mailing furnished by the U.S. Post Office shall be presumptive proof of receipt thereof by the addressee.

ii. A taxpayer may, within thirty days after the date the proposed assessment was served or mailed, file a written protest with the Tax Administrator, or the taxpayer may proceed as under subsection 148.08(b)(i) below. If no protest is filed to a proposed assessment, it shall become final thirty days after being served unless the taxpayer has elected to proceed under subsection 148.08(b)(i). If a protest is filed, within thirty days after receipt of the protest, the Tax Administrator shall give the protestant an opportunity to be heard, and the Tax Administrator may extend the date of hearing for good cause shown. Said hearing shall be a meeting with the Tax

Administrator at which the taxpayer may present records and facts in support of his or her position. Based on the facts and documentation gathered at the hearing, the Tax Administrator shall withdraw, adjust or reaffirm the assessment by issuance of a final assessment.

- b. After a proposed assessment becomes final, notice of such final assessment may be issued and shall be served in the same manner as a proposed assessment. Said notice shall inform the taxpayer of his/her right to appeal the decision and of the manner in which the taxpayer may appeal the decision.
 - i. A taxpayer who is aggrieved by a decision by the tax administrator and who has filed with the City the required returns or other documents pertaining to the municipal income tax obligation at issue in the decision shall have thirty days after the date the Tax Administrator issued the final assessment or other decision aggrieving the taxpayer to file written notice of appeal with the Board of Tax Appeals. Such written notice of appeal shall state why the decision should be deemed incorrect or unlawful and shall be filed in a sealed envelope plainly marked "Appeal to Board of Tax Appeals" and mailed or delivered to the Tax Administrator who shall, open the appeal envelope and deliver such appeal to the Chairman of the Board of Tax Appeals or, if the Chairman is not available, to the Vice-Chairman of that board.
 - ii. Within thirty days of receipt of the "Appeal to Board of Tax Appeals", the Tax Administrator shall also deliver to the board in a similar manner a certified transcript of all actions taken with respect to said final assessment. Such transcript shall be open to inspection by the appellant and his/her counsel.
 - iii. Any taxpayer against whom a final assessment has been issued or who has otherwise been aggrieved by a decision of the Tax Administrator and who has properly filed a notice of appeal shall be granted a hearing by the Board of Tax Appeals within forty-five days after the Board has received the request, unless the taxpayer waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear

before the Board. The Tax Administrator shall be deemed a party to the appeal. At such hearing the appellant and the Tax Administrator shall be given opportunity to present evidence relating to the said final assessment. The appellant shall proceed first and shall have the burden of proof.

- iv. The Board of Tax Appeals shall issue a decision to affirm, reverse or modify the final assessment within ninety days after the conclusion of the hearing and shall furnish a copy of its decision by ordinary mail to all of the parties to the appeal within fifteen days after issuance of its decision.

- c. A taxpayer aggrieved by a decision shall have sixty (60) days after notification of the municipal Board of Tax Appeals' decision to file a notice of appeal with the State Board of Tax Appeals or court of common pleas as provided in Ohio Revised Code section 5717.011. A copy of such notice of appeal shall be served on the Tax Administrator by hand delivery or mail on the date of filing. After sixty (60) days have elapsed without such appeal, the decision of the Municipal Board shall be deemed final, and any such resulting balance or required documentation shall be submitted within fifteen (15) days from expiration of the sixty (60) day period, including any related charges of penalty and/or interest.

- d. When any taxpayer subject to the provisions of this chapter has filed a return indicating the amount of tax due and has failed to pay said tax to the Tax Administrator as required by this Chapter, the Tax Administrator need not issue an assessment but may proceed under the provisions of Sections 148.11 and 148.12 of this chapter. (See 148.12 A 2.) When any taxpayer subject to the provisions of this chapter has failed to file a return as required by this chapter, the Tax Administrator need not issue an assessment but may proceed under the provisions of section 148.12 B of this chapter.

- e. Prior to receipt of final assessment notification, a taxpayer who is dissatisfied with any ruling or decision of Tax Administrator may appeal to the Board of Tax Appeals within 30 days from the announcement of such ruling or decision. Such written notice of appeal shall be specific in nature and filed in accordance with sub-section C 1 b i of this Section 148.08.

2. Assessment provisions affecting employers:

- a. If the Tax Administrator determines that an employer subject to the provisions of this chapter, has failed to withhold tax, has failed to file a return for tax withheld and/or has failed to pay the full amount of said taxes, the Tax Administrator may issue a proposed assessment showing the amount of tax due, together with any penalties and interest that may have accrued thereon. Thereafter the provisions of Paragraphs C 1 of this Section 148.08 shall apply.
- b. When an employer subject to the provisions of this chapter has filed a return indicating the amount of tax withheld and has failed to pay said tax to the Tax Administrator as required by this chapter, the Tax Administrator may proceed under the provisions of Sections 148.11 and 148.12 of this chapter and need not issue an assessment as provided in this Section 148.08. (See Section 148.12 A 2.)

D. Payment of tax assessments shall be made as follows:

1. Any taxpayer or employer who has not filed a notice of appeal to the Board of Tax Appeals from a final assessment issued against him shall pay the amount thereof within thirty days after service of such final assessment.
2. Any taxpayer or employer who has filed a notice of appeal to the Board of Tax Appeals shall pay the amount determined to be due by the Board of Tax Appeals and/or submit the information/documentation deemed to be necessary as ruled by the Board of Tax Appeals within fifteen (15) days after service on him of the Board's decision.

E. Extensions: The Tax Administrator shall have the authority, when requested by the taxpayer and for good cause shown, to extend the time of making and filing any return. The Tax Administrator may require a tentative return, accompanied by the amount of tax set forth therein as being due, by the date the return normally is due.

1. The taxpayer shall make the request by filing a copy of the taxpayer's request for a federal filing extension with the Tax Administrator no later than the last day on which the municipal income tax return is due.
2. For taxable years beginning after 2003, the extended due date of the municipal income tax return shall be the last day of the month following the month to which the due date of the federal income tax return has

- been extended.
3. Any taxpayer that is subject to Oakwood municipal tax on the net profit from a business or profession and has received an extension to file federal income tax return shall not be required to notify the City of Oakwood of the federal extension and shall not be required to file the municipal income tax return until the last day of the month to which the due date for filing the federal return has been extended, provided that, on or before the date for filing the municipal income tax return, the person notified the Tax Administrator of the federal extension through the Ohio business gateway.
 4. The Tax Administrator may deny a taxpayer's request for extension if the taxpayer:
 - a. fails to timely file the request; or
 - b. fails to file a copy of the federal extension request, (if applicable); or
 - c. owes the municipality any delinquent income tax, penalty, interest, assessment, or other charge for the late payment or nonpayment of income tax; or
 - d. has failed to file any required income tax return, report, or other related document for a prior tax period.
 5. The granting of an extension for filing a municipal tax return does not extend the due date as provided in this section for payment of the tax; hence, penalty and interest shall apply to any unpaid tax during the period of extension at the rates and in the manner set forth in section 148.10.

F. When requested by a taxpayer, the Tax Administrator may authorize partial payments of unpaid taxes if in his judgment the taxpayer is unable, due to hardship conditions, to pay the full amount of the tax when due and such deferred payments are the best means of accomplishing the intent of this chapter. The Tax Administrator shall not authorize an extension of time for the payment of said taxes due for more than 12 months beyond the date of the filing of the request.

148.09 INVESTIGATIVE POWERS OF THE TAX ADMINISTRATOR - PENALTY FOR DIVULGING CONFIDENTIAL INFORMATION.

- A. The Tax Administrator or any authorized employee is hereby authorized to examine the books, papers, records and copies of federal income tax returns of any employer or of any taxpayer or person subject to, or whom

the Tax Administrator believes is subject to, the provisions of this chapter. The official duties of the Finance Director shall include overseeing the work of the Tax Administrator and said Finance Director shall have access to and the right to inspect all records required to perform his or her legally delegated duties of overseeing administration and enforcement of the tax laws of the city of Oakwood. The purpose of such examination shall be to verify the accuracy of any return made or, if no return was made, to ascertain the tax due under this chapter. Every such employer, supposed employer, taxpayer and supposed taxpayer is hereby directed and required to furnish within ten days following a written request by the Tax Administrator or his duly authorized agent or employee the means, facilities and opportunity for making such examinations.

B. The Tax Administrator is hereby authorized to order any person presumed to have knowledge of the facts to appear before him and to examine such person under oath concerning any income which was or should have been returned for taxation or any transaction tending to affect such income. For this purpose the Tax Administrator may compel the production of books, papers, records and copies of federal income tax returns and the attendance of all persons before him, whether as parties or witnesses, whenever he believes such persons have knowledge of such income or information pertinent to such inquiry.

C. The refusal to produce books, papers, records and copies of federal income tax returns, or the refusal to submit to such examination by any employer or person subject or presumed to be subject to the tax or by any officer, agent or employee of a person subject to the tax or required to withhold tax or the failure of any person to comply with the provisions of this chapter or with an order or subpoena of the Tax Administrator authorized hereby shall be deemed a violation of this section, punishable as provided in Section 148.12 of this chapter.

D. Any information gained as a result of any returns, investigations, hearings or verifications required or authorized by this chapter shall be confidential, except for official purposes which shall include but shall not be limited to the exchange of income tax information with other government entities, and except when ordered by a court of competent jurisdiction. Any person divulging such information in violation of this section shall, upon conviction thereof, be deemed guilty of a first degree misdemeanor. Each disclosure shall constitute a separate offense. In addition to the above penalty, any employee of the City of Oakwood who violates the provisions of this section relative to the disclosure of confidential information shall be guilty of an offense punishable by immediate dismissal.

1. Notwithstanding anything to the contrary, the Tax Administrator may release to the Finance Department statistics, for use in preparation and publication of the Comprehensive Annual Financial Report, statistics in a form that does not disclose information with respect to particular taxpayers. For purposes of this section, statistics shall mean (i) the ranking, in order of the total amount withheld (without revealing the actual amount withheld) and remitted to the city, of the top ten (10) income tax withholders by year; and (ii) aggregate income tax paid or withheld by taxpayer type.

E. Every taxpayer shall retain all records necessary to compute his tax liability for a period of five years from the date his return is filed, or the withholding taxes are paid, whichever is later.

148.10 INTEREST AND PENALTIES.

A. All taxes imposed and all sums of money withheld or required to be withheld by employers under the provisions of this chapter which remain unpaid ten days after they become due shall bear interest at the rate of one and one-half percent per month or fraction thereof.

B. In addition to interest as provided in paragraph A hereof, underpayment penalties based on the unpaid tax are hereby imposed as follows:

1. For failure to pay taxes due, on net income (of an individual, business or other taxable entity) one-half of one percent per month (or fraction thereof) or ten percent of the net taxes due, whichever is greater.
2. For failure to withhold and/or remit taxes due on employees' wages withheld from employees, three percent per month (or fraction thereof) or ten percent of the taxes to have been withheld or remitted, whichever is greater.
3. When the taxpayer has failed to file a declaration on which he has estimated and paid a tax at least equal to the tax paid for the previous year, or a tax at least equal to ninety percent of the actual tax due for the current year, or has failed to file a final return and pay the total tax on or before the end of the month following the end of his taxable year, ten percent of the difference between ninety percent of the actual tax for the year and the amount paid through withholding and/or declaration.
4. Except in the case of fraud, the underpayment penalty shall not exceed fifty percent of the unpaid tax.

C. Exceptions. An underpayment penalty shall not be assessed on an additional tax assessment made by the Tax Administrator when a return has been filed in good faith and the tax paid thereon within the time prescribed. In the absence of fraud, neither underpayment penalty nor interest shall be assessed on any additional tax assessment resulting from a federal audit, providing an amended return is filed under this chapter and the additional tax is paid within three months after final determination of the federal tax liability.

D. After receiving the recommendation of the Tax Administrator, and except in the case of fraud, the Board of Adjudication may abate underpayment penalty or interest, or both in individual cases and/or may adopt, alter or revoke a general policy regarding the abatement of underpayment penalty, interest or both, and apply that policy to taxpayers.

E. In no case shall underpayment penalty and/or interest charges be levied when the total of such underpayment penalty and/or interest amounts to less than \$1.00.

F. Any person required to withhold the tax who knowingly fails to do so or to pay over such tax or knowingly attempts in any manner to evade or defeat such tax or the payment thereof shall be liable to an underpayment penalty equal to the total amount of the tax evaded or not withheld or not paid over. No other underpayment penalty under this section shall be applied to any offense to which this underpayment penalty is applied.

G. For failure to file any complete income tax or withholding return by the due date, including due dates extended as set forth in Section 148.08(E), there shall be due a non-filing penalty in addition to all other penalties and interest, even if no tax is due. This non-filing penalty shall apply to any return filed, or required to be filed, on or after January 1, 2014. The amount of the non-filing penalty shall be twenty-five dollars (\$25.00) for any return that is filed from one (1) to thirty (30) calendar days after the due date, and shall increase to fifty dollars (\$50.00) thereafter. In cases where a return is filed but incomplete and the defect is timely cured in response to a request from the Tax Administrator, the Tax Administrator shall have discretion to waive the non-filing penalty.

H. Interest and underpayment penalty, but no non-filing penalty will be assessed where an extension has been granted by the Tax Administrator and the final tax paid within the period as extended.

148.11 COLLECTION OF UNPAID TAXES AND REFUND OF OVERPAYMENTS.

A. All taxes imposed by this chapter shall be collectible by civil suit as other debts of like amount are recoverable, together with any interest and penalties, and attorneys' reasonable fees incurred by the city with regard to that litigation; any legal services rendered leading up to litigation and any legal services rendered in connection with collection efforts whether or not litigation results. Except in the case of fraud, omission of twenty five percent of income subject to this tax, or failure to file a return, an additional assessment shall not be made after three years from the time the return was due or filed whichever is later; provided, however, that if the Commissioner of Internal Revenue and the taxpayer have executed a waiver of the federal statute of limitations, the period within which an additional assessment may be made by the Tax Administrator shall be one year from the time of the final determination of the federal tax liability.

B. Taxes erroneously paid shall not be refunded unless a claim for refund is made within three years from the date which such payment was made or the return was due, or within three months after final determination of the federal tax liability, whichever is later.

