501.02 CLASSIFICATION OF OFFENSES.

As used in the Codified Ordinances:

- (a) Offenses include misdemeanors of the first, second, third and fourth degree, minor misdemeanors and offenses not specifically classified.
- (b) Regardless of the penalty that may be imposed, any offense specifically classified as a misdemeanor is a misdemeanor.
- (c) Any offense not specifically classified is a misdemeanor if imprisonment for not more than one year may be imposed as a penalty.
- (d) Any offense not specifically classified is a minor misdemeanor if the only penalty that may be imposed is one of the following:
 - (1) For an offense committed prior to January 1, 2004, a fine not exceeding one hundred dollars (\$100.00);
 - (2) For an offense committed on or after January 1, 2004, a fine not exceeding one hundred fifty dollars (\$150.00), community service under division (D) of Ohio R.C. 2929.27, or a financial sanction other than a fine under Ohio R.C. 2929.28.
(ORC 2901.02)
- (e) Any offense not specifically classified as a first, second, third or fourth degree misdemeanor or as a minor misdemeanor shall be deemed to fall into the next highest classification that provides for penalties (as set forth in Section 501.99 below) greater than those for that offense. For example, if the penalty for an unclassified offense includes imprisonment for a maximum of forty-five days and a maximum fine of \$225.00, the offense shall be deemed to be a third degree misdemeanor, because the forty-five day imprisonment exceeds the thirty day maximum for a fourth degree offense.
(Ord. 2867. Passed 4-1-74; Ord. 3245. Passed 1-18-82.)

501.03 COMMON LAW OFFENSES ABROGATED.

- (a) No conduct constitutes a criminal offense against the Municipality unless it is defined as an offense in the Codified Ordinances or any other Municipal ordinance.
- (b) An offense is defined when one or more sections of the Codified Ordinances state a positive prohibition or enjoin a specific duty, and provide a penalty for violation of such prohibition or failure to meet such duty.
- (c) This section does not affect the power of a court to punish for contempt or to employ any sanction authorized by law to enforce an order, civil judgment or decree.
(ORC 2901.03)

501.04 RULES OF CONSTRUCTION.

- (a) Except as otherwise provided in subsection (c) hereof, sections of the Codified Ordinances defining offenses or penalties shall be strictly construed against the Municipality and liberally construed in favor of the accused.

(b) Rules of criminal procedure and sections of the Ohio Revised Code providing for criminal procedure shall be construed so as to effect the fair, impartial, speedy and sure administration of justice.

(c) Any provision of a section of the Codified Ordinances that refers to a previous conviction of or plea of guilty to a violation of a section of the Codified Ordinances or Ohio Revised Code or of a division of a section of the Codified Ordinances or Ohio Revised Code shall be construed to also refer to a previous conviction of or plea of guilty to a substantially equivalent offense under an existing or former law of this State, another state, or the United States or under an existing or former municipal ordinance.

(d) Any provision of the Codified Ordinances that refers to a section, or to a division of a section, of the Codified Ordinances that defines or specifies a criminal offense shall be construed to also refer to an existing or former law of this State, another state, or the United States, to an existing or former municipal ordinance, or to an existing or former division of any such existing or former law or ordinance that defines or specifies, or that defined or specified, a substantially equivalent offense. (ORC 2901.04)

501.05 CRIMINAL LAW JURISDICTION.

(a) A person is subject to misdemeanor prosecution and punishment in this Municipality if any of the following occur:

- (1) The person commits an offense under the laws of this Municipality, any element of which takes place in this Municipality.
- (2) While in this Municipality, the person attempts to commit, or is guilty of complicity in the commission of, an offense in another jurisdiction, which offense is an offense under both the laws of this Municipality or this State and the other jurisdiction, or, while in this Municipality, the person conspires to commit an offense in another jurisdiction, which offense is an offense under both the laws of this Municipality or this State and the other jurisdiction, and a substantial overt act in furtherance of the conspiracy is undertaken in this Municipality by the person or another person involved in the conspiracy, subsequent to the person's entrance into the conspiracy. In any case in which a person attempts to commit, is guilty of complicity in the commission of, or conspires to commit an offense in another jurisdiction as described in this subsection, the person is subject to criminal prosecution and punishment in this Municipality for the attempt, complicity, or conspiracy, and for any resulting offense that is committed or completed in the other jurisdiction.
- (3) While out of this Municipality, the person conspires or attempts to commit, or is guilty of complicity in the commission of, an offense in this Municipality.

- (4) While out of this Municipality, the person omits to perform a legal duty imposed by the laws of this Municipality, which omission affects a legitimate interest of the Municipality in protecting, governing or regulating any person, property, thing, transaction or activity in this Municipality.
- (5) While out of this Municipality, the person unlawfully takes or retains property and subsequently brings any of the unlawfully taken or retained property into this Municipality.
- (6) While out of this Municipality, the person unlawfully takes or entices another and subsequently brings the other person into this Municipality.
- (7) The person, by means of a computer, computer system, computer network, telecommunication, telecommunications device, telecommunications service, or information service, causes or knowingly permits any writing, data, image, or other telecommunication to be disseminated or transmitted into this Municipality in violation of the law of this Municipality.

