

## Friends of Smith Gardens Legacy Paver Project

The Friends of Smith Gardens are thrilled to continue the Legacy Paver Project that was started in 2014 as a part of the fortieth anniversary celebration.

Through the Legacy Paver Project we were able to repave the patio around the garden house and entrance with beautiful personalized bricks. We were thrilled with the results and would like to invite you to order your own personalized, engraved brick to be permanently displayed in Smith Gardens. By securing one of our beautifully engraved bricks, you are ensuring that Smith Gardens will continue to be one of Ohio's finest public gardens, the scene of weddings, community gatherings such as our popular blanket concert series and many other events.

This is your opportunity to leave a lasting legacy and be an integral part of this lovely garden! Individual brick pavers can be purchased in honor of or in recognition of a friend or family member or to celebrate an anniversary or special occasion.

If you would like a 4" x 4" replica tile with the same inscription as your brick for your home or as a gift, you can purchase one for \$15.

If you have already purchased a brick, we thank you for your support!

- There are three sizes of bricks to choose from:
- 4" x 8" with 1-3 lines of engraving = \$ 50  
(185150-) (18-20 spaces per line)
  - 8" x 8" with 1-6 lines of engraving = \$100  
(185151-) (18-20 spaces per line)
  - 12" x 12" with 1-8 lines of engraving = \$250