C. The tax liability of a non-resident working both inside and outside the corporate limits of the city shall be computed on the formula of the total number of days worked in the city, divided by the total number of days worked during the year,

excluding holidays, vacation and sick leave time, and the resulting percentage applied to the total related annual income from gross wages, salaries and other compensation. Where no records can be substantiated regarding the total number of days worked during the year, the figure 260 is to be used as the base number of days worked. A listing of the specific dates and work locations for days worked outside the corporate limits of the city and employer certification shall be required.

D. Where a non-resident works both inside and outside the corporate limits of the City of Oakwood, but such work does not conform to a day in or a day out pattern, such as a mail carrier route, a substitute refund computation may be used, at the discretion of the Tax Administrator, whereby the employer certifies the percentage of time the employee worked in various jurisdictions during the year.

E. Additional amounts of less than \$1.00 shall not be refunded or assessed.

148.12 CRIMINAL PENALTIES.

A. Exceptions from the criminal penalties of this section are as follows:

1. Any person subject to the provisions of this chapter who has filed an incorrect return or who has failed to pay the full amount of tax due shall not be deemed to have committed an offense punishable under the provisions of this section until any assessment issued against him under Section 148.08 above has become final and the time for payment thereof has expired.
2. Any person who has filed a return under the provisions of this chapter indicating the amount of tax due and has failed to pay said tax, together with any penalties or interest that may have accrued thereon, shall not be deemed to have committed an offense for having knowingly failed to pay the tax, penalties or interest due as provided in Paragraph B 3 below until the date of filing such return, or until such time as any assessment issued against that person under Section 148.08 above has become final and the time for payment thereof has expired, whichever occurs earlier. (See Section 148.08 C 1 c and C 2 b.)

B. Every person shall be guilty of a first degree misdemeanor for each of the following acts which such person may do:

1. Recklessly fail or knowingly refuse to make any return or declaration required by this chapter; or

In addition to the meaning prescribed in Section 148.02 of this chapter, the term "person" as used in this section shall include (in the case of an association or corporation not having any partner, member or officer within the City of Oakwood) any employee or agent of such association or corporation who can be found within the corporate limits of the City.

D. All prosecutions under this section must be commenced within three years after the commission of the offense, except that in the case of fraud, failure to file a return, or the omission of twenty five percent or more of income required to be reported, prosecutions may be commenced within six years after the commission of the offense.

E. The failure of any employer, taxpayer or person to obtain or receive any form shall not excuse him from the duty of completing and filing such form or from paying the tax.

148.13 BOARD OF ADJUDICATION AND BOARD OF TAX APPEALS.

A. Board of Adjudication.

1. A Board of Adjudication is hereby created to consist of the City Manager or a person designated by him, the Director of Finance or a person designated by him, and the City Attorney or his/her designated Assistant City Attorney. The board may select one of its

members each year to serve for a one year term as chairman and may elect a secretary in similar manner. A majority of the members of the board shall constitute a quorum.

2. The board shall adopt its own procedural rules and shall keep a record of its proceedings. All hearings of the board shall be conducted privately and the provisions of Section 148.09 above with reference to the confidential character of information required to be disclosed by this chapter shall apply to all matters presented to the Board of Adjudication.
3. After receiving the request or recommendation of the Tax Administrator as to modification of any assessment of, or collection procedure or refund regarding, any tax, penalty and/or interest, the board shall have the authority to make a decision on any such matter in individual cases and/or to adopt, alter or revoke a general policy to be followed as to all taxpayers.

B. Board of Tax Appeals. (See ADMIN 160.02 for subpoena power)

1. A Board of Tax Appeals is hereby created consisting of three representative citizens of the City of Oakwood (who are not employees of the city but who may serve on other citizen boards and commissions of the city) to be appointed by the City Council for a term of three years. One of the members of the board shall be chosen by the members as chairman of the board, and all may receive per diem compensation if such compensation is authorized by the City Council. A majority of the members of the board shall constitute a quorum.
2. The board may adopt its own procedural rules and keep a record of its proceedings. Such records are not public records available for inspection under Ohio Revised Code 149.43. All hearings by the board may be conducted privately and the provisions of Section 148.09 above with reference to the confidential character of information required to be disclosed by this chapter shall apply to all matters presented before the board. Hearings requested by a taxpayer before the Board are not meetings of a public body subject to Ohio Revised Code section 121.22 or to Oakwood Ordinance section 111.15.
3. The board shall have jurisdiction to hear appeals filed by taxpayers as provided in Section 148.08 of this chapter and to affirm, reverse or modify any assessment, ruling or decision, or any part thereof made by the Tax Administrator from which such an appeal has been filed. The board shall determine the facts and shall apply the

income tax law as set forth in this chapter but shall not have authority to vary or waive or refuse to apply any provision of the municipal income tax law of this City.

148.14 ALLOCATION OF FUNDS.

The funds collected under the provisions of this chapter shall be allocated in such manner as may be determined by the Council of the City of Oakwood.

148.15 CREDIT FOR TAX PAID TO ANOTHER MUNICIPALITY.

A. If a resident of the City of Oakwood is subject to a municipal income tax in another municipality as well as in this City, he shall not pay a total municipal income tax (on the same income) greater than the tax imposed at the highest rate to which he is subject.

B. Every individual who resides in the City of Oakwood who receives net profits, qualifying wages, commissions or other taxable income for work done or services performed or rendered outside the City of Oakwood, and who is liable and has paid to another municipality an income tax on the same income taxable and taxed under this chapter, shall be allowed a credit against the tax imposed by this chapter (on the same income to the extent such income is taxed under this chapter) of the amount so paid by him or on his behalf to such other municipality. The credit shall not exceed the Oakwood tax imposed on the income earned in the other municipality(ies) where such tax is paid.

The amount of net profit income earned in and taxed by a given municipality (as a percentage of total net profit income attributable to taxing and non-taxing jurisdictions) shall be used to determine each municipality's contribution to net Oakwood taxable income, prior to calculation of the resident city credit for taxes paid to other cities on net profit income. The rate to be used for calculation of this credit shall be the lesser of the resident city tax rate or the appropriate rate at which such income was taxed by such other municipality. The resident city credit(s) for taxes paid to another municipality(ies) on business activity net profits shall be calculated as follows:

Oakwood net profits taxable income (\$) X municipality contribution (%) X tax rate (%) = allowable credit.

C. A claim for refund or credit under this section may be made in such manner as the superintendent may by regulation provide.

148.16 SAVING CLAUSE.

The income tax of the City of Oakwood shall not apply to any person or income who or which is beyond the power of the City Council to tax under this chapter. If any sentence, clause, section or part of this chapter, or any tax against any individual or any

of the several groups specified herein is found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall affect only such clause, sentence, section or part of this chapter or tax and shall not affect or impair any of the remaining provisions, sentences, clauses, sections or other parts of this chapter or tax. It is hereby declared to be the intention of the Council of the City of Oakwood that this chapter would have been adopted had such unconstitutional, illegal or invalid sentence, clause, section or part thereof not been included herein.

148.17 COLLECTION OF TAX AFTER TERMINATION OF CHAPTER.

A. If the municipal income tax levied by this chapter is replaced, the provisions of this chapter shall continue in effect (insofar as the collection of taxes levied hereunder and proceedings to enforce any language of this chapter are concerned) until all of said taxes are fully paid and any and all suits and prosecutions for the collection of such taxes or for the punishment of violations of this chapter shall have been fully terminated.

B. If this chapter is repealed, annual returns due for all or any part of the last effective year of the municipal income tax of this City shall be due on the date provided in Sections 148.05 and 148.06 above as though this chapter were still in effect.

If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location, "principal place of work" means the worksite location in this state to which the employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location or worksite location, "principal place of work" means the location in this state at which the employee spends the greatest number of days in a calendar year performing services for or on behalf of the employee's employer.

If there is not a single municipal corporation in which the employee spent the "greatest number of days in a calendar year" performing services for or on behalf of the employer, but instead there are two or more municipal corporations in which the employee spent an identical number of days that is greater than the number of days the employee spent in any other municipal corporation, the employer shall allocate any of the employee's qualifying wages subject to division (B)(1)(a) of this section among those two or more municipal corporations. The allocation shall be made using any fair and reasonable method, including, but not limited to, an equal allocation among such municipal corporations or an allocation based upon the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this division shall be the employee's "principal place of work" with respect to those qualifying wages for the purposes of this section.

For the purposes of this division, the location at which an employee spends a particular day shall be deemed in accordance with division (B)(2) of this section, except that "location" shall be substituted for "municipal corporation" wherever "municipal corporation" appears in that division.

- (B) (1) Subject to divisions (C), (E), (F), and (G) of this section, an employer is not required to withhold municipal income tax on qualifying wages paid to an employee for the performance of personal services in a municipal corporation that imposes such a tax if the employee performed such services in the municipal corporation on twenty or fewer days in a calendar year, unless one of the following conditions applies:

 - (b) The employee performed services at one or more presumed worksite locations in the Municipality. For the purposes of this division, "presumed worksite location" means a construction site or other temporary worksite in this state at which the employer provides services that can reasonably be expected by the employer to last more than twenty days in a calendar year. Services can "reasonably be expected by the employer to last more than twenty days" if either of the following applies at the time the services commence:
 - (i) The nature of the services are such that it will require more than

twenty days of actual services to complete the services;

(ii) The agreement between the employer and its customer to perform services at a location requires the employer to perform actual services at the location for more than twenty days.

(c) The employee is a resident of the Municipality and has requested that the employer withhold tax from the employee's qualifying wages as provided in section 148-1.051 of this Chapter.

(2) For the purposes of division (B)(1) of this section, an employee shall be considered to have spent a day performing services in a municipal corporation only if the employee spent more time performing services for or on behalf of the employer in that municipal corporation than in any other municipal corporation on that day. For the purposes of determining the amount of time an employee spent in a particular location, the time spent performing one or more of the following activities shall be considered to have been spent at the employee's principal place of work:

(a) Traveling to the location at which the employee will first perform services for the employer for the day;

(b) Traveling from a location at which the employee was performing services for the employer to any other location;

(c) Traveling from any location to another location in order to pick up or load, for the purpose of transportation or delivery, property that has been purchased, sold, assembled, fabricated, repaired, refurbished, processed, remanufactured, or improved by the employee's employer;

(d) Transporting or delivering property described in division (B)(2)(c) of this section, provided that, upon delivery of the property, the employee does not temporarily or permanently affix the property to real estate owned, used, or controlled by a person other than the employee's employer;

(e) Traveling from the location at which the employee makes the employee's final delivery or pick-up for the day to either the employee's principal place of work or a location at which the employee will not perform services for the employer.

(C) If the principal place of work of an employee is located in a municipal corporation that imposes an income tax in accordance with this chapter, the exception from withholding requirements described in division (B)(1) of this section shall apply only if, with respect to the employee's qualifying wages described in that division, the employer withholds and remits tax on such qualifying wages to the municipal corporation in which the employee's principal place of work is located.

(D) (1) Except as provided in division (D)(2) of this section, if, during a calendar year, the number of days an employee spends performing personal services in a municipal corporation exceeds the twenty-day threshold described in division (B)(1) of this section, the employer shall withhold and remit tax to that municipal corporation for any subsequent days in that calendar year on which the employer pays qualifying wages to the employee for personal services performed in that municipal corporation.

(2) An employer required to begin withholding tax for a municipal corporation under division (D)(1) of this section may elect to withhold tax for that municipal corporation for the first twenty days on which the employer paid qualifying wages to the employee for personal services performed in that municipal corporation.

(3) If an employer makes the election described in division (D)(2) of this section, the taxes withheld and paid by such an employer during those first twenty days to the municipal corporation in which the employee's principal place of work is located are refundable to the employee.

(E) Without regard to the number of days in a calendar year on which an employee performs personal services in any municipal corporation, an employer shall withhold municipal income tax on all of the employee's qualifying wages for a taxable year and remit that tax only to the municipal corporation in which the employer's fixed location is located if the employer qualifies as a small employer as defined in Section 148-1.03 of this Chapter. To determine whether an employer qualifies as a small employer for a taxable year, a Tax Administrator may require the employer to provide the Tax Administrator with the employer's federal income tax return for the preceding taxable year.

(B) If a person's winnings at a casino facility are an amount for which reporting to the internal revenue service of the amount is required by section 6041 of the Internal Revenue Code, as amended, the casino operator shall deduct and withhold municipal income tax from the person's winnings at the rate of the tax imposed by the municipal corporation in which the casino facility is located.

(C) Amounts deducted and withheld by a casino operator are held in trust for the benefit of the municipal corporation to which the tax is owed.

(1) On or before the tenth day of each month, the casino operator shall file a return electronically with the Tax Administrator of the Municipality, providing the name, address, and social security number of the person from whose winnings amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the winnings from which each such amount was withheld, the type of casino gaming that resulted in such winnings, and any other information required by the Tax Administrator. With this return, the casino operator shall remit electronically to the Municipality all amounts deducted and withheld during the preceding month.

(2) Annually, on or before the thirty-first day of January, a casino operator shall file an annual return electronically with the Tax Administrator of the municipal corporation in which the casino facility is located, indicating the total amount deducted and withheld during the preceding calendar year. The casino operator shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.

(3) Annually, on or before the thirty-first day of January, a casino operator shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted from the person's winnings during the preceding year. The casino operator shall provide to the Tax Administrator a copy of each information return issued under this division. The administrator may require that such copies be transmitted electronically.

(4) A casino operator that fails to file a return and remit the amounts deducted and

withheld shall be personally liable for the amount withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(5) If a casino operator sells the casino facility or otherwise quits the casino business, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor shall withhold an amount of the purchase money that is sufficient to cover the amounts deducted and withheld along with any penalties and interest thereon until the predecessor casino operator produces either of the following:

(a) A receipt from the Tax Administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

(b) A certificate from the Tax Administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is personally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.

(6) The failure of a casino operator to deduct and withhold the required amount from a person's winnings does not relieve that person from liability for the municipal income tax with respect to those winnings.

(D) If a person's prize award from a video lottery terminal is an amount for which reporting to the internal revenue service is required by section 6041 of the Internal Revenue Code, as amended, the video lottery sales agent shall deduct and withhold municipal income tax from the person's prize award at the rate of the tax imposed by the municipal corporation in which the video lottery terminal facility is located.