(b) This Municipality includes the land and water within its boundaries and the air space above such land and water, and real property outside the corporate limits, with respect to which this Municipality has either exclusive or concurrent legislative jurisdiction. Where the boundary between this Municipality and another jurisdiction is disputed, the disputed territory is conclusively presumed to be within this Municipality for purposes of this section.

(c) When an offense is committed under the laws of this Municipality, and it appears beyond a reasonable doubt that the offense or any element of the offense took place either in this Municipality or in another jurisdiction or jurisdictions, but it cannot reasonably be determined in which it took place, the offense or element is conclusively presumed to have taken place in this Municipality for purposes of this section.

(d) When a person is subject to criminal prosecution and punishment in this Municipality for an offense committed or completed outside of this Municipality, the person is subject to all specifications for that offense that would be applicable if the offense had been committed within this Municipality.

(e) Any act, conduct, or element that is a basis of a person being subject under this section to criminal prosecution and punishment in this Municipality need not be committed personally by the person as long as it is committed by another person who is in complicity or conspiracy with the person.

(f) This section shall be liberally construed, consistent with constitutional limitations, to allow this Municipality the broadest possible jurisdiction over offenses and persons committing offenses in, or affecting, this Municipality.

(g) For purposes of subsection (a)(2) of this section, an overt act is substantial when it is of a character that manifests a purpose on the part of the actor that the object of the conspiracy should be completed.

(h) As used in this section, “computer”, “computer system”, “computer network”, “information service”, “telecommunication”, “telecommunications device”, “telecommunications service”, “data”, and “writing” have the same meaning as in Ohio R.C. 2913.01. (ORC 2901.11)

501.06 LIMITATION OF CRIMINAL PROSECUTION.

(a) Except as otherwise provided in this section, a prosecution shall be barred unless it is commenced within the following periods after an offense is committed:

- (1) For misdemeanor other than a minor misdemeanor, two years;
- (2) For a minor misdemeanor, six months.

(b) If the period of limitation provided in subsection (a) hereof has expired, prosecution shall be commenced for an offense of which an element is fraud or breach of a fiduciary duty, within one year after discovery of the offense either by an aggrieved person, or by his legal representative who is not himself a party to the offense.

(c) (1) If the period of limitation provided in this section has expired, prosecution shall be commenced for the following offenses during the following specified periods of time:

- A. For an offense involving misconduct in office by a public servant at any time while the accused remains a public servant, or within two years thereafter;
- B. For an offense by a person who is not a public servant but whose offense is directly related to the misconduct in office of a public servant, at any time while that public servant remains a public servant, or within two years thereafter.

(2) As used in this subsection:

- A. An "offense is directly related to the misconduct in office of a public servant" includes, but is not limited to, a violation of Ohio R.C. 101.71, 101.91, 121.61 or 2921.13, division (F) or (H) of Ohio R.C. 102.03, division (A) of Ohio R.C. 2921.02, division (A) or (B) of Ohio R.C. 2921.43, or division (F) or (G) of Ohio R.C. 3517.13, that is directly related to an offense involving misconduct in office of a public servant.
- B. "Public servant" has the same meaning as in Section 525.01.

(d) An offense is committed when every element of the offense occurs. In the case of an offense of which an element is a continuing course of conduct, the period of limitation does not begin to run until such course of conduct or the accused's accountability for it terminates, whichever occurs first.

(e) A prosecution is commenced on the date an indictment is returned or an information filed, or on the date a lawful arrest without a warrant is made, or on the date a warrant, summons, citation or other process is issued, whichever occurs first. A prosecution is not commenced by the return of an indictment or the filing of an information unless reasonable diligence is exercised to issue and execute process on the same. A prosecution is not commenced upon issuance of a warrant, summons, citation or other process, unless reasonable diligence is exercised to execute the same.

(f) The period of limitation shall not run during any time when the corpus delicti remains undiscovered.

(g) The period of limitation shall not run during any time when the accused purposely avoids prosecution. Proof that the accused absented himself from this Municipality or concealed his identity or whereabouts is prima-facie evidence of his purpose to avoid prosecution.

(h) The period of limitation shall not run during any time a prosecution against the accused based on the same conduct is pending in this State, even though the indictment, information or process that commenced the prosecution is quashed or the proceedings on the indictment, information or process are set aside or reversed on appeal.

(i) The period of limitation for a violation of any provision of this General Offenses Code that involves a physical or mental wound, injury, disability or condition of a nature that reasonably indicates abuse or neglect of a child under eighteen years of age or of a child with a developmental disability or physical impairment under twenty-one years of age shall not begin to run until either of the following occurs:

- (1) The victim of the offense reaches the age of majority.
- (2) A public children services agency, or a municipal or county peace officer that is not the parent or guardian of the child, in the county in which the child resides or in which the abuse or neglect is occurring or has occurred has been notified that abuse or neglect is known, suspected, or believed to have occurred. (ORC 2901.13)

(j) This section shall not apply to prosecutions commenced within the period of limitations set forth in Ohio R.C. 718.12(B) for violations of the Municipal income tax ordinance.