(1) The video lottery sales agent shall issue to a person from whose prize award an amount has been deducted and withheld a receipt for the amount deducted and withheld, and shall obtain from the person receiving a prize award the person's name, address, and social security number in order to facilitate the preparation of returns required by this section.

(2) On or before the tenth day of each month, the video lottery sales agent shall file a return electronically with the Tax Administrator of the Municipality providing the names, addresses, and social security numbers of the persons from whose prize awards amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the prize award from which each such amount was withheld, and any other information required by the Tax Administrator. With the return, the video lottery sales agent shall remit electronically to the Tax Administrator all amounts deducted and withheld during the preceding month.

(3) A video lottery sales agent shall maintain a record of all receipts issued under division (E) of this section and shall make those records available to the Tax Administrator upon request. Such records shall be maintained in accordance with section 5747.17 of the Ohio Revised Code and any rules adopted pursuant thereto.

(4) Annually, on or before the thirty-first day of January, each video lottery terminal sales agent shall file an annual return electronically with the Tax Administrator of the municipal corporation in which the facility is located indicating the total amount deducted and withheld during the preceding calendar year. The video lottery sales agent shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.

(5) Annually, on or before the thirty-first day of January, a video lottery sales agent shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted and withheld from the

person's prize award by the video lottery sales agent during the preceding year. A video lottery sales agent shall provide to the Tax Administrator of the municipal corporation a copy of each information return issued under this division. The Tax Administrator may require that such copies be transmitted electronically.

(6) A video lottery sales agent who fails to file a return and remit the amounts deducted and withheld is personally liable for the amount deducted and withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(F) If a video lottery sales agent ceases to operate video lottery terminals, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor of the video lottery sales agent that purchases the video lottery terminals from the agent shall withhold an amount from the purchase money that is sufficient to cover the amounts deducted and withheld and any penalties and interest thereon until the predecessor video lottery sales agent operator produces either of the following:

(1) A receipt from the Tax Administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

(2) A certificate from the Tax Administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is personally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.

(G) The failure of a video lottery sales agent to deduct and withhold the required amount from a person's prize award does not relieve that person from liability for the municipal income tax with respect to that prize award.

(H) If a casino operator or lottery sales agent files a return late, fails to file a return, remits amounts deducted and withheld late, or fails to remit amounts deducted and withheld as required under this section, the Tax Administrator of a municipal corporation may impose the following applicable penalty:

(1) For the late remittance of, or failure to remit, tax deducted and withheld under this section, a penalty equal to fifty per cent of the tax deducted and withheld;

(2) For the failure to file, or the late filing of, a monthly or annual return, a penalty of five hundred dollars for each return not filed or filed late. Interest shall accrue on past due amounts deducted and withheld at the rate prescribed in section 5703.47 of the Ohio Revised Code.

(I) Amounts deducted and withheld on behalf of a municipal corporation shall be allowed as a credit against payment of the tax imposed by the municipal corporation and shall be treated as taxes paid for purposes of section 148-1.07 of this Chapter. 148-1.062 NET PROFIT; INCOME SUBJECT TO NET PROFIT TAX; ALTERNATIVE APPORTIONMENT

This section applies to any taxpayer engaged in a business or profession in the Municipality unless the taxpayer is an individual who resides in the Municipality or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under Chapter 5745 of the Ohio Revised Code.

(A) Net profit from a business or profession conducted both within and without the boundaries of the Municipality shall be considered as having a taxable situs in the Municipality for purposes of municipal income taxation in the same proportion as the average ratio of the following:

(1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the Municipality to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not-required to be withheld under section 148-1.052 of this Chapter;

(3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the Municipality to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.

(B) (1) If the apportionment factors described in division (A) of this section do not fairly represent the extent of a taxpayer's business activity in the Municipality, the taxpayer may request, or the Tax Administrator of the Municipality may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

- (a) Separate accounting;
- (b) The exclusion of one or more of the factors;
- (c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the Municipality;
- (d) A modification of one or more of the factors.

(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely

filed amended tax return. The taxpayer may use the requested alternative method unless the Tax Administrator denies the request in an assessment issued within the period prescribed by division (A) of Section 148-1.19 of this Chapter.

(3) A Tax Administrator may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of Section 148-1.19 of this Chapter.

(4) Nothing in division (B) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by a Tax Administrator or otherwise agreed upon by both the Tax Administrator and taxpayer before January 1, 2016.

(C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

- (a) The employer;
- (b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;
- (c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

(3) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If a Tax Administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Administrator's determination was unreasonable.

(D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:

(1) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. For the purposes of this division, a sale of property originates in a municipal corporation if, regardless of where title passes, the property meets any of the following criteria:

- (a) The property is shipped to or delivered within the municipal corporation from a stock of goods located within the municipal corporation.
- (b) The property is delivered within the municipal corporation from a location outside the municipal corporation, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion.
- (c) The property is shipped from a place within the municipal corporation to purchasers outside the municipal corporation, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(2) Gross receipts from the sale of services shall be situated to the municipal corporation to the extent that such services are performed in the municipal corporation.

(3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be situated to the municipal corporation.

(4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be situated to the municipal corporation.

(5) Gross receipts from rents and royalties from tangible personal property shall be

situated to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation.

(E) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides.

A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.

(F) (1) Except as provided in division (F)(2) of this section, commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to a municipal corporation based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the municipal corporation to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.

(2) An individual who is a resident of a municipal corporation that imposes a municipal income tax shall report the individual's net profit from all real estate activity on the individual's annual tax return for that municipal corporation. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such credit is allowed under Section 148-1.081 of this Chapter.

(G) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (11)(L) and (34)(A)(iv) of Section 148-1.03 of this Chapter, by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under this section.

(H) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.

(1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.

- (A)(1) of this section.
- (4) "Incumbent local exchange carrier" has the same meaning as in section 4927.01 of the Revised Code.
- (5) "Local exchange telephone service" has the same meaning as in section 5727.01 of the Revised Code.
- (B) (1) For taxable years beginning on or after January 1, 2016, a taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated municipal income tax return for a taxable year if at least one member of the affiliated group of corporations is subject to the municipal income tax in that taxable year and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year.
- (a) The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law.
- (b) The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated municipal income tax returns under division (B)(2) of this section; or
- (c) A taxpayer receives permission from the Tax Administrator. The Tax Administrator shall approve such a request for good cause shown.
- (2) An election to discontinue filing consolidated municipal income tax returns under this section must be made in the first year following the last year of a five-year consolidated municipal income tax return election period in effect under division (B)(1) of this section. The election to discontinue filing a consolidated municipal income tax return is binding for a five-year period beginning with the first taxable year of the election.
- (3) An election made under division (B)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.
- (C) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated municipal income tax return for that taxable year if the Tax Administrator determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to the municipal corporation. A taxpayer that is required to file a consolidated municipal income tax return for a taxable year shall file a consolidated municipal income tax return for all subsequent taxable years unless the taxpayer requests and receives written permission from the Tax Administrator to file a separate return or a taxpayer has experienced a change in circumstances.
- (D) A taxpayer shall prepare a consolidated municipal income tax return in the same manner as is required under the United States Department of Treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.
- (E) (1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in section 148-1.03(1) of this Chapter, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.
- (2) No corporation filing a consolidated municipal income tax return shall make any adjustment otherwise required under division (1) of 148-1.03 of this Chapter to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.
- (3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated municipal income tax return shall do one of the following with respect to that pass-through entity's net profit

or loss for that taxable year:

- (a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 148-1.062 of this Chapter, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.
 - (b) Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 148-1.062 of this Chapter, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.
- (4) If the net profit or loss of a pass-through entity having less than eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:
- (a) The corporation filing the consolidated municipal income tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in Section 148-1.062 of this Chapter, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation;
 - (b) The pass-through entity shall be subject to municipal income taxation as a separate taxpayer in accordance with this chapter on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.
- (F) Corporations filing a consolidated municipal income tax return shall make the computations required under Section 148-1.062 of this Chapter by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.
- (G) Each corporation filing a consolidated municipal income tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts imposed by a municipal corporation in accordance with this chapter on the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.
- (H) Corporations and their affiliates that made an election or entered into an agreement with a municipal corporation before January 1, 2016, to file a consolidated or combined tax return with such municipal corporation may continue to file consolidated or combined tax returns in accordance with such election or agreement for taxable years beginning on and after January 1, 2016.

148-1.07 DECLARATION OF ESTIMATED TAX

(A) As used in this section:

(1) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's tax liability for a municipal corporation's income tax for the current taxable year.

(2) "Tax liability" means the total taxes due to a municipal corporation for the taxable year, after allowing any credit to which the taxpayer is entitled, and after applying any estimated tax payment, withholding payment, or credit from another taxable year.

(B) (1) Every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the Tax Administrator, if the amount payable as estimated taxes is at least two hundred dollars. For the purposes of this section:

(a) Taxes withheld from qualifying wages shall be considered as paid to the municipal corporation for which the taxes were withheld in equal amounts on each payment date. If the taxpayer establishes the dates on which all amounts were actually withheld, the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld.

(b) An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, "date of the postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(c) A taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the Tax Administrator.

(d) Taxes withheld by a casino operator or by a lottery sales agent under section 718.031 of the Ohio Revised Code are deemed to be paid to the municipal corporation for which the taxes were withheld on the date the taxes are withheld from the taxpayer's winnings.

(2) Taxpayers filing joint returns shall file joint declarations of estimated taxes.

(3) The declaration of estimated taxes shall be filed on or before the date prescribed for the filing of municipal income tax returns under division (G) of Section 148-1.091 of

this Chapter or on or before the fifteenth day of the fourth month of the first taxable year after the taxpayer becomes subject to tax for the first time.

(4) Taxpayers reporting on a fiscal year basis shall file a declaration on or before the fifteenth day of the fourth month after the beginning of each fiscal year or period.

(5) The original declaration or any subsequent amendment may be increased or decreased on or before any subsequent quarterly payment day as provided in this section.

(C) (1) The required portion of the tax liability for the taxable year that shall be paid through estimated taxes made payable to the Municipality or Tax Administrator, including the application of tax refunds to estimated taxes and withholding on or before the applicable payment date, shall be as follows:

(a) On or before the fifteenth day of the fourth month after the beginning of the taxable year, twenty-two and one-half per cent of the tax liability for the taxable year;

(b) On or before the fifteenth day of the sixth month after the beginning of the taxable year, forty-five per cent of the tax liability for the taxable year;

(c) On or before the fifteenth day of the ninth month after the beginning of the taxable year, sixty-seven and one-half per cent of the tax liability for the taxable year;

(d) On or before the fifteenth day of the twelfth month of the taxable year, ninety per cent of the tax liability for the taxable year.

(2) A taxpayer may amend a declaration under rules prescribed by the Tax Administrator. When an amended declaration has been filed, the unpaid balance shown due on the amended declaration shall be paid in equal installments on or before the remaining payment dates. The amended declaration must be filed on the next applicable due date as outlined in (C)(1)(a) through (d) of this section.

(3) On or before the fifteenth day of the fourth month of the year following that for which the declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due shall be paid with the return in accordance with section 148-1.091 of this Chapter.

(a) For taxpayers who are individuals, or who are not individuals and are reporting and filing on a calendar year basis, the annual tax return is due on the same date as the filing of the federal tax return, unless extended pursuant to division (G) of section 5747.08 of the Revised Code.

(b) For taxpayers who are not individuals, and are reporting and filing on a fiscal year basis or any period other than a calendar year, the annual return is due on the fifteenth day of the fourth month following the end of the taxable year or period.

(4) An amended declaration is required whenever the taxpayer's estimated tax liability changes during the taxable year. A change in estimated tax liability may either increase or decrease the estimated tax liability for the taxable year.

(D) (1) In the case of any underpayment of any portion of a tax liability, penalty and interest may be imposed pursuant to section 148-1.10 of this Chapter upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows:

(a) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(b) For the second payment of estimated taxes each year, forty-five per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(c) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

- (d) For the fourth payment of estimated taxes each year, ninety per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment.
- (2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.
- (E) An underpayment of any portion of tax liability determined under division (D) of this section shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:
- (1) The amount of estimated taxes that were paid equals at least ninety per cent of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.
- (2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a return with the municipal corporation under Section 148-1.091 of this Chapter for that year.
- (3) The taxpayer is an individual who resides in the Municipality but was not domiciled there on the first day of January of the calendar year that includes the first day of the taxable year.
- (F) A Tax Administrator may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.

148-1.08 CREDIT FOR TAX PAID

148-1.081 CREDIT FOR TAX PAID TO ANOTHER MUNICIPALITY

- (A) Every individual who resides in the City of Oakwood who receives net profits, qualifying wages, commissions or other taxable income for work done or services performed or rendered outside the City of Oakwood, and who is liable and has paid to another municipality an income tax on the same income taxable and taxed under this chapter, shall be allowed a credit against the tax imposed by this chapter (on the same income to the extent such income is taxed under this chapter) based upon the amount so paid by him or on his behalf to such other municipality. The amount of the credit shall be calculated as follows:
1. The credit shall equal the amount of tax actually due and paid to such other municipality, multiplied by a reduction factor of 0.9; and
 2. The total credit shall not exceed two and one-quarter percent (2 ¼ % or .0225) of the income earned in the other municipality(ies) where such tax is paid.

The amount of income reported on federal Schedules C, E, and F, earned in and taxed by a given municipality (as a percentage of total income reported on federal Schedules C, E, and F, attributable to taxing and non-taxing jurisdictions) shall be used to determine each municipality's contribution to Oakwood net profit taxable income, prior to calculation of the resident city credit for taxes paid to other cities on net profit income. The rate to be used for calculation of this credit shall be the lesser of the resident city tax

rate or the appropriate rate at which such income was taxed by such other municipality. The resident city credit(s) for taxes paid to another municipality(ies) on net profit income shall be calculated as follows and shall be subject to the limits set forth above:

(Oakwood net profits taxable income, expressed in dollars X (Municipality contribution, expressed as a percent X (Tax rate multiplied by a reduction factor of 0.9) = Allowable credit. (Ord. 4851, 1/2/2018.)

148-1.082 REFUNDABLE CREDIT FOR QUALIFYING LOSS

(A) As used in this section:

(1) "Nonqualified deferred compensation plan" means a compensation plan described in section 3121(v)(2)(C) of the Internal Revenue Code.

(2) (a) Except as provided in division (A)(2)(b) of this section, "qualifying loss" means the excess, if any, of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan over the total amount of income the taxpayer has recognized for federal income tax purposes for all taxable years on a cumulative basis as compensation with respect to the taxpayer's receipt of money and property attributable to distributions in connection with the nonqualified deferred compensation plan.

(b) If, for one or more taxable years, the taxpayer has not paid to one or more municipal corporations income tax imposed on the entire amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan, then the "qualifying loss" is the product of the amount resulting from the calculation described in division (A)(2)(a) of this section computed without regard to division (A)(2)(b) of this section and a fraction the numerator of which is the portion of such compensation on which the taxpayer has paid income tax to one or more municipal corporations and the denominator of which is the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan.

(c) With respect to a nonqualified deferred compensation plan, the taxpayer sustains a qualifying loss only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to that nonqualified deferred compensation plan.

(3) "Qualifying tax rate" means the applicable tax rate for the taxable year for the which the taxpayer paid income tax to a municipal corporation with respect to any portion of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan. If different tax rates applied for different taxable years, then the "qualifying tax rate" is a weighted average of those different tax rates. The weighted average shall be based upon the tax paid to the municipal corporation each year with respect to the nonqualified deferred compensation plan.

(B) (1) Except as provided in division (D) of this section, a refundable credit shall be allowed against the income tax imposed by a municipal corporation for each qualifying loss sustained by a taxpayer during the taxable year. The amount of the credit shall be equal to the product of the qualifying loss and the qualifying tax rate.

(2) A taxpayer shall claim the credit allowed under this section from each municipal corporation to which the taxpayer paid municipal income tax with respect to the nonqualified deferred compensation plan in one or more taxable years.

(3) If a taxpayer has paid tax to more than one municipal corporation with respect to the nonqualified deferred compensation plan, the amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on the basis of each municipal corporation's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan.

- (4) In no case shall the amount of the credit allowed under this section exceed the cumulative income tax that a taxpayer has paid to a municipal corporation for all taxable years with respect to the nonqualified deferred compensation plan.
- (C) (1) For purposes of this section, municipal corporation income tax that has been withheld with respect to a nonqualified deferred compensation plan shall be considered to have been paid by the taxpayer with respect to the nonqualified deferred compensation plan.
- (2) Any municipal income tax that has been refunded or otherwise credited for the benefit of the taxpayer with respect to a nonqualified deferred compensation plan shall not be considered to have been paid to the municipal corporation by the taxpayer.
- (D) The credit allowed under this section is allowed only to the extent the taxpayer's qualifying loss is attributable to:
- (1) The insolvency or bankruptcy of the employer who had established the nonqualified deferred compensation plan; or
- (2) The employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified deferred compensation.

148-1.084 CREDIT FOR TAX BEYOND STATUTE FOR OBTAINING REFUND

(A) Income tax that has been deposited or paid to the Municipality, but should have been deposited or paid to another municipal corporation, is allowable by the Municipality as a refund, but is subject to the three-year limitation on refunds as provided in Section 148-1.096 of this Chapter.

(B) Income tax that should have been deposited or paid to the Municipality, but was deposited or paid to another municipal corporation, shall be subject to collection and recovery by the Municipality. To the extent a refund of such tax or withholding is barred by the limitation on refunds as provided in section 148-1.096, the Municipality will allow a non-refundable credit equal to the tax or withholding paid to the other municipality against the income tax the Municipality claims is due. If the Municipality's tax rate is higher, the tax representing the net difference of the tax rates is also subject to collection by the Municipality, along with any penalty and interest accruing during the period of nonpayment.

(C) No carryforward of credit will be permitted when the overpayment is beyond the three-year limitation for refunding of same as provided in Section 148-1.096 of this Chapter.

(D) Nothing in this section requires a Municipality to allow credit for tax paid to another municipal corporation if the Municipality has reduced credit for tax paid to another municipal corporation. Section 148-1.081 of this Chapter regarding any limitation on credit shall prevail.

148-1.09 ANNUAL RETURN

148-1.091 RETURN AND PAYMENT OF TAX

- (A) (1) An annual return with respect to the income tax levied on Municipal Taxable Income by the Municipality shall be completed and filed by every taxpayer for any taxable year for which the taxpayer is subject to the tax, regardless of whether or not income tax is due.
- (2) The Tax Administrator shall accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer located in the Municipality under subsection 148-1.051(C) of this Chapter when the nonresident individual taxpayer's sole income subject to the tax is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due to the Municipality.
- (3) All resident individual taxpayers, 18 years of age and older, shall file an annual municipal income tax return with the Municipality, regardless of income or liability, provided however that no return shall be required from residents who meet all of the following requirements:
- (a) The resident is retired;
 - (b) The resident has no income subject to this tax and has so notified the Tax Administrator in writing; and
 - (c) The resident has filed a final tax return with the Municipality.
- (B) If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.
- (C) If an individual is unable to complete and file a return or notice required by the Municipality in accordance with this chapter, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual. Such duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the duly authorized agent, guardian, conservator, fiduciary, or other person.
- (D) Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust. Such fiduciary shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the fiduciary.
- (E) No municipal corporation shall deny spouses the ability to file a joint return.
- (F) (1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.
- (2) A taxpayer who is an individual is required to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's

Internal Revenue Service form 1040; and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the Tax Administrator unless the Tax Administrator requests such copies after the return has been filed.

(3) A taxpayer that is not an individual is required to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

(4) A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the Tax Administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway or a portal provided by Municipality. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio business gateway on or before January 1, 2016. The department shall transmit all documents submitted electronically under this division to the appropriate Tax Administrator.

(5) After a taxpayer files a tax return, the Tax Administrator shall request, and the taxpayer shall provide, any information, statements, or documents required by the Municipality to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (F) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Administrator.

(6) Any other documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses, or other pertinent factors on the return shall also be included to avoid delay in processing, or disallowance by the Tax Administrator of undocumented credits or losses.

(G) (1) (a) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the Tax Administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of section 5747.08 of the Ohio Revised Code. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the Municipality or Tax Administrator.

(b) Except as otherwise provided in this chapter, each annual net profit income tax return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the tax administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year or period. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the Municipality or Tax Administrator.

(c) In the case of individual income tax return required to be filed by an individual, and net profit income tax return required to be filed by a taxpayer who is not an individual, no remittance is required if the amount shown to be due is ten dollars or less.

(2) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by the Municipality in accordance with this chapter, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.

(3) With respect to taxpayers to whom Section 148-1.092 of this Chapter applies, to the extent that any provision in this division conflicts with any provision in Section 148-

- 1.092 of this Chapter, the provision in Section 148-1.092 of this Chapter prevails.
- (H) (1) For taxable years beginning after 2015, the Municipality shall not require a taxpayer to remit tax with respect to net profits if the amount due is ten dollars or less.
- (2) Any taxpayer not required to remit tax to the Municipality for a taxable year pursuant to division (H)(1) of this section shall file with the Municipality an annual net profit return under division (F)(3) and (4) of this section.
- (I) This division shall not apply to payments required to be made under division (B)(1)(b) of Section 148-1.051 of this Chapter.
- (1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that to the Tax Administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.
- (2) If a payment is required to be made by electronic funds transfer, the payment is considered to be made when the payment is credited to an account designated by the Tax Administrator for the receipt of tax payments, except that, when a payment made by electronic funds transfer is delayed due to circumstances not under the control of the taxpayer, the payment is considered to be made when the taxpayer submitted the payment. For purposes of this section, "submitted the payment" means the date which the taxpayer has designated for the delivery of payment, which may or may not be the same date as the date the payment was initiated by the taxpayer.
- (J) The amounts withheld for the Municipality by an employer, the agent of an employer, or other payer as described in section 148-1.051 of this Chapter shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient unless the amounts withheld were not remitted to the Municipality and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.
- (K) Each return required by the Municipality to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the Tax Administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the Tax Administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the Tax Administrator with information that is missing from the return, to contact the Tax Administrator for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the Tax Administrator and has shown to the preparer or other person. Authorization by the taxpayer of another person to communicate with the Tax Administrator about matters pertaining to the return does not preclude the Tax Administrator from contacting the taxpayer regarding such matters.
- (L) The Tax Administrator of the Municipality shall accept for filing a generic form of any income tax return, report, or document required by the Municipality in accordance with this Chapter, provided that the generic form, once completed and filed, contains all of the information required by ordinances, resolutions, or rules adopted by the Municipality or Tax Administrator, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this Chapter and of the Municipality's Ordinance or resolution governing the filing of returns, reports, or documents.
- (M) When income tax returns, reports, or other documents require the signature of a tax return preparer, the Tax Administrator shall accept a facsimile of such a signature in lieu of a manual signature.
- (N) (1) As used in this division, "worksite location" has the same meaning as in section

148-1.052 of this chapter.

(2) A person may notify a tax administrator that the person does not expect to be a taxpayer with respect to the municipal corporation for a taxable year if both of the following conditions apply:

(a) The person was required to file a tax return with the municipal corporation for the immediately preceding taxable year because the person performed services at a worksite location within the municipal corporation, and the person has filed all appropriate and required returns and remitted all applicable income tax and withholding payments as provided by this chapter. The tax administrator is not required to accept an affidavit from a taxpayer who has not complied with the provisions of this chapter.

(b) The person no longer provides services in the municipal corporation, and does not expect to be subject to the municipal corporation's income tax for the taxable year.

The person shall provide the notice in a signed affidavit that briefly explains the person's circumstances, including the location of the previous worksite location and the last date on which the person performed services or made any sales within the municipal corporation. The affidavit also shall include the following statement: "The affiant has no plans to perform any services within the municipal corporation, make any sales in the municipal corporation, or otherwise become subject to the tax levied by the municipal corporation during the taxable year. If the affiant does become subject to the tax levied by the municipal corporation for the taxable year, the affiant agrees to be considered a taxpayer and to properly register as a taxpayer with the municipal corporation, if such a registration is required by the municipal corporation's resolutions, ordinances, or rules." The person shall sign the affidavit under penalty of perjury.

(c) If a person submits an affidavit described in division (N)(2) of this section, the tax administrator shall not require the person to file any tax return for the taxable year unless the tax administrator possesses information that conflicts with the affidavit or if the circumstances described in the affidavit change, or the taxpayer has engaged in activity which results in work being performed, services provided, sales made, or other activity that results in municipal taxable income reportable to the Municipality in the taxable year. It shall be the responsibility of the taxpayer to comply with the provisions of this chapter relating to the reporting and filing of municipal taxable income on an annual municipal income tax return, even if an affidavit has been filed with the tax administrator for the taxable year. Nothing in division (N) of this section prohibits the tax administrator from performing an audit of the person.

148-1.092 RETURN AND PAYMENT OF TAX; INDIVIDUALS SERVING IN COMBAT ZONE

(A) Each member of the national guard of any state and each member of a reserve component of the armed forces of the United States called to active duty pursuant to an executive order issued by the President of the United States or an act of the Congress of the United States, and each civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces, may apply to the Tax Administrator of the Municipality for both an extension of time for filing of the return and an extension of time for payment of taxes required by the Municipality in accordance with this chapter during the period of the member's or civilian's duty service and for one hundred eighty days thereafter. The application shall be filed on or before the one hundred eightieth day after the member's or civilian's duty

terminates. An applicant shall provide such evidence as the Tax Administrator considers necessary to demonstrate eligibility for the extension.

(B) (1) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the Tax Administrator shall enter into a contract with the applicant for the payment of the tax in installments that begin on the one hundred eighty-first day after the applicant's active duty or service terminates. Except as provided in division (B)(3) of this section, the Tax Administrator may prescribe such contract terms as the Tax Administrator considers appropriate.

(2) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the applicant shall neither be required to file any return, report, or other tax document nor be required to pay any tax otherwise due to the Municipality before the one hundred eighty-first day after the applicant's active duty or service terminates.

(3) Taxes paid pursuant to a contract entered into under division (B)(1) of this section are not delinquent. The Tax Administrator shall not require any payments of penalties or interest in connection with those taxes for the extension period.

(C) (1) Nothing in this division denies to any person described in this division the application of divisions (A) and (B) of this section.

(2) (a) A qualifying taxpayer who is eligible for an extension under the Internal Revenue Code shall receive both an extension of time in which to file any return, report, or other tax document and an extension of time in which to make any payment of taxes required by the Municipality in accordance with this chapter. The length of any extension granted under division (C)(2)(a) of this section shall be equal to the length of the corresponding extension that the taxpayer receives under the Internal Revenue Code. As used in this section, "qualifying taxpayer" means a member of the national guard or a member of a reserve component of the armed forces of the United States called to active duty pursuant to either an executive order issued by the President of the United States or an act of the Congress of the United States, or a civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces.

(b) Taxes the payment of which is extended in accordance with division (C)(2)(a) of this section are not delinquent during the extension period. Such taxes become delinquent on the first day after the expiration of the extension period if the taxes are not paid prior to that date. The Tax Administrator shall not require any payment of penalties or interest in connection with those taxes for the extension period. The Tax Administrator shall not include any period of extension granted under division (C)(2)(a) of this section in calculating the penalty or interest due on any unpaid tax.

(D) For each taxable year to which division (A), (B), or (C) of this section applies to a taxpayer, the provisions of divisions (B)(2) and (3) or (C) of this section, as applicable, apply to the spouse of that taxpayer if the filing status of the spouse and the taxpayer is married filing jointly for that year.

148-1.093 USE OF OHIO BUSINESS GATEWAY; TYPES OF FILINGS AUTHORIZED

(A) Any taxpayer subject to municipal income taxation with respect to the taxpayer's net profit from a business or profession may file any municipal income tax return or, estimated municipal income tax return, or extension for filing a municipal income tax return, and may make payment of amounts shown to be due on such returns, by using the Ohio Business Gateway.

(B) Any employer, agent of an employer, or other payer may report the amount of municipal income tax withheld from qualifying wages, and may make remittance of such amounts, by

using the Ohio Business Gateway.

(C) Nothing in this section affects the due dates for filing employer withholding tax returns or deposit of any required tax.

(D) The use of the Ohio Business Gateway by municipal corporations, taxpayers, or other persons does not affect the legal rights of municipalities or taxpayers as otherwise permitted by law. The State of Ohio shall not be a party to the administration of municipal income taxes or to an appeal of a municipal income tax matter, except as otherwise specifically provided by law.