501.07 REQUIREMENTS FOR CRIMINAL LIABILITY.

(a) Except as provided in subsection (b) hereof, a person is not guilty of an offense unless both of the following apply:

- (1) The person's liability is based on conduct that includes either a voluntary act, or an omission to perform an act or duty that the person is capable of performing;
- (2) The person has the requisite degree of culpability for each element as to which a culpable mental state is specified by the language defining the offense.

(b) When the language defining an offense does not specify any degree of culpability, and plainly indicates a purpose to impose strict criminal liability for the conduct described in the section, then culpability is not required for a person to be guilty of the offense. The fact that one subsection of a section plainly indicates a purpose to impose strict liability for an offense defined in that subsection does not by itself plainly indicate a purpose to impose strict criminal liability for an offense defined in other subsections of the section that do not specify a degree of culpability.

- (c)
 - (1) When language defining an element of an offense that is related to knowledge or intent or to which mens rea could fairly be applied neither specifies culpability nor plainly indicates a purpose to impose strict liability, the element of the offense is established only if a person acts recklessly.
 - (2) Subsection (c)(1) of this section does not apply to offenses defined in the Traffic Code.
 - (3) Subsection (c)(1) of this section does not relieve the prosecution of the burden of proving the culpable mental state required by any definition incorporated into the offense.

(d) Voluntary intoxication may not be taken into consideration in determining the existence of a mental state that is an element of a criminal offense. Voluntary intoxication does not relieve a person of a duty to act if failure to act constitutes a criminal offense. Evidence that a person was voluntarily intoxicated may be admissible to show whether or not the person was physically capable of performing the act with which the person is charged.

(e) As used in this section:

- (1) Possession is a voluntary act if the possessor knowingly procured or received the thing possessed, or was aware of the possessor's control of the thing possessed for a sufficient time to have ended possession.
- (2) Reflexes, convulsions, body movements during unconsciousness or sleep, and body movements that are not otherwise a product of the actor's volition, are involuntary acts.
- (3) "Culpability" means purpose, knowledge, recklessness or negligence, as defined in Section 501.08.
- (4) "Intoxication" includes, but is not limited to, intoxication resulting from the ingestion of alcohol, a drug, or alcohol and a drug.
(ORC 2901.21)

501.08 CULPABLE MENTAL STATES.

(a) A person acts purposely when it is the person's specific intention to cause a certain result, or when the gist of the offense is a prohibition against conduct of a certain nature, regardless of what the offender intends to accomplish thereby, it is the offender's specific intention to engage in conduct of that nature.

(b) A person acts knowingly, regardless of purpose, when the person is aware that the person's conduct will probably cause a certain result or will probably be of a certain nature. A person has knowledge of circumstances when the person is aware that such circumstances probably exist.

When knowledge of the existence of a particular fact is an element of an offense, such knowledge is established if a person subjectively believes that there is a high probability of its existence and fails to make inquiry or acts with a conscious purpose to avoid learning the fact.

(c) A person acts recklessly when, with heedless indifference to the consequences, the person perversely disregards a substantial and unjustifiable risk that the person's conduct is likely to cause a certain result or is likely to be of a certain nature. A person is reckless with respect to circumstances when, with heedless indifference to the consequences, the person perversely disregards a substantial and unjustifiable risk that such circumstances are likely to exist.

(d) A person acts negligently when, because of a substantial lapse from due care, the person fails to perceive or avoid a risk that the person's conduct may cause a certain result or may be of a certain nature. A person is negligent with respect to circumstances when, because of a substantial lapse from due care, the person fails to perceive or avoid a risk that such circumstances may exist.

(e) When the section defining an offense provides that negligence suffices to establish an element thereof, then recklessness, knowledge or purpose is also sufficient culpability for such element. When recklessness suffices to establish an element of an offense, then knowledge or purpose is also sufficient culpability for such element. When knowledge suffices to establish an element of an offense, then purpose is also sufficient culpability for such element.

(ORC 2901.22)

501.09 ATTEMPT.

(a) No person, purposely or knowingly, and when purpose or knowledge is sufficient culpability for the commission of an offense, shall engage in conduct that, if successful, would constitute or result in the offense.

(b) It is no defense to a charge under this section that, in retrospect, commission of the offense that was the object of the attempt was either factually or legally impossible under the attendant circumstances, if that offense could have been committed had the attendant circumstances been as the actor believed them to be.

(c) No person who is convicted of committing a specific offense or of complicity in the commission of an offense, shall be convicted of an attempt to commit the same offense in violation of this section.

(d) It is an affirmative defense to a charge under this section that the actor abandoned the actor's effort to commit the offense or otherwise prevented its commission, under circumstances manifesting a complete and voluntary renunciation of the actor's criminal purpose.

(e) Whoever violates this section is guilty of an attempt to commit an offense. An attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense is an offense of the same degree as the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt. An attempt to commit any other misdemeanor is a misdemeanor of the next lesser degree than the misdemeanor attempted. In the case of an attempt to commit an offense other than a violation of Ohio R.C. Chapter 3734 that is not specifically classified, an attempt is a misdemeanor of the first degree if the offense attempted is a felony under the Ohio Revised Code, and a misdemeanor of the fourth degree if the offense attempted is a misdemeanor. An attempt to commit a minor misdemeanor is not an offense under this section.