(E) Nothing in this section shall be construed as limiting or removing the authority of any municipal corporation to administer, audit, and enforce the provisions of its municipal income tax.

(Source: ORC 718.051)

148-1.094 EXTENSION OF TIME TO FILE

(A) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.

(B) Any taxpayer that qualifies for an automatic federal extension for a period other than six-months for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as that of the extended federal income tax return.

(C) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the tax administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the request is received by the tax administrator on or before the date the municipal income tax return is due, the tax administrator shall grant the taxpayer's requested extension.

(D) An extension of time to file under this chapter is not an extension of the time to pay any tax due unless the Tax Administrator grants an extension of that date.

(E) If the State Tax Commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of section 5747.08 of the Ohio Revised Code, a taxpayer shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as the extended due date of the state income tax return.

148-1.095 AMENDED RETURNS

(A) (1) A taxpayer shall file an amended return with the Tax Administrator in such form as the Tax Administrator requires if any of the facts, figures, computations, or attachments required in the taxpayer's annual return to determine the tax due levied by the Municipality in accordance with this chapter must be altered.

(2) Within sixty days after the final determination of any federal or state tax liability affecting the taxpayer's municipal tax liability, that taxpayer shall make and file an amended municipal return showing income subject to the municipal income tax based upon such final determination of federal or state tax liability, and pay any additional municipal income tax shown due thereon or make a claim for refund of any overpayment, unless the tax or overpayment is ten dollars or less.

(3) If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify

- the Tax Administrator before filing the amended return.
- (B) (1) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due together with any penalty and interest thereon. If the combined tax shown to be due is ten dollars or less, such amount need not accompany the amended return. Except as provided under division (B)(2) of this section, the amended return shall not reopen those facts, figures, computations, or attachments from a previously filed return that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless the applicable statute of limitations for civil actions or prosecutions under section 148-1.19 of this Chapter has not expired for a previously filed return.
- (2) The additional tax to be paid shall not exceed the amount of tax that would be due if all facts, figures, computations, and attachments were reopened.
- (C) (1) In the case of an overpayment, a request for refund may be filed under this division within the period prescribed by division (A)(2) of this section for filing the amended return even if it is filed beyond the period prescribed in that division if it otherwise conforms to the requirements of that division. If the amount of the refund is ten dollars or less, no refund need be paid by the Municipality to the taxpayer. Except as set forth in division (C)(2) of this section, a request filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless it is also filed within the time prescribed in section 148-1.096 of this Chapter. Except as set forth in division (C)(2) of this section, the request shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return.
- (2) The amount to be refunded shall not exceed the amount of refund that would be due if all facts, figures, computations, and attachments were reopened.

148-1.096 REFUNDS

- (A) Upon receipt of a request for a refund, the Tax Administrator of the Municipality, in accordance with this section, shall refund to employers, agents of employers, other payers, or taxpayers, with respect to any income or withholding tax levied by the Municipality:
- (1) Overpayments of more than ten dollars;
- (2) Amounts paid erroneously if the refund requested exceeds ten dollars.
- (B) (1) Except as otherwise provided in this chapter, returns setting forth a request for refund shall be filed with the Tax Administrator, within three years after the tax was due or paid, whichever is later. Any documentation that substantiates the taxpayer's claim for a refund must be included with the return filing. Failure to remit all documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses or other pertinent factors on the return will cause delay in processing, and / or disallowance of undocumented credits or losses.
- (2) On filing of the refund request, the Tax Administrator shall determine the amount of refund due and certify such amount to the appropriate municipal corporation official for payment. Except as provided in division (B)(3) of this section, the administrator shall issue an assessment to any taxpayer whose request for refund is fully or partially denied. The assessment shall state the amount of the refund that was denied, the reasons for the denial, and instructions for appealing the assessment.
- (3) If a Tax Administrator denies in whole or in part a refund request included within the taxpayer's originally filed annual income tax return, the Tax Administrator shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the

denial, and instructions for requesting an assessment that may be appealed under Section 148-1.18 of this Chapter.

(C) A request for a refund that is received after the last day for filing specified in division (B) of this section shall be considered to have been filed in a timely manner if any of the following situations exist:

(1) The request is delivered by the postal service, and the earliest postal service postmark on the cover in which the request is enclosed is not later than the last day for filing the request.

(2) The request is delivered by the postal service, the only postmark on the cover in which the request is enclosed was affixed by a private postal meter, the date of that postmark is not later than the last day for filing the request, and the request is received within seven days of such last day.

(3) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.

(D) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in division (A)(4) of Section 148-1.10 of this Chapter.

(E) As used in this section, "withholding tax" has the same meaning as in section 148-1.10 of this Chapter.

(a) Any return required to be filed under applicable law for taxable years beginning on or after January 1, 2016;

(b) Income tax, estimated income tax, and withholding tax required to be paid or remitted to the Municipality on or after January 1, 2016 for taxable years beginning on or after January 1, 2016

(2) This section does not apply to returns required to be filed or payments required to be made before January 1, 2016, regardless of the filing or payment date. Returns required to be filed or payments required to be made before January 1, 2016, but filed or paid after that date shall be subject to the ordinances or rules, as adopted from time to time before January 1, 2016 of this Municipality.

(C) The Municipality shall impose on a taxpayer, employer, any agent of the employer, and any other payer, and will attempt to collect, the interest amounts and penalties prescribed in this section when the taxpayer, employer, any agent of the employer, or any other payer for any reason fails, in whole or in part, to make to the Municipality timely and full payment or remittance of income tax, estimated income tax, or withholding tax or to file timely with the Municipality any return required to be filed.

(1) Interest shall be imposed at the rate defined as "interest rate as described in division (A) of this section", per annum, on all unpaid income tax, unpaid estimated income tax, and unpaid withholding tax. This imposition of interest shall be assessed per month, or fraction of a month.

(F). The Tax Administrator may, in the Tax Administrator's sole discretion, abate or partially abate penalties or interest imposed under this section when the Tax Administrator deems such abatement or partial abatement to be appropriate. Such abatement or partial abatement shall be properly documented and maintained on the record of the taxpayer who received benefit of such abatement or partial abatement.

(G). The Municipality shall impose on the taxpayer, employer, any agent of the employer, or any other payer the Municipality's post-judgment collection costs and fees, including attorney's fees.

148-1.11 AUDIT

(A) At or before the commencement of an audit, as defined in Section 148-1.03(3) of this Chapter, the Tax Administrator shall provide to the taxpayer a written description of the roles of the Tax Administrator and of the taxpayer during an audit and a statement of the taxpayer's rights, including any right to obtain a refund of an overpayment of tax. At or before the commencement of an audit, the Tax Administrator shall inform the taxpayer when the audit is considered to have commenced.

(B) Except in cases involving suspected criminal activity, the Tax Administrator shall conduct an audit of a taxpayer during regular business hours and after providing reasonable notice to the taxpayer. A taxpayer who is unable to comply with a proposed time for an audit on the grounds that the proposed time would cause inconvenience or hardship must offer reasonable alternative dates for the audit.

(C) At all stages of an audit by the Tax Administrator, a taxpayer is entitled to be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner. The Tax Administrator shall prescribe a form by which a taxpayer may designate such a person to assist or represent the taxpayer in the conduct of any proceedings resulting from actions by the Tax Administrator. If a taxpayer has not submitted such a form, the Tax Administrator may accept other evidence, as the Tax Administrator considers appropriate, that a person is the authorized representative of a taxpayer.

A taxpayer may refuse to answer any questions asked by the person conducting an audit until the taxpayer has an opportunity to consult with the taxpayer's attorney, accountant, bookkeeper, or other tax practitioner. This division does not authorize the practice of law by a person who is not an attorney.

(D) A taxpayer may record, electronically or otherwise, the audit examination.

(E) The failure of the Tax Administrator to comply with a provision of this section shall neither excuse a taxpayer from payment of any taxes owed by the taxpayer nor cure any procedural defect in a taxpayer's case.

(F) If the Tax Administrator fails to substantially comply with the provisions of this section, the Tax Administrator, upon application by the taxpayer, shall excuse the taxpayer from penalties and interest arising from the audit.

- (A) As used in this section, "claim" means a claim for an amount payable to the Municipality that arises pursuant to the municipal income tax imposed in accordance with this chapter.
- (B) The Tax Administrator may do either of the following if such action is in the best interests of the Municipality:
 - (1) Compromise a claim;

- (2) Extend for a reasonable period the time for payment of a claim by agreeing to accept monthly or other periodic payments, upon such terms and conditions as the Tax Administrator may require.
- (C) The Tax Administrator's rejection of a compromise or payment-over-time agreement proposed by a person with respect to a claim shall not be appealable.
- (D) A compromise or payment-over-time agreement with respect to a claim shall be binding upon and shall inure to the benefit of only the parties to the compromise or agreement, and shall not extinguish or otherwise affect the liability of any other person.
- (E) (1) A compromise or payment-over-time agreement with respect to a claim shall be void if the taxpayer defaults under the compromise or agreement or if the compromise or agreement was obtained by fraud or by misrepresentation of a material fact. Any amount that was due before the compromise or agreement and that is unpaid shall remain due, and any penalties or interest that would have accrued in the absence of the compromise or agreement shall continue to accrue and be due.
- (2) The Tax Administrator shall have sole discretion to determine whether or not penalty, interest, charges or applicable fees will be assessed through the duration of any compromise or payment-over-time agreement.
- (F) The Tax Administrator may require that the taxpayer provide detailed financial documentation and information, in order to determine whether or not a payment-over-time agreement will be authorized. 148-1.133 AUTHORITY OF TAX ADMINISTRATOR; RIGHT TO EXAMINE

- (A) The Tax Administrator, or any authorized agent or employee thereof may examine the books, papers, records, and federal and state income tax returns of any employer, taxpayer, or other person that is subject to, or that the Tax Administrator believes is subject to, the provisions of this Chapter for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due under this Chapter. Upon written request by the Tax Administrator or a duly authorized agent or employee thereof, every employer, taxpayer, or other person subject to this section is required to furnish the opportunity for the Tax Administrator, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.
- (B) The records and other documents of any taxpayer, employer, or other person that is subject to, or that a Tax Administrator believes is subject to, the provisions of this Chapter shall be open to the Tax Administrator's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the Tax Administrator, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The Tax Administrator of a municipal corporation may require any person, by notice served on that person, to keep such records as the Tax Administrator determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by the Municipality or for the withholding of such tax.
- (C) The Tax Administrator may examine under oath any person that the Tax Administrator reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The Tax Administrator may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal and state income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant,

bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the Tax Administrator compelling attendance at a hearing or examination or the production of books, papers, records, or federal and state income tax returns under this section shall fail to comply.

148-1.134 AUTHORITY OF TAX ADMINISTRATOR; REQUIRING IDENTIFYING INFORMATION

(A) The Tax Administrator may require any person filing a tax document with the Tax Administrator to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the Tax Administrator. A person required by the Tax Administrator to provide identifying information that has experienced any change with respect to that information shall notify the Tax Administrator of the change before, or upon, filing the next tax document requiring the identifying information.

(B) (1) If the Tax Administrator makes a request for identifying information and the Tax Administrator does not receive valid identifying information within thirty days of making the request, nothing in this chapter prohibits the Tax Administrator from imposing a penalty upon the person to whom the request was directed pursuant to section 148-1.10 of this Chapter, in addition to any applicable penalty described in section 148-1.99 of this Chapter.

(2) If a person required by the Tax Administrator to provide identifying information does not notify the Tax Administrator of a change with respect to that information as required under division (A) of this section within thirty days after filing the next tax document requiring such identifying information, nothing in this chapter prohibits the Tax Administrator from imposing a penalty pursuant to section 148-1.10 of this Chapter.

(3) The penalties provided for under divisions (B)(1) and (2) of this section may be billed and imposed in the same manner as the tax or fee with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in section 148-1.99 of this Chapter for a violation of 148-1.15 of this Chapter, and any other penalties that may be imposed by the Tax Administrator by law.

148-1.14 CONFIDENTIALITY

(A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by ORC 718 or by the charter or ordinance of the Municipality is confidential, and no person shall access or disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the Municipality as authorized by ORC 718 or the charter or ordinance authorizing the levy. The Tax Administrator of the Municipality or a designee thereof may furnish copies of returns filed or otherwise received under this chapter and other related tax information to the Internal Revenue Service, the State Tax Commissioner, and Tax Administrators of other municipal corporations.

148-1.15 FRAUD

No person shall knowingly make, present, aid, or assist in the preparation or presentation of a false or fraudulent report, return, schedule, statement, claim, or document authorized or required by municipal corporation ordinance or state law to be filed with the Tax Administrator, or knowingly procure, counsel, or advise the preparation or presentation of such report, return, schedule, statement, claim, or document, or knowingly change, alter, or amend, or knowingly procure, counsel or advise such change, alteration, or amendment of the records upon which such report, return, schedule, statement, claim, or document is based with intent to defraud the Municipality or the Tax Administrator.

148-1.16 OPINION OF THE TAX ADMINISTRATOR

(A) An "opinion of the Tax Administrator" means an opinion issued under this section with respect to prospective municipal income tax liability. It does not include ordinary correspondence of the Tax Administrator.

(B) A taxpayer may submit a written request for an opinion of the Tax Administrator as to whether or how certain income, source of income, or a certain activity or transaction will be taxed. The written response of the Tax Administrator shall be an "opinion of the Tax Administrator" and shall bind the Tax Administrator, in accordance with divisions (C), (G), and (H) of this section, provided all of the following conditions are satisfied:

(1) The taxpayer's request fully and accurately describes the specific facts or circumstances relevant to a determination of the taxability of the income, source of income, activity, or transaction, and, if an activity or transaction, all parties involved in the activity or transaction are clearly identified by name, location, or other pertinent facts.

(2) The request relates to a tax imposed by the Municipality in accordance with this Chapter.

(3) The Tax Administrator's response is signed by the Tax Administrator and designated as an "opinion of the Tax Administrator."