(f) As used in this section, "drug abuse offense" has the same meaning as in Ohio R.C. 2925.01. (ORC 2923.02)

501.10 COMPLICITY.

(a) No person, acting with the kind of culpability required for the commission of an offense, shall do any of the following:

- (1) Solicit or procure another to commit the offense;
- (2) Aid or abet another in committing the offense;
- (3) Cause an innocent or irresponsible person to commit the offense.

(b) It is no defense to a charge under this section that no person with whom the accused was in complicity has been convicted as a principal offender.

(c) No person shall be convicted of complicity under this section unless an offense is actually committed, but a person may be convicted of complicity in an attempt to commit an offense in violation of Section 501.09.

(d) If an alleged accomplice of the defendant testifies against the defendant in a case in which the defendant is charged with complicity in the commission of or an attempt to commit an offense, an attempt to commit an offense or an offense, the court when it charges the jury, shall state substantially the following:

"The testimony of an accomplice does not become inadmissible because of his complicity, moral turpitude or self-interest, but the admitted or claimed complicity of a witness may affect his credibility and make his testimony subject to grave suspicion, and require that it be weighed with great caution.

"It is for you, as jurors, in the light of all the facts presented to you from the witness stand, to evaluate such testimony and to determine its quality and worth or its lack of quality and worth."

(e) It is an affirmative defense to a charge under this section that, prior to the commission of or attempt to commit the offense, the actor terminated his complicity, under circumstances manifesting a complete and voluntary renunciation of his criminal purpose.

(f) Whoever violates this section is guilty of complicity in the commission of an offense, and shall be prosecuted and punished as if he were a principal offender. A charge of complicity may be stated in terms of this section, or in terms of the principal offense. (ORC 2923.03)

501.11 ORGANIZATIONAL CRIMINAL LIABILITY.

(a) An organization may be convicted of an offense under any of the following circumstances:

- (1) The offense is a minor misdemeanor committed by an officer, agent or employee of the organization acting in its behalf and within the scope of the officer's, agent's or employee's office or employment, except that if the section defining the offense designates the officers, agents or employees for whose conduct the organization is accountable or the circumstances under which it is accountable, those provisions shall apply.
- (2) A purpose to impose organizational liability plainly appears in the section defining the offense, and the offense is committed by an officer, agent or employee of the organization acting in its behalf and within the scope of the officer's, agent's or employee's office or employment, except that if the section defining the offense designates the officers, agents or employees for whose conduct the organization is accountable or the circumstances under which it is accountable, those provisions shall apply.
- (3) The offense consists of an omission to discharge a specific duty imposed by law on the organization.
- (4) If, acting with the kind of culpability otherwise required for the commission of the offense, its commission was authorized, requested, commanded, tolerated or performed by the board of directors, trustees, partners or by a high managerial officer, agent or employee acting in behalf of the organization and within the scope of such a board's or person's office or employment.

(b) If strict liability is imposed for the commission of an offense, a purpose to impose organizational liability shall be presumed, unless the contrary plainly appears.

(c) In a prosecution of an organization for an offense other than one for which strict liability is imposed, it is a defense that the high managerial officer, agent or employee having supervisory responsibility over the subject matter of the offense exercised due diligence to prevent its commission. This defense is not available if it plainly appears inconsistent with the purpose of the section defining the offense.

(d) As used in this section, "organization" means a corporation for profit or not for profit, partnership, limited partnership, joint venture, unincorporated nonprofit association, estate, trust or other commercial or legal entity. "Organization" does not include an entity organized as or by a governmental agency for the execution of a governmental program. (ORC 2901.23)

- (1) In the name of the organization or in its behalf, he engages in conduct constituting the offense, or causes another to engage in such conduct, or tolerates such conduct when it is of a type for which he has direct responsibility;
- (2) He has primary responsibility to discharge a duty imposed on the organization by law, and such duty is not discharged.

(b) When a person is convicted of an offense by reason of this section, he is subject to the same penalty as if he had acted in his own behalf. (ORC 2901.24)

501.13 POLICE AND SANITARY REGULATIONS, PARK RULES.

(a) All police and sanitary regulations of the City of Oakwood as they now exist in the form of various codes in the codified ordinances relating to traffic, general offenses, streets and public services and fire prevention, as well as in other miscellaneous ordinances of the City of Oakwood, shall apply to any and all real estate owned by this City beyond its own borders and used for a municipal purpose. In addition, park rules and regulations issued by the City Manager shall apply to all real estate owned by the City and designated by the City Manager as park lands, whether within or beyond the City boundaries. (Ord. 3264. Passed 5-3-82.)

(b) The City of Oakwood may prosecute violations of any such ordinances, rules and regulations occurring on such land beyond its City limits in the Municipal Court of this City. (Ord. 3084. Passed 4-16-79.)

501.14 PAYMENT OF COSTS OF CONFINEMENT.

(a) Any person convicted of a criminal offense (other than a minor misdemeanor) who is confined to jail as a consequence thereof shall reimburse the City for its expenses incurred by reason of his confinement, including but not limited to the expenses relating to the provision of food, clothing, medical care, per diem charges imposed by any other jurisdiction for providing a place of incarceration, and shelter.

(b) The City Attorney is hereby authorized to institute any appropriate civil suit in any court having jurisdiction for recovery of the expenses referred in paragraph (a) above, with the amount of the reimbursement to be determined by the court pursuant to Ohio R.C. 2929.223.