(C) An opinion of the Tax Administrator shall remain in effect and shall protect the taxpayer for whom the opinion was prepared and who reasonably relies on it from liability for any taxes, penalty, or interest otherwise chargeable on the activity or transaction specifically held by the Tax Administrator's opinion to be taxable in a particular manner or not to be subject to taxation for any taxable years that may be specified in the opinion, or until the earliest of the following dates:

(1) The effective date of a written revocation by the Tax Administrator sent to the taxpayer by certified mail, return receipt requested. The effective date of the revocation shall be the taxpayer's date of receipt or one year after the issuance of the opinion, whichever is later;

(2) The effective date of any amendment or enactment of a relevant section of the Ohio Revised Code, uncodified state law, or the Municipality's income tax ordinance that would substantially change the analysis and conclusion of the opinion of the Tax Administrator;

(3) The date on which a court issues an opinion establishing or changing relevant case law with respect to the Ohio Revised Code, uncodified state law, or the Municipality's income tax ordinance;

(4) If the opinion of the Tax Administrator was based on the interpretation of federal

- law, the effective date of any change in the relevant federal statutes or regulations, or the date on which a court issues an opinion establishing or changing relevant case law with respect to federal statutes or regulations;
- (5) The effective date of any change in the taxpayer's material facts or circumstances;
- (6) The effective date of the expiration of the opinion, if specified in the opinion.
- (D) (1) A taxpayer is not relieved of tax liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts.
- (2) If the taxpayer knowingly has misrepresented the pertinent facts or omitted material facts with intent to defraud the Municipality in order to obtain a more favorable opinion, the taxpayer may be in violation of section 148-1.15 of this Chapter.
- (E) If a Tax Administrator provides written advice under this section, the opinion shall include a statement that:
- (1) The tax consequences stated in the opinion may be subject to change for any of the reasons stated in division (C) of this section;
- (2) It is the duty of the taxpayer to be aware of such changes.
- (F) A Tax Administrator may refuse to offer an opinion on any request received under this section.
- (G) This section binds a Tax Administrator only with respect to opinions of the Tax Administrator issued on or after January 1, 2016.
- (H) An opinion of a Tax Administrator binds that Tax Administrator only with respect to the taxpayer for whom the opinion was prepared and does not bind the Tax Administrator of any other municipal corporation.
- (I) A Tax Administrator shall make available the text of all opinions issued under this section, except those opinions prepared for a taxpayer who has requested that the text of the opinion remain confidential. In no event shall the text of an opinion be made available until the Tax Administrator has removed all information that identifies the taxpayer and any other parties involved in the activity or transaction.
- (J) An opinion of the Tax Administrator issued under this section or a refusal to offer an opinion under subsection (F) may not be appealed.

148-1.17 ASSESSMENT; APPEAL BASED ON PRESUMPTION OF DELIVERY

- (A) (1) The Tax Administrator shall serve an assessment either by personal service, by certified mail, or by a delivery service authorized under section 5703.056 of the Ohio Revised Code.
- (2) The Tax Administrator may deliver the assessment through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail. Such alternative delivery method must be authorized by the person subject to the assessment.
- (3) Once service of the assessment has been made by the Tax Administrator or other municipal official, or the designee of either, the person to whom the assessment is directed may protest the ruling of that assessment by filing an appeal with the Local Board of Tax Review within sixty days after the receipt of service. The delivery of an assessment of the Tax Administrator as prescribed in Section 718.18 of the Revised Code is prima facie evidence that delivery is complete and that the assessment is served.

- (B) (1) A person may challenge the presumption of delivery and service as set forth in this division. A person disputing the presumption of delivery and service under this section bears the burden of proving by a preponderance of the evidence that the address to which the assessment was sent was not an address with which the person was associated at the time the Tax Administrator originally mailed the assessment by certified mail. For the purposes of this section, a person is associated with an address at the time the Tax Administrator originally mailed the assessment if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the assessment was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the assessment was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.
- (2) If a person elects to appeal an assessment on the basis described in division (B)(1) of this section, and if that assessment is subject to collection and is not otherwise appealable, the person must do so within sixty days after the initial contact by the Tax Administrator or other municipal official, or the designee of either, with the person. Nothing in this division prevents the Tax Administrator or other official from entering into a compromise with the person if the person does not actually file such an appeal with the Local Board of Tax Review.

148-1.18 LOCAL BOARD OF TAX REVIEW; APPEAL TO LOCAL BOARD OF TAX REVIEW

- (A) (1) The legislative authority of the Municipality shall maintain a Local Board of Tax Review to hear appeals as provided in Ohio Revised Code Chapter 718.
- (2) The Local Board of Tax Review shall consist of three members. The three members of the Local Board of Tax Review may be domiciled in the Municipality, but the appointing authority may consider membership from individuals who are not domiciled within the Municipality. Two members shall be appointed by the legislative authority of the Municipality, and may not be employees, elected officials, or contractors with the Municipality at any time during their term or in the five years immediately preceding the date of appointment. One member shall be appointed by the top administrative official of the Municipality. This member may be an employee of the Municipality, but may not be the director of finance or equivalent officer, or the Tax Administrator or other similar official or an employee directly involved in municipal tax matters, or any direct subordinate thereof.
- (3) The term for members of the Local Board of Tax Review appointed by the legislative authority of the Municipality shall be two years. There is no limit on the number of terms that a member may serve should the member be reappointed by the legislative authority. The board member appointed by the top administrative official of the Municipality shall serve at the discretion of the administrative official.
- (4) Members of the board of tax review appointed by the legislative authority may be removed by the legislative authority as set forth in Section 718.11(A)(4) of the Revised Code.
- (5) A member of the board who, for any reason, ceases to meet the qualifications for the position prescribed by this section shall resign immediately by operation of law.
- (6) A vacancy in an unexpired term shall be filled in the same manner as the original appointment within sixty days of when the vacancy was created. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy

on the board shall impair the power and authority of the remaining members to exercise all the powers of the board.

(7) If a member is temporarily unable to serve on the board due to a conflict of interest, illness, absence, or similar reason, the legislative authority or top administrative official that appointed the member shall appoint another individual to temporarily serve on the board in the member's place. This appointment shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.

(8) INTENTIONALLY LEFT BLANK.

(9) INTENTIONALLY LEFT BLANK.

(B) Whenever a Tax Administrator issues an assessment, the Tax Administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the assessment, the manner in which the taxpayer may appeal the assessment, and the address to which the appeal should be directed, and to whom the appeal should be directed.

(C) Any person who has been issued an assessment may appeal the assessment to the board by filing a request with the board. The request shall be in writing, shall specify the reason or reasons why the assessment should be deemed incorrect or unlawful, and shall be filed within sixty days after the taxpayer receives the assessment.

(D) The Local Board of Tax Review shall schedule a hearing to be held within sixty days after receiving an appeal of an assessment under division (C) of this section, unless the taxpayer requests additional time to prepare or waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the board and/or may be represented by an attorney at law, certified public accountant, or other representative. The board may allow a hearing to be continued as jointly agreed to by the parties. In such a case, the hearing must be completed within one hundred twenty days after the first day of the hearing unless the parties agree otherwise.

(E) The board may affirm, reverse, or modify the Tax Administrator's assessment or any part of that assessment. The board shall issue a final determination on the appeal within ninety days after the board's final hearing on the appeal, and send a copy of its final determination by ordinary mail to all of the parties to the appeal within fifteen days after issuing the final determination. The taxpayer or the Tax Administrator may appeal the board's final determination as provided in section 5717.011 of the Ohio Revised Code.

(F) The Local Board of Tax Review created pursuant to this section shall adopt rules governing its procedures, including a schedule of related costs, and shall keep a record of its transactions. The rules governing the Local Board of Tax Review procedures shall be in writing, and may be amended as needed by the Local Board of Tax Review. Such records are not public records available for inspection under section 149.43 of the Ohio Revised Code. For this reason, any documentation, copies of returns or reports, final determinations, or working papers for each case must be maintained in a secure location under the control of the Tax Administrator. No member of the Local Board of Tax Review may remove such documentation, copies of returns or reports, final determinations, or working papers from the hearing. Hearings requested by a taxpayer before a Local Board of Tax Review created pursuant to this section are not meetings of a public body subject to section 121.22 of the Ohio Revised Code. For this reason, such hearings shall not be open to the public, and only those parties to the case may be present during the hearing.

148-1.19 ACTIONS TO RECOVER; STATUTE OF LIMITATIONS

- (A) (1) (a) Civil actions to recover municipal income taxes and penalties and interest on municipal income taxes shall be brought within the latter of:
- (i) Three years after the tax was due or the return was filed, whichever is later; or

- (ii) One year after the conclusion of the qualifying deferral period, if any.
 - (b) The time limit described in division (A)(1)(a) of this section may be extended at any time if both the Tax Administrator and the employer, agent of the employer, other payer, or taxpayer consent in writing to the extension. Any extension shall also extend for the same period of time the time limit described in division (C) of this section.
- (2) As used in this section, "qualifying deferral period" means a period of time beginning and ending as follows:
 - (a) Beginning on the date a person who is aggrieved by an assessment files with a Local Board of Tax Review the request described in Section 148-1.18 of this Chapter. That date shall not be affected by any subsequent decision, finding, or holding by any administrative body or court that the Local Board of Tax Review with which the aggrieved person filed the request did not have jurisdiction to affirm, reverse, or modify the assessment or any part of that assessment.
 - (b) Ending the later of the sixtieth day after the date on which the final determination of the Local Board of Tax Review becomes final or, if any party appeals from the determination of the Local Board of Tax Review, the sixtieth day after the date on which the final determination of the Local Board of Tax Review is either ultimately affirmed in whole or in part or ultimately reversed and no further appeal of either that affirmation, in whole or in part, or that reversal is available or taken.
- (B) Prosecutions for an offense made punishable under a resolution or ordinance imposing an income tax shall be commenced within three years after the commission of the offense, provided that in the case of fraud, failure to file a return, or the omission of twenty-five per cent or more of income required to be reported, prosecutions may be commenced within six years after the commission of the offense.
- (C) A claim for a refund of municipal income taxes shall be brought within the time limitation provided in Section 148-1.096 of this Chapter.
- (D)
 - (1) Notwithstanding the fact that an appeal is pending, the petitioner may pay all or a portion of the assessment that is the subject of the appeal. The acceptance of a payment by the Municipality does not prejudice any claim for refund upon final determination of the appeal.
 - (2) If upon final determination of the appeal an error in the assessment is corrected by the Tax Administrator, upon an appeal so filed or pursuant to a final determination of the Local Board of Tax Review created under Section 148-1.18 of this Chapter, of the Ohio board of tax appeals, or any court to which the decision of the Ohio board of tax appeals has been appealed, so that the amount due from the party assessed under the corrected assessment is less than the amount paid, there shall be issued to the appellant or to the appellant's assigns or legal representative a refund in the amount of the overpayment as provided by Section 148-1.096 of this Chapter, with interest on that amount as provided by division (D) of this section.
- (E) No civil action to recover municipal income tax or related penalties or interest shall be brought during either of the following time periods:
 - (1) The period during which a taxpayer has a right to appeal the imposition of that tax or interest or those penalties;
 - (2) The period during which an appeal related to the imposition of that tax or interest or those penalties is pending.
- (F) The Law Director or the Law Director's designee shall have the power to compromise any civil matter arising under this tax ordinance.

OPTIONAL PROCEDURES FOR NET PROFIT TAXES

148-1.21.1

FILING NET PROFIT TAXES; ELECTION TO BE SUBJECT TO PROVISIONS OF CHAPTER

(A) A taxpayer may elect to be subject to sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances in lieu of the provisions set forth in the remainder of this chapter. Notwithstanding any other provision of this chapter, upon the taxpayer's election, both of the following shall apply:

(1) The state tax commissioner shall serve as the sole administrator of the municipal net profit tax for which the taxpayer as defined in 148-1.21.2(C) of the Codified Ordinances is liable for the term of the election;

(2) The commissioner shall administer the tax pursuant to sections 718.80 to 718.95 of the Revised Code, sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances, and any applicable provision of Chapter 5703 of the Revised Code.

(B)

(1) A taxpayer shall make the initial election on or before the first day of the third month after the beginning of the taxpayer's taxable year by notifying the tax commissioner and the City, on a form prescribed by the tax commissioner.

(2)

(a) The election, once made by the taxpayer, applies to the taxable year in which the election is made and to each subsequent taxable year until the taxpayer notifies the tax commissioner and the City of its termination of the election.

(b) A notification of termination shall be made, on a form prescribed by the tax commissioner, on or before the first day of the third month of any taxable year.

(c) Upon a timely and valid termination of the election, the taxpayer is no longer subject to sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances, and is instead subject to the provisions set forth in the remainder of this chapter.

(C) The tax commissioner shall enforce and administer sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances. In addition to any other powers conferred upon the tax commissioner by law, the tax commissioner may:

- (1) Prescribe all forms necessary to administer those sections;
- (2) Adopt such rules as the tax commissioner finds necessary to carry out those sections;
- (3) Appoint and employ such personnel as are necessary to carry out the duties imposed upon the tax commissioner by those sections.

(D) The tax commissioner shall not be considered a tax administrator, as that term is defined in section 718.01 of the Revised Code and Section 148-1.03 of the City Codified Ordinances.

148-1.21.2 DEFINITIONS

If a term used in sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the Revised Code and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall have control over the use of the term in Title LVII of the Revised Code, unless the term is defined in Chapter 5703. of the Revised Code, in which case the definition in that chapter shall control. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States related to federal income taxes. If a term is defined in both this section and section 148-1.03 of the Codified Ordinances, the definition in this section shall control for all uses of that term in sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances.

As used in sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances only:

(A) "Municipal taxable income" means income apportioned or situated to the municipal corporation under section 148-1.21.3 of the Codified Ordinances, as applicable, reduced by any pre-2017 net operating loss carryforward available to the person for the municipal corporation.

(B) "Adjusted federal taxable income," for a person required to file as a C corporation, or for a person that has elected to be taxed as a C corporation as described in division (D)(5) of section 718.01 of the Revised Code and section 148-1.03 of the Codified Ordinances, means a C corporation's federal taxable income before net operating losses and special deductions as determined under the Internal Revenue Code, adjusted as follows:

- (1) Deduct intangible income to the extent included in federal taxable income. The deduction shall be allowed regardless of whether the intangible income relates to assets used in a trade or business or assets held for the production of income.
- (2) Add an amount equal to five per cent of intangible income deducted under division (B)(1) of this section, but excluding that portion of intangible income directly related to the sale, exchange, or other disposition of property described in section 1221 of the Internal Revenue Code.
- (3) Add any losses allowed as a deduction in the computation of federal taxable income if the losses directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code.