501.99 PENALTIES FOR MISDEMEANORS.

(a) Financial Sanctions. In addition to imposing court costs pursuant to Ohio R.C. 2947.23, the court imposing a sentence upon an offender for a misdemeanor committed under the Codified Ordinances, including a minor misdemeanor, may sentence the offender to any financial sanction or combination of financial sanctions authorized under this section. If the court in its discretion imposes one or more financial sanctions, the financial sanctions that may be imposed pursuant to this section include, but are not limited to, the following:

- (1) Restitution. Unless the misdemeanor offense is a minor misdemeanor or could be disposed of by the traffic violations bureau serving the court under Traffic Rule 13, restitution by the offender to the victim of the offender's crime or any survivor of the victim, in an amount based on the victim's economic loss. The court may not impose restitution as a sanction pursuant to this section if the offense is a minor misdemeanor or could be disposed of by the traffic violations bureau serving the court under Traffic Rule 13. If the court requires restitution, the court shall order that the restitution be made to the victim in open court or to the adult probation department that serves the jurisdiction or the clerk of the court on behalf of the victim.

If the court imposes restitution, the court shall determine the amount of restitution to be paid by the offender. If the court imposes restitution, the court may base the amount of restitution it orders on an amount recommended by the victim, the offender, a presentence investigation report, estimates or receipts indicating the cost of repairing or replacing property, and other information, provided that the amount the court orders as restitution shall not exceed the amount of the economic loss suffered by the victim as a direct and proximate result of the commission of the offense. If the court decides to impose restitution, the court shall hold an evidentiary hearing on restitution if the offender, victim or survivor disputes the amount of restitution. If the court holds an evidentiary hearing, at the hearing the victim or survivor has the burden to prove by a preponderance of the evidence the amount of restitution sought from the offender.

All restitution payments shall be credited against any recovery of economic loss in a civil action brought by the victim or any survivor of the victim against the offender. No person may introduce evidence of an award of restitution under this section in a civil action for purposes of imposing liability against an insurer under Ohio R.C. 3937.18.

If the court imposes restitution, the court may order that the offender pay a surcharge, of not more than five per cent of the amount of the restitution otherwise ordered, to the entity responsible for collecting and processing restitution payments.

The victim or survivor may request that the prosecutor in the case file a motion, or the offender may file a motion, for modification of the payment terms of any restitution ordered. If the court grants the motion, it may modify the payment terms as it determines appropriate.

- (2) Fines. A fine in the following amount:
- A. For a misdemeanor of the first degree, not more than one thousand dollars (\$1,000);
 - B. For a misdemeanor of the second degree, not more than seven hundred fifty dollars (\$750.00);
 - C. For a misdemeanor of the third degree, not more than five hundred dollars (\$500.00);

- D. For a misdemeanor of the fourth degree, not more than two hundred fifty dollars (\$250.00);
 - E. For a minor misdemeanor, not more than one hundred fifty dollars (\$150.00).
- (3) Reimbursement of costs of sanctions.
- A. Reimbursement by the offender of any or all of the costs of sanctions incurred by the government, including, but not limited to, the following:
 - 1. All or part of the costs of implementing any community control sanction, including a supervision fee under Ohio R.C. 2951.021;
 - 2. All or part of the costs of confinement in a jail or other residential facility, including, but not limited to, a per diem fee for room and board, the costs of medical and dental treatment, and the costs of repairing property damaged by the offender while confined.
 - B. The amount of reimbursement ordered under subsection (a)(3)A. of this section shall not exceed the total amount of reimbursement the offender is able to pay and shall not exceed the actual cost of the sanctions. The court may collect any amount of reimbursement the offender is required to pay under that subsection. If the court does not order reimbursement under that subsection, confinement costs may be assessed pursuant to a repayment policy adopted under Ohio R.C. 2929.37. In addition, the offender may be required to pay the fees specified in Ohio R.C. 2929.38 in accordance with that section.
(ORC 2929.28)
- (b) Jail Terms.
- (1) Except as provided in Ohio R.C. 2929.22 or 2929.23 of the Revised Code, and unless another term is required or authorized pursuant to law, if the sentencing court imposing a sentence upon an offender for a misdemeanor elects or is required to impose a jail term on the offender pursuant to this General Offenses Code, the court shall impose a definite jail term that shall be one of the following:
 - A. For a misdemeanor of the first degree, not more than one hundred eighty days;
 - B. For a misdemeanor of the second degree, not more than ninety days;
 - C. For a misdemeanor of the third degree, not more than sixty days;
 - D. For a misdemeanor of the fourth degree, not more than thirty days.
 - (2) A. A court that sentences an offender to a jail term under this section may permit the offender to serve the sentence in intermittent confinement or may authorize a limited release of the offender as provided in Ohio R.C. 2929.26(B). The court retains jurisdiction over every offender sentenced to jail to modify the jail sentence imposed at any time, but the court shall not reduce any mandatory jail term.
 - B. 1. If a prosecutor, as defined in Ohio R.C. 2935.01, has filed a notice with the court that the prosecutor wants to be notified about a particular case and if the court is considering modifying the jail sentence of the offender in that case, the court shall notify the prosecutor that the court is considering modifying the jail sentence of the offender in

- that case. The prosecutor may request a hearing regarding the court's consideration of modifying the jail sentence of the offender in that case, and, if the prosecutor requests a hearing, the court shall notify the eligible offender of the hearing.
2. If the prosecutor requests a hearing regarding the court's consideration of modifying the jail sentence of the offender in that case, the court shall hold the hearing before considering whether or not to release the offender from the offender's jail sentence.
- (3) If a court sentences an offender to a jail term under this section and the court assigns the offender to a county jail that has established a county jail industry program pursuant to Ohio R.C. 5147.30, the court shall specify, as part of the sentence, whether the offender may be considered for participation in the program. During the offender's term in the county jail, the court retains jurisdiction to modify its specification regarding the offender's participation in the county jail industry program.
 - (4) If a person is sentenced to a jail term pursuant to this section, the court may impose as part of the sentence pursuant to Ohio R.C. 2929.28 a reimbursement sanction, and, if the local detention facility in which the term is to be served is covered by a policy adopted pursuant to Ohio R.C. 307.93, 341.14, 341.19, 341.21, 341.23, 753.02, 753.04, 753.16, 2301.56, or 2947.19 and Ohio R.C. 2929.37, both of the following apply:
 - A. The court shall specify both of the following as part of the sentence:
 1. If the person is presented with an itemized bill pursuant to Ohio R.C. 2929.37 for payment of the costs of confinement, the person is required to pay the bill in accordance with that section.
 2. If the person does not dispute the bill described in subsection (b)(4)A.1. of this section and does not pay the bill by the times specified in Ohio R.C. 2929.37, the clerk of the court may issue a certificate of judgment against the person as described in that section.
 - B. The sentence automatically includes any certificate of judgment issued as described in subsection (b)(4)A.2. of this section.
(ORC 2929.24)

- (2) When an organization is convicted of an offense that is not specifically classified, and the penalty provided includes a higher fine than the fine that is provided in this subsection (c), then the penalty imposed shall be pursuant to the penalty provided for the violation of the section defining the offense.
- (3) This subsection (c) does not prevent the imposition of available civil sanctions against an organization convicted of an offense pursuant to Section 501.11, either in addition to or in lieu of a fine imposed pursuant to this subsection (c).

513.01 FINDINGS; INTENT; SCOPE.

(a) Medical studies have conclusively shown that smoking and exposure to secondhand smoke from smoking causes illness and disease, including lung cancer, heart disease, and respiratory illness. Smoking has been declared by the state legislature, pursuant to Ohio R.C. Chapter 3794, to be a statewide concern and therefore, it is in the best interests of public health that smoking be prohibited and/or restricted on property owned or under the control of the City. Pursuant to Ohio R.C. 3794.01 et seq., there is now a uniform state-wide minimum standard to protect people from the health hazards associated with exposure to secondhand smoke from smoking. It is the intent of this chapter to make air safer to breathe on all property owned or under the control of the City by banning smoking outdoors on all such property except at specifically designated smoking areas as may be provided herein.

(b) The provisions of this chapter shall be liberally construed so as to further its purpose of protecting public health and shall prevail over any less restrictive State or local laws or regulations. Nothing in this chapter shall be construed to permit smoking where it is otherwise prohibited by other laws or regulations.

(c) Pursuant to Ohio R.C. 3794.05, the City hereby declares any public outdoor place, as defined herein, which is owned and/or controlled by the City and not otherwise qualifying as a nonsmoking place under Ohio R.C. Chapter 3794, to be a nonsmoking place, except areas specifically designated as smoking areas by the City Manager.
(Ord. 4792. Passed 11-3-14.)

- (3) If the property is not covered under subsection (a)(1) hereof, and the physical harm is such that the property cannot be restored substantially to its former condition, the value of the property, in the case of personal property, is the cost of replacing the property with new property of like kind and quality, and in the case of real property or real property fixtures, is the difference in the fair market value of the property immediately before and immediately after the offense.
- (b) As used in this section, "fair market value" has the same meaning as in Section 545.02(c)(3).

545.02 DETERMINING PROPERTY VALUE IN THEFT OFFENSE.

(a) If more than one item of property or service is involved in a theft offense, the value of the property or services involved for the purpose of determining the value is the aggregate value of all property or services involved in the offense.