(4)

(a) Except as provided in division (B)(4)(b) of this section, deduct income and gain included in federal taxable income to the extent the income and gain directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code.

(b) Division (B)(4)(a) of this section does not apply to the extent the income or gain is income or gain described in section 1245 or 1250 of the Internal Revenue Code.

(5) Add taxes on or measured by net income allowed as a deduction in the computation of federal taxable income.

(6) In the case of a real estate investment trust or regulated investment company, add all amounts with respect to dividends to, distributions to, or amounts set aside for or credited to the benefit of investors and allowed as a deduction in the computation of federal taxable income.

(7) Deduct, to the extent not otherwise deducted or excluded in computing federal taxable income, any income derived from a transfer agreement or from the enterprise transferred under that agreement under section 4313.02 of the Revised Code.

(8) Deduct exempt income to the extent not otherwise deducted or excluded in computing adjusted federal taxable income.

(9) Deduct any net profit of a pass-through entity owned directly or indirectly by the taxpayer and included in the taxpayer's federal taxable income unless an affiliated group of corporations includes that net profit in the group's federal taxable income in accordance with division (E)(3)(b) of section 148-1.21.7 of the Codified Ordinances.

(10) Add any loss incurred by a pass-through entity owned directly or indirectly by the taxpayer and included in the taxpayer's federal taxable income unless an affiliated group of corporations includes that loss in the group's federal taxable income in accordance with division (E)(3)(b) of section 148-1.21.7 of the Codified Ordinances.

If the taxpayer is not a C corporation, is not a disregarded entity that has made the election described in division (47)(B) of section 148-1.03 of the Codified Ordinances, and is not a publicly traded partnership that has made the election described in division (23)(D) of section 148-1.03 of the Codified Ordinances, the taxpayer shall compute adjusted federal taxable income under this section as if the taxpayer were a C corporation, except guaranteed payments and other similar amounts paid or accrued to a partner, former partner, shareholder, former shareholder, member, or former member shall not be allowed as a deductible expense unless such payments are in consideration for the use of capital and treated as payment of interest under section 469 of the Internal Revenue Code or United States treasury regulations. Amounts paid or accrued to a qualified self-employed retirement plan with respect to a partner, former partner, shareholder, former shareholder, member, or former member of the taxpayer, amounts paid or accrued to or for health insurance for a partner, former partner, shareholder, former shareholder, member, or former member, and amounts paid or accrued to or for life insurance for a partner, former partner, shareholder, former shareholder, member, or former member shall not be allowed as a deduction.

Nothing in division (B) of this section shall be construed as allowing the taxpayer to add or deduct any amount more than once or shall be construed as allowing any taxpayer to deduct any amount paid to or accrued for purposes of federal self-employment tax.

(C) "Taxpayer" has the same meaning as in section 148-1.03(47) of the Codified Ordinances, except that "taxpayer" does not include natural persons or entities subject to the tax imposed under Chapter 5745. of the Revised Code. "Taxpayer" may include receivers, assignees, or trustees in bankruptcy when such persons are required to assume the role of a taxpayer.

(D) "Tax return" or "return" means the notifications and reports required to be filed pursuant to sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances for the purpose of reporting municipal income taxes, and includes declarations of estimated tax.

(E) "Taxable year" means the calendar year or the taxpayer's fiscal year ending during the calendar year, or fractional part thereof, upon which the calculation of the taxpayer's adjusted federal taxable income is based pursuant to this chapter. If a taxpayer's taxable year is changed for federal income tax purposes, the taxable year for purposes of sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances is changed accordingly but may consist of an aggregation of more than one taxable year for federal income tax purposes. The tax commissioner may prescribe by rule an appropriate period as the taxable year for a taxpayer that has had a change of its taxable year for federal income tax purposes, for a taxpayer that has two or more short taxable years for federal income tax purposes as the result of a change of ownership, or for a new taxpayer that would otherwise have no taxable year.

(F) "Assessment" means a notice of underpayment or nonpayment of a tax issued pursuant to section 148-1.21.11 of the Codified Ordinances.

148-1.21.3 APPLICABILITY; TAXABLE SITUS; APPORTIONMENT

This section applies to any taxpayer that is engaged in a business or profession in the City and that has made the election under section 148-1.21.1 of the Codified Ordinances.

(A) Except as otherwise provided in division (B) of this section, net profit from a business or profession conducted both within and without the boundaries of the City shall be considered as having a taxable situs in the City for purposes of municipal income taxation in the same proportion as the average ratio of the following:

(1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the City during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the City to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under section 148-1.052 of the Codified Ordinances;

(3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the City to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.

(B)

(1) If the apportionment factors described in division (A) of this section do not fairly represent the extent of a taxpayer's business activity in the City, the taxpayer may request, or the tax commissioner may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

(a) Separate accounting;

(b) The exclusion of one or more of the factors;

(c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation;

(d) A modification of one or more of the factors.

(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the tax commissioner denies the request in an assessment issued within the period prescribed by division (A) of section 148-1.21.11 of the Codified Ordinances.

(3) The tax commissioner may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of section 148-1.21.11 of the Codified Ordinances.

(C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

(a) The employer;

(b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;

(c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

(3) Any other location, if the tax commissioner determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the tax commissioner makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the tax commissioner's determination was unreasonable.

(D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall be situated to the City as follows:

(1) Gross receipts from the sale of tangible personal property shall be situated to the City only if, regardless of where title passes, the property meets either of the following criteria:

(a) The property is shipped to or delivered within the City from a stock of goods located within the City.

(b) The property is delivered within the City from a location outside the City, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City and the sales result from such solicitation or promotion.

(2) Gross receipts from the sale of services shall be situated to the City to the extent that such services are performed in the City.

(3) To the extent included in income, gross receipts from the sale of real property located in the City shall be situated to the City.

(4) To the extent included in income, gross receipts from rents and royalties from real property located in the City shall be situated to the City.

(5) Gross receipts from rents and royalties from tangible personal property shall be situated to the City based upon the extent to which the tangible personal property is used in the City.

(E) Commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the City in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to the City based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the City to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.

(F) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (11)(L) and (34)(A)(iv) of section 148-1.03 of the Codified Ordinances by the City or substantially similar provision of the codified ordinances of another municipal corporation, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to the City. In no case shall a taxpayer be required to add to its net profit that was apportioned to the City any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to the City under this section.

(G) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.

148-1.21.4 INFORMATION PROVIDED TO TAX ADMINISTRATORS; CONFIDENTIALITY

(A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances is confidential, and no person shall disclose such information, except for official purposes, in accordance with a proper judicial order, or as provided in section 4123.271 or 5703.21 of the Revised Code. The tax commissioner may furnish the internal revenue service with copies of returns filed. This section does not prohibit the publication of statistics in a form which does not disclose information with respect to particular taxpayers.

(B) In May and November of each year, the tax commissioner shall provide the City tax administrator with the following information for every taxpayer that filed tax returns with the commissioner under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances and that had municipal taxable income apportionable to the City under this chapter for any prior year:

- (1) The taxpayer's name, address, and federal employer identification number;
- (2) The taxpayer's apportionment ratio for, and amount of municipal taxable income apportionable to, the City pursuant to section 148-1.21.3 of the Codified Ordinances;
- (3) The amount of any pre-2017 net operating loss carryforward utilized by the taxpayer;
- (4) Whether the taxpayer requested that any overpayment be carried forward to a future taxable year;
- (5) The amount of any credit claimed under section 718.94 of the Revised Code.

(C) Not later than thirty days after each distribution made to municipal corporations under section 718.83 of the Revised Code, the tax commissioner shall provide to the City a report stating the name and federal identification number of every taxpayer that made estimated payments that are attributable to the City and the amount of each such taxpayer's estimated payment.

(D) The information described under divisions (B) and (C) of this section shall be provided to the individual or individuals designated by the City tax administrator under section 718.83(D) of the Revised Code.

(E)

(1) The City expects that the tax commissioner will, pursuant to section 718.84(E) of the Revised Code, provide tax returns and other information it receives in the performance of its administration of the municipal net profits tax for taxpayers making the election provided in section 148-1.21.1 of the Codified Ordinances. The tax administrator shall review these returns and information, as well as the information received pursuant to divisions (B) and (C) of this section, and has discretion to refer any taxpayer for audit by the tax commissioner. Such referral shall be made on a form prescribed by the commissioner and shall include any information that forms the basis for the referral.

(2) if the tax commissioner declines to audit a taxpayer referred by the tax administrator under this section, the City reserves its right to pursue any and all remedies, whether at law or in equity, to ensure that the correct tax liability has been calculated and paid by the taxpayer.

148-1.21.5 FILING OF ANNUAL RETURN; REMITTANCE; DISPOSITION OF FUNDS

(A)

(1) For each taxable year, every taxpayer shall file an annual return. Such return, along with the amount of tax shown to be due on the return less the amount paid for the taxable year under section 148-1.21.9 of the Codified Ordinances, shall be submitted to the tax commissioner, on a form and in the manner prescribed by the commissioner, on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year.

(2) If a taxpayer has multiple taxable years ending within one calendar year, the taxpayer shall aggregate the facts and figures necessary to compute the tax due under this chapter, in accordance with sections 148-1.21.2, 148-1.21.3, and, if applicable, 148-1.21.7 of the Codified Ordinances onto its annual return.

(3) The remittance shall be made payable to the treasurer of state and in the form prescribed by the tax commissioner. If the amount payable with the tax return is ten dollars or less, no remittance is required.

(B)

(1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's identification number. Each return shall be verified by a declaration under penalty of perjury.

(2)

(a) The tax commissioner may require a taxpayer to include, with each annual tax return, amended return, or request for refund filed with the commissioner under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances, copies of any relevant documents or other information.

(b) A taxpayer that files an annual tax return electronically through the Ohio business gateway or in another manner as prescribed by the tax commissioner shall either submit the documents required under this division electronically as prescribed at the time of filing or, if electronic submission is not available, mail the documents to the tax commissioner. The department of taxation shall publish a method of electronically submitting the documents required under this division on or before January 1, 2019.

(3) After a taxpayer files a tax return, the tax commissioner may request, and the taxpayer shall provide, any information, statements, or documents required to determine and verify the taxpayer's municipal income tax.

(D)

(1)

(a) Any taxpayer that has duly requested an automatic extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a tax return with the commissioner under this section. The extended due date of the return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.

(b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the commissioner grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the commissioner receives the request on or before the date the municipal income tax return is due, the commissioner shall grant the taxpayer's extension request.

(c) An extension of time to file under division (D)(1) of this section is not an extension of the time to pay any tax due unless the tax commissioner grants an extension of that date.

(2) If the commissioner considers it necessary in order to ensure payment of a tax imposed in accordance with sections 148-1.011 and 148-1.012 of the Codified Ordinances, the commissioner may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.

(E) Each return required to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the tax commissioner about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the commissioner to contact the preparer or other person

concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the commissioner with information that is missing from the return, to contact the commissioner for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the commissioner and has shown to the preparer or other person.

(F) When income tax returns or other documents require the signature of a tax return preparer, the tax commissioner shall accept a facsimile or electronic version of such a signature in lieu of a manual signature.

148-1.21.6 ELECTRONIC FILING

(A) All taxpayers that have made the election allowed under section 148-1.21.1 of the Codified Ordinances shall file any tax return or extension for filing a tax return, and shall make payment of amounts shown to be due on such returns, electronically, either through the Ohio business gateway or in another manner as prescribed by the tax commissioner.

(B) A taxpayer may apply to the commissioner, on a form prescribed by the commissioner, to be excused from the requirement to file returns and make payments electronically. For good cause shown, the commissioner may excuse the applicant from the requirement and permit the applicant to file the returns or make the payments by nonelectronic means.

(C) The tax commissioner may adopt rules establishing the following:

(1) The format of documents to be used by taxpayers to file returns and make payments by electronic means;

(2) The information taxpayers must submit when filing tax returns by electronic means.

148-1.21.7 CONSOLIDATED RETURNS

(A) As used in this section:

(1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.

(2) "Consolidated federal income tax return" means a consolidated return filed for federal income tax purposes pursuant to section 1501 of the Internal Revenue Code.

(3) "Consolidated federal taxable income" means the consolidated taxable income of an affiliated group of corporations, as computed for the purposes of filing a consolidated federal income tax return, before consideration of net operating losses or special deductions. "Consolidated federal taxable income" does not include income or loss of an incumbent local exchange carrier that is excluded from the affiliated group under division (A)(1) of this section.

(4) "Incumbent local exchange carrier" has the same meaning as in section 4927.01 of the Revised Code.

(5) "Local exchange telephone service" has the same meaning as in section 5727.01 of the Revised Code.

(B)

(1) A taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated tax return for a taxable year if at least one member of the affiliated group of corporations is subject to municipal income tax in that taxable year and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year. The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law. The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated tax returns under division (B)(2) of this section or a taxpayer receives permission from the tax commissioner. The tax commissioner shall approve such a request for good cause shown.

(2) An election to discontinue filing consolidated tax returns under this section must be made on or before the fifteenth day of the fourth month of the year following the last year of a five-year consolidated tax return election period in effect under division (B)(1) of this section. The election to discontinue filing a consolidated tax return is binding for a five-year period beginning with the first taxable year of the election.

(3) An election made under division (B)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.

(4) When a taxpayer makes the election allowed under section 148-1.21.1 of the Codified Ordinances, a valid election made by the taxpayer under division (B)(1) or (2) of section 148-1.063 of the Codified Ordinances is binding upon the tax commissioner for the remainder of the five-year period.

(5) When an election made under section 148-1.21.1 of the Codified Ordinances is terminated, a valid election made under this section is binding upon the tax administrator for the remainder of the five-year period.

(C) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated tax return for that taxable year if the tax commissioner determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to a municipal corporation. A taxpayer that is required to file a consolidated tax return for a taxable year shall file a consolidated tax return for all subsequent taxable years unless the taxpayer requests and receives written permission from the commissioner to file a separate return or a taxpayer has experienced a change in circumstances.

(D) A taxpayer shall prepare a consolidated tax return in the same manner as is required under the United States department of treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.

(E)

(1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated tax return shall compute adjusted federal taxable income, as defined in section 148-1.21.2 of the Codified Ordinances, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.

(2) No corporation filing a consolidated tax return shall make any adjustment otherwise required under division (B) of section 148-1.21.2 of the Codified Ordinances to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.