- (b) (1) When a series of offenses under Section 545.05, or a series of violations of, attempts to commit a violation of, conspiracies to violate, or complicity in violations of Section 545.05, 545.06, or 545.08, 545.10(b)(1) or (2), or Section 545.15 or 545.20 involving a victim who is an elderly person or disabled adult, is committed by the offender in the offender’s same employment, capacity, or relationship to another, all of those offenses shall be tried as a single offense. When a series of offenses under Section 545.05, or a series of violations of, attempts to commit a violation of, conspiracies to violate, or complicity in violations of Sections 545.05 or 545.15 involving a victim who is an active duty service member or spouse of an active duty service member is committed by the offender in the offender’s same employment, capacity or relationship to another, all of those offenses shall be tried as a single offense. The value of the property or services involved in the series of offenses for the purpose of determining the value is the aggregate value of all property and services involved in all offenses in the series.
- (2) If an offender commits a series of offenses under Section 545.05 that involves a common course of conduct to defraud multiple victims, all of the offenses may be tried as a single offense. If an offender is being tried for the commission of a series of violations of, attempts to commit a violation of, conspiracies to violate, or complicity in violations of Section 545.05, 545.06 or 545.08, Section 545.10(b)(1) or (2), or Section 545.15 or 545.20, whether committed against one victim or more than one victim, involving a victim who is an elderly person or disabled adult, pursuant to a scheme or course of conduct, all of those offenses may be tried as a single offense. If the offender is being tried for the commission of a series of violations of, attempts to commit a violation of, conspiracies to violate, or complicity in violations of Section 545.05 or 545.15, whether committed against one victim or more than one victim, involving a victim who is an active duty service member or spouse of an active duty service member pursuant to a scheme or course of conduct, all of those offenses may be tried as a single offense. If the offenses are tried as a single offense, the value of the property or services involved for the purpose of determining the value is the aggregate value of all property and services involved in all of the offenses in the course of conduct.

- (3) In prosecuting a single offense under subsection (b)(1) or (2), it is not necessary to separately allege and prove each offense in the series. Rather, it is sufficient to allege and prove that the offender, within a given span of time, committed one or more theft offenses in the offender's same employment, capacity, or relationship to another as described in subsection (b)(1) of this section or that involve a common course of conduct to defraud multiple victims or a scheme or course of conduct as described in subsection (b)(2) of this section. While it is not necessary to separately allege and prove each offense in the series in order to prosecute a single offense under subsection (b)(1) or (2) hereof, it remains necessary in prosecuting them as a single offense to prove the aggregate value of the property or services in order to meet the requisite statutory offense level sought by the prosecution.
- (c) The following criteria shall be used in determining the value of property or services involved in a theft offense:
 - (1) The value of an heirloom, memento, collector's item, antique, museum piece, manuscript, document, record or other thing that has intrinsic worth to its owner and that is either irreplaceable or is replaceable only on the expenditure of substantial time, effort or money, is the amount that would compensate the owner for its loss.
 - (2) The value of personal effects and household goods, and of materials, supplies, equipment and fixtures used in the profession, business, trade, occupation or avocation of its owner, which property is not covered under subsection (c)(1) hereof, and which retains substantial utility for its purpose regardless of its age or condition, is the cost of replacing the property with new property of like kind and quality.
 - (3) The value of any real or personal property that is not covered under subsections (c)(1) or (2) hereof, and the value of services, is the fair market value of the property or services. As used in this section, "fair market value" is the money consideration that a buyer would give and a seller would accept for property or services, assuming that the buyer is willing to buy and the seller is willing to sell, that both are fully informed as to all facts material to the transaction, and that neither is under any compulsion to act.
- (d) Without limitation on the evidence that may be used to establish the value of property or services involved in a theft offense:
 - (1) When the property involved is personal property held for sale at wholesale or retail, the price at which the property was held for sale is prima-facie evidence of its value.
 - (2) When the property involved is a security or commodity traded on an exchange, the closing price or, if there is no closing price, the asked price, given in the latest market quotation prior to the offense, is prima-facie evidence of the value of the security or commodity.
 - (3) When the property involved is livestock, poultry or raw agricultural products for which a local market price is available, the latest local market price prior to the offense is prima-facie evidence of the value of the livestock, poultry or products.
 - (4) When the property involved is a negotiable instrument, the face value is prima-facie evidence of the value of the instrument.

- (5) When the property involved is a warehouse receipt, bill of lading, pawn ticket, claim check or other instrument entitling the holder or bearer to receive property, the face value or, if there is no face value, the value of the property covered by the instrument less any payment necessary to receive the property, is prima-facie evidence of the value of the instrument.
- (6) When the property involved is a ticket of admission, ticket for transportation, coupon, token or other instrument entitling the holder or bearer to receive property or services, the face value or, if there is no face value, the value of the property or services that may be received by the instrument, is prima-facie evidence of the value of the instrument.
- (7) When the services involved are gas, electricity, water, telephone, transportation, shipping or other services for which the rate is established by law, the duly established rate is prima-facie evidence of the value of the services.
- (8) When the services involved are services for which the rate is not established by law, and the offender has been notified prior to the offense of the rate for the services, either in writing or orally, or by posting in a manner reasonably calculated to come to the attention of potential offenders, the rate contained in the notice is prima-facie evidence of the value of the services. (ORC 2913.61)

545.03 PROPERTY EXCEPTIONS AS FELONY OFFENSE.

Regardless of the value of the property involved, and regardless of whether the offender has previously been convicted of a theft offense, the provisions of Section 545.05 or 545.18 do not apply if the property involved is any of the following:

- (a) A credit card;
- (b) A printed form for a check or other negotiable instrument, that on its face identifies the drawer or maker for whose use it is designed or identifies the account on which it is to be drawn, and that has not been executed by the drawer or maker or on which the amount is blank;

- (2) That the nature area will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, and that the nature area will not substantially diminish or impair property values within the neighborhood; and
- (3) That the establishment of the nature area will not impede the normal and orderly development and improvement of the surrounding property for uses permitted as to such property.

(b) Appeal of the City Manager's Decision. If dissatisfied with a decision of the City Manager to designate or not designate particular land as a nature area, a party may appeal the decision to the General Appeals Board established under Chapter 169 of the Codified Ordinances of the City. - (3) Upon receipt of a timely notice of appeal, the Building Commissioner shall schedule a date for a public hearing thereon before the General Appeals Board. The Building Commissioner shall give written notice of the appeal and of public hearing on that appeal to the applicant and to each owner of real property within 200 feet of the lot on which the nature area, or the desired nature area, is or is proposed to be located. For the applicant, notice of the public hearing shall be sent by ordinary US mail to the address set forth on the notice of appeal. For all other parties entitled to notice of the public hearing, it shall be sufficient to provide notice by ordinary US mail addressed to the party's then-current tax mailing address on file with the Montgomery County Auditor, or by any other method reasonably calculated to reach the intended recipient.

On or about April 15 of each calendar year, or sooner or later as warranted by weather conditions and vegetation growth, the City Manager shall cause a notice to appear in a newspaper of general circulation in the City, informing the property owners within the City of the requirements contained in Section 551.01. The notice shall contain the following information:

- (1) All properties within the City of Oakwood must be maintained in accordance with Section 551.01 of the Codified Ordinances of the City of Oakwood, which prohibits grass or weed growth in excess of eight inches.
- (2) Should the owner of any property fail to comply with Section 551.01, the City will cause the weeds or grass to be cut at the owner's expense.
- (3) The City will invoice the owner for all costs thereof, including administrative costs, and if unpaid, will place a lien on the property for the amount owed in accordance with Ohio R.C.731.54.
- (4) Contact information for the appropriate City department.

(b) Placard. Upon verification that those weeds and/or grass described in Sections 551.01 or 551.02 exist, the City Manager or his designee shall conspicuously post a placard on the front door or in the front yard of the property for a period of five (5) calendar days. The placard shall be of a size, shape and color so as to be clearly visible and shall contain the following information:

- (1) The nature of the Code violation;
- (2) An order to cut the weeds or grass within five (5) calendar days;
- (3) A statement indicating that should the property owner fail to comply with the order, the City will cause the weeds or grass to be cut at the owner's expense, and the City will place a lien on the property for the amount owed in accordance with Ohio R.C. 731.54;
- (4) The penalties provided for removing the placard before bringing the property into compliance; and
- (5) Contact information of the appropriate City department.

(c) A placard, once posted, shall remain on the property until the property is brought into compliance with Section 551.02. Removal of the placard before the property complies with Section 551.02 shall constitute a minor misdemeanor.

(d) Only one written, published notice shall be made to the public each growing season, as described in Section 551.03(a). It shall be the responsibility of each owner or any person, firm or corporation having the care of or in charge of any lot of land within the City to maintain the property thereafter in accordance with Section 551.02.

(Ord. 4769. Passed 5-6-13.)

551.04 FAILURE TO COMPLY WITH NOTICE.

(a) If the owner, occupant, or other person or entity having charge or care of any lot or land within the City fails to comply with the notice provided for in Section 551.03(a), and fails to remedy such non-compliance during the 5-day period following the posting of a placard upon such lot or land pursuant to Section 551.03(b), the City shall cut the weeds or grass to bring that lot or land into compliance with this Chapter, at the expense of the owner(s) thereof.

(b) The City may, in its sole discretion, undertake such weed removal and/or grass cutting by its own employees or through an independent contractor. In calculating the expense to be charged to an owner of property under Section 551.04(a), chargeable expenses shall include all expenses actually incurred in removing weeds and/or cutting grass at such lot or land, including, without limitation, charges for the use of direct labor and administrative City employees, charges for equipment, fuel, and the like, and any independent contractor costs that may be incurred, all of which shall be assessed against said lot or land.
(Ord. 4769. Passed 5-6-13.)

551.05 COLLECTION OF COSTS.

(a) Written notice of assessment shall be served by the City Manager or his designee upon the owner(s) of the lot or land by ordinary US mail, addressed to the then-current tax mailing address of the owner(s) then on file with the Montgomery County Auditor, and shall be effective upon mailing. In the event that the notice is returned as undeliverable, a City representative may make service by posting the notice upon the assessed premises, and shall make a return thereof. The amount of the assessment shall be paid and delivered to the City within ten (10) calendar days after service of the notice is perfected by mailing or posting.

(b) If the City has not received full payment of the assessment within those ten (10) calendar days, the City shall make a written return or certification to the Montgomery County Auditor of the amount of the unpaid assessment, including with that certification a proper description of the premises. The assessed amount shall be entered upon the tax duplicate and shall be a lien upon such land from and after the date of the entry and shall be collected as other taxes and returned to the City with the General Fund.

(c) Nothing in this Section 551.05 shall be construed to require the City to make separate assessments or issue separate notices of assessment or certifications to the Montgomery County Auditor for each weed removal or grass cutting that may occur with respect to any particular property. In the case of vacant properties or other lots or lands that may incur multiple assessments within a single growing season, the City may elect to combine assessments, notices of assessment, and/or certifications to the Montgomery County Auditor with respect to any particular property, in monthly or other convenient intervals, so long as each assessment is separately itemized.
(Ord. 4769. Passed 5-6-13.)