(3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:

(a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in section 148-1.21.3 of the Codified Ordinances, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(b) Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in section 148-1.21.3 of the Codified Ordinances, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.

(4) If the net profit or loss of a pass-through entity having less than eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:

(a) The corporation filing the consolidated tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in section 148-1.21.3 of the Codified Ordinances, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation;

(b) The pass-through entity shall be subject to municipal income taxation as a separate taxpayer in accordance with sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(F) Corporations filing a consolidated tax return shall make the computations required under section 148-1.21.3 of the Codified Ordinances by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.

(G) Each corporation filing a consolidated tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts applicable under section 148-1.21.1 to 148-1.21.16 of the Codified Ordinances or Chapter 5703. of the Revised Code to the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.

148-1.21.8 FAILURE TO PAY TAX

If a taxpayer that has made the election allowed under 148-1.21.1 of the Codified Ordinances fails to pay any tax as required under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances, or any portion of that tax, on or before the date prescribed for its payment, interest shall be assessed, collected, and paid, in the same manner as the tax, upon such unpaid amount at the rate per annum prescribed by section 5703.47 of the Revised Code from the date prescribed for its payment until it is paid or until the date an assessment is issued under section 148-1.21.11 of the Codified Ordinances, whichever occurs first.

148-1.21.9 DECLARATION OF ESTIMATED TAXES

(A) As used in this section:

(1) "Combined tax liability" means the total amount of a taxpayer's income tax liabilities to all municipal corporations in this state for a taxable year.

(2) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's combined tax liability for the current taxable year.

(B)

(1) Except as provided in division (B)(4) of this section, every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the tax commissioner, if the amount payable as estimated taxes is at least two hundred dollars.

(2) Except as provided in division (B)(4) of this section, a taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the commissioner.

(3) The declaration of estimated taxes shall be filed on or before the fifteenth day of the fourth month after the beginning of the taxable year or on or before the fifteenth day of the fourth month after the taxpayer becomes subject to tax for the first time.

(4) The tax commissioner may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.

(C) Each taxpayer shall file the declaration of estimated taxes with, and remit estimated taxes to, the tax commissioner at the times and in the amounts prescribed in division (C)(1) of this section. Remitted taxes shall be made payable to the treasurer of state.

(1) The required portion of the combined tax liability for the taxable year that shall be paid through estimated taxes shall be as follows:

(a) On or before the fifteenth day of the fourth month after the beginning of the taxable year, twenty-two and one-half per cent of the combined tax liability for the taxable year;

(b) On or before the fifteenth day of the sixth month after the beginning of the taxable year, forty-five per cent of the combined tax liability for the taxable year;

(c) On or before the fifteenth day of the ninth month after the beginning of the taxable year, sixty-seven and one-half per cent of the combined tax liability for the taxable year;

(d) On or before the fifteenth day of the twelfth month of the taxable year, ninety per cent of the combined tax liability for the taxable year.

(2) If the taxpayer determines that its declaration of estimated taxes will not accurately reflect the taxpayer's tax liability for the taxable year, the taxpayer shall increase or decrease, as appropriate, its subsequent payments in equal installments to result in a more accurate payment of estimated taxes.

(3)

(a) Each taxpayer shall report on the declaration of estimated taxes the portion of the remittance that the taxpayer estimates that it owes to each municipal corporation for the taxable year.

(b) Upon receiving a payment of estimated taxes under this section, the commissioner shall immediately forward the payment to the treasurer of state. The treasurer shall credit the payment in the same manner as in division (B) of section 718.85 of the Revised Code.

(D)

(1) In the case of any underpayment of estimated taxes, there shall be added to the taxes an amount determined at the rate per annum prescribed by section 5703.47 of the Revised Code upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows:

(a) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;

(b) For the second payment of estimated taxes each year, forty-five per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;

(c) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;

(d) For the fourth payment of estimated taxes each year, ninety per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment.

(2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently due.

(3) All amounts collected under this section shall be considered as taxes collected under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances and shall be credited and distributed to municipal corporations in accordance with section 718.83 of the Revised Code.

(E) An underpayment of any portion of a combined tax liability shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:

(1) The amount of estimated taxes that were paid equals at least ninety per cent of the combined tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.

(2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a municipal income tax return for that year.

148-1.21.10 ADDITIONAL PENALTIES

(A) In addition to any other penalty imposed by sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances or Chapter 5703 of the Revised Code, the following penalties shall apply:

(1) If a taxpayer required to file a tax return under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances fails to make and file the return within the time prescribed, including any extensions of time granted by the tax commissioner, the commissioner may impose a penalty not exceeding twenty-five dollars per month or fraction of a month, for each month or fraction of a month elapsing between the due date, including extensions of the due date, and the date on which the return is filed. The aggregate penalty, per instance, under this division shall not exceed one hundred fifty dollars.

(2) If a person required to file a tax return electronically under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances fails to do so, the commissioner may impose a penalty not to exceed the following:

(a) For each of the first two failures, five per cent of the amount required to be reported on the return;

(b) For the third and any subsequent failure, ten per cent of the amount required to be reported on the return.

(3) If a taxpayer that has made the election allowed under section 148-1.21.1 of the Codified Ordinances fails to timely pay an amount of tax required to be paid under this chapter, the commissioner may impose a penalty equal to fifteen per cent of the amount not timely paid.

(4) If a taxpayer files what purports to be a tax return required by sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances that does not contain information upon which the substantial correctness of the return may be judged or contains information that on its face indicates that the return is substantially incorrect, and the filing of the return in that manner is due to a position that is frivolous or a desire that is apparent from the return to delay or impede the administration of sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances, a penalty of up to five hundred dollars may be imposed.

(5) If a taxpayer makes a fraudulent attempt to evade the reporting or payment of the tax required to be shown on any return required under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the tax required to be shown on the return.

(6) If any person makes a false or fraudulent claim for a refund under section 148-1.21.12 of the Codified Ordinances, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the claim. Any penalty imposed under this division, any refund issued on the claim, and interest on any refund from the date of the refund, may be assessed under section 148-1.21.11 of the Codified Ordinances without regard to any time limitation for the assessment imposed by division (A) of that section.

(B) For purposes of this section, the tax required to be shown on a tax return shall be reduced by the amount of any part of the tax paid on or before the date, including any extensions of the date, prescribed for filing the return.

(C) Each penalty imposed under this section shall be in addition to any other penalty imposed under this section. All or part of any penalty imposed under this section may be abated by the tax commissioner. The commissioner may adopt rules governing the imposition and abatement of such penalties.

(D) All amounts collected under this section shall be considered as taxes collected under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances and shall be credited and distributed to municipal corporations in the same proportion as the underlying tax liability is required to be distributed to such municipal corporations under section 718.83 of the Revised Code.

148-1.21.11 ASSESSMENTS AGAINST TAXPAYER

(A) If any taxpayer required to file a return under section 148-1.21.1 to 148-1.21.16 of the Codified Ordinances fails to file the return within the time prescribed, files an incorrect return, or fails to remit the full amount of the tax due for the period covered by the return, the tax commissioner may make an assessment against the taxpayer for any deficiency for the period for which the return or tax is due, based upon any information in the commissioner's possession.

The tax commissioner shall not make or issue an assessment against a taxpayer more than three years after the later of the date the return subject to assessment was required to be filed or the date the return was filed. Such time limit may be extended if both the taxpayer and the commissioner consent in writing to the extension. Any such extension shall extend the three-year time limit in section 148-1.21.12 of the Codified Ordinances for the same period of time. There shall be no bar or limit to an assessment against a taxpayer that fails to file a return subject to assessment as required by sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances, or that files a fraudulent return. The commissioner shall give the taxpayer assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the taxpayer assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment signed by the authorized agent of the taxpayer assessed having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the taxpayer to the treasurer of state. The petition shall indicate the taxpayer's objections, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the taxpayer has an office or place of business in this state, the county in which the taxpayer's statutory agent is located, or Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment against the taxpayer assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-

leaf book entitled "special judgments for municipal income taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

(D) All money collected under this section shall be credited to the municipal income tax fund and distributed to the municipal corporation to which the money is owed based on the assessment issued under this section.

(E) If the tax commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the taxpayer liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the taxpayer assessed or the taxpayer's legal representative in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the taxpayer assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(F) Notwithstanding the fact that a petition for reassessment is pending, the taxpayer may pay all or a portion of the assessment that is the subject of the petition. The acceptance of a payment by the treasurer of state does not prejudice any claim for refund upon final determination of the petition.

If upon final determination of the petition an error in the assessment is corrected by the tax commissioner, upon petition so filed or pursuant to a decision of the board of tax appeals or any court to which the determination or decision has been appealed, so that the amount due from the taxpayer under the corrected assessment is less than the portion paid, there shall be issued to the taxpayer, its assigns, or legal representative a refund in the amount of the overpayment as provided by section 148-1.21.12 of the Codified Ordinances, with interest on that amount as provided by that section.

148-1.21.12 REFUND APPLICATIONS

(A) An application to refund to a taxpayer the amount of taxes paid on any illegal, erroneous, or excessive payment of tax under sections 148-1.21.1 to 148-1.21.16 of the Codified

Ordinances, including assessments, shall be filed with the tax commissioner within three years after the date of the illegal, erroneous, or excessive payment of the tax, or within any additional period allowed by division (A) of section 148-1.21.11 of the Codified Ordinances. The application shall be filed in the form prescribed by the tax commissioner.

(B)

(1) On the filing of a refund application, the tax commissioner shall determine the amount of refund to which the applicant is entitled. The amount determined shall be based on the amount overpaid per return or assessment. If the amount is greater than ten dollars and not less than that claimed, the commissioner shall certify that amount to the director of budget and management and the treasurer of state for payment from the tax refund fund created in section 5703.052 of the Revised Code. If the amount is greater than ten dollars but less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

(2) Upon issuance of a refund under this section, the commissioner shall notify each municipal corporation of the amount refunded to the taxpayer attributable to that municipal corporation, which shall be deducted from the municipal corporation's next distribution under section 718.83 of the Revised Code.

(C) Any portion of a refund determined under division (B) of this section that is not issued within ninety days after such determination shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the ninety-first day after such determination until the day the refund is paid or credited. On an illegal or erroneous assessment, interest shall be paid at that rate from the date of payment on the illegal or erroneous assessment until the day the refund is paid or credited.

148-1.21.13 AMENDED RETURNS

(A) If any of the facts, figures, computations, or attachments required in an annual return filed by a taxpayer that has made the election allowed under section 148-1.21.1 of the Codified Ordinances and used to determine the tax due under sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances must be altered as the result of an adjustment to the taxpayer's federal income tax return, whether initiated by the taxpayer or the internal revenue service, and such alteration affects the taxpayer's tax liability under those sections, the taxpayer shall file an amended return with the tax commissioner in such form as the commissioner requires. The amended return shall be filed not later than sixty days after the adjustment is agreed upon or finally determined for federal income tax purposes or after any federal income tax deficiency or refund, or the abatement or credit resulting therefrom, has been assessed or paid, whichever occurs first. If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the commissioner before filing the amended return.

(B) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due together with any penalty and interest thereon. An amended return required by this section is a return subject to assessment under section 148-1.21.11 of the Codified Ordinances for the purpose of assessing any additional tax due under this section,

together with any applicable penalty and interest. The amended return shall not reopen those facts, figures, computations, or attachments from a previously filed return no longer subject to assessment that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal tax return.

(C) In the case of an overpayment, an application for refund may be filed under this division within the sixty-day period prescribed for filing the amended return, even if that period extends beyond the period prescribed in section 148-1.21.12 of the Codified Ordinances, if the application otherwise conforms to the requirements of that section. An application filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return unless it is also filed within the time prescribed in section 148-1.21.12 of the Codified Ordinances. The application shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return.

148-1.21.14 EXAMINATION OF RECORDS AND OTHER DOCUMENTS AND PERSONS

(A) The tax commissioner, or any authorized agent or employee thereof, may examine the books, papers, records, and federal and state income tax returns of any taxpayer or other person that is subject to sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due as required under those sections. Upon written request by the commissioner or a duly authorized agent or employee thereof, every taxpayer or other person subject to this section is required to furnish the opportunity for the commissioner, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(B) The records and other documents of any taxpayer or other person that is subject to sections 148-1.21.1 to 148-1.21.16 of the Codified Ordinances shall be open to the tax commissioner's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The commissioner may require any person, by notice served on that person, to keep such records as the commissioner determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by a municipal corporation.

(C) The tax commissioner may examine under oath any person that the commissioner reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The commissioner may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the tax commissioner compelling attendance at a hearing or examination or the production of books, papers, records, or federal income tax returns under this section shall fail to comply.

148-1.21.15 CREDITS

(A) A credit, granted by resolution or ordinance of the City pursuant to section 148-1.064 or 148-1.065 of the Codified Ordinances, shall be available to a taxpayer that has made the election allowed under section 148-1.21.1 of the Codified Ordinances, against the municipal corporation's tax on income. A municipal corporation shall submit the following information to the tax commissioner on or before the later of January 31, 2018, or the thirty-first day of January of the first year in which the taxpayer is eligible to receive the credit:

(1) A copy of the agreement entered into by the City and taxpayer under section 148-1.064 or 148-1.065 of the Codified Ordinances;

(2) A copy of the ordinance or resolution authorizing the agreement entered into between the City and the taxpayer.

(B)

(1) Each taxpayer that claims a credit shall submit, with the taxpayer's tax return, documentation issued by the City granting the credit that confirms the eligibility of the taxpayer for the credit, the amount of the credit for which the taxpayer is eligible, and the tax year to which the credit is to be applied.

(2) Such documentation shall be provided in the form prescribed by the tax commissioner.

(3) Nothing in this section shall be construed to authorize the tax commissioner to enter into an agreement with a taxpayer to grant a credit, to determine if a taxpayer meets the conditions of a tax credit agreement entered into by the City and taxpayer under section 148-1.064 or 148-1.065 of the Codified Ordinances,, or to modify the terms or conditions of any such existing agreement.

(B) Each instance of access or disclosure in violation of division (A) of section 148-1.21.5 of the Codified Ordinances constitutes a separate offense.

(C) These specific penalties shall not be construed to prevent the City from prosecuting any and all other offenses that may apply.
