NO. \_\_\_\_\_

AMENDING SECTION 375.10, *SHARED MOBILITY DEVICES*, OF THE OAKWOOD TRAFFIC CODE TO MAKE PERMANENT A BAN ON THE USE OF SHARED MOBILITY DEVICES, INCLUDING THE PLACEMENT OR OPERATION THEREOF IN ANY PUBLIC RIGHT-OF-WAY OR ON PUBLIC PROPERTY, AND OFFERING THE SAME FOR USE ANYWHERE IN THE CITY.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF OAKWOOD, STATE OF OHIO, THAT:

Section I.

Dockless electric scooters and bicycles, available to be rented on demand from unstaffed locations, have arrived in many cities suddenly and unexpectedly, and have since proliferated rapidly. These shared mobility devices are largely unregulated. They exist in a kind of legal limbo where, despite some level of public demand, they cannot be used legally on sidewalks due to their status as “motor vehicles” under state law nor can they be used legally on streets due to equipment limitations and the lack of adequate mechanisms for titling, registering, and insuring them. As a result, there are several lawsuits pending around the nation and the Ohio General Assembly and a number of other state legislatures are considering possible frameworks for regulation of shared mobility devices.

Until the General Assembly determines a path forward for our state, the problems inherent with shared mobility devices must be addressed by local government. In cities where shared mobility devices are available, they are frequently abandoned by users in streets, sidewalks, and other public places, creating visual clutter and serious safety concerns, especially for the most vulnerable pedestrians. Moreover, due to the spontaneous nature of these rentals and their appeal to young people, shared mobility devices are nearly always operated by users—often minors—without helmets.

For the immediate preservation of the public peace, health, and safety, Council previously enacted a moratorium to address the hazards posed by shared mobility devices placed in and operated on public property, with the intent to revisit the issue in one year when the legal landscape may have become more firmly settled. However, no state regulation has been forthcoming, and Council now seeks to make its previous one-year moratorium permanent.

Section II.

Section 375.10, *Shared Mobility Devices*, of the Oakwood Traffic Code, is hereby amended to read as follows, with new text in **bold** font and deleted text in ~~strikethrough~~ font.:

Sec. 375.10 SHARED MOBILITY DEVICES

- A. Purpose. The purpose of this chapter is to prohibit Shared Mobility Devices from being placed in the public right-of-way or on public property, operated in the public right-of-way or on public property, or offered for use anywhere in the City, so as to allow for adequate vehicle and pedestrian traffic flow and to promote public safety.
- B. Definition. For purposes of this chapter, “Shared Mobility Device” means any wheeled device, other than an automobile or motorcycle, that is powered by a motor; is accessed via an on-demand portal, whether a smartphone application, membership card, or similar method; is operated by a private entity that owns, manages, and maintains devices for shared use by members of the public; and is available to members of the public in unstaffed, self-service locations.
- C. Prohibitions.
  - 1. No person shall park, leave standing, leave lying, abandon, or otherwise place a shared mobility device in a public right-of-way or on public property anywhere within the City.
  - 2. No person shall operate a shared mobility device in a public right-of-way or on public property anywhere within the City.
  - 3. No person shall provide or offer for use a shared mobility device anywhere within the City.

D. Violations.

1. Violation of this Section shall be punishable as an unclassified misdemeanor. In addition, any violation of Section 375.10(C)(3) shall constitute a public nuisance, and the Law Director is authorized to file for injunctive and/or other relief on the city's behalf as necessary to abate the nuisance.
2. Public Safety Officers, Code Enforcement Officers, other city officials designated by the City Manager, and any party contracted by the City to specifically impound shared mobility devices are authorized to impound any shared mobility device that has been offered for use, placed in a public right-of-way or on public property, or operated in a public right-of-way or on public property in violation of this Section. Impounded devices shall be subject to impound and storage fees established by the City Manager in the same manner as other city fees.

~~E. Sunset Provision. This Section shall remain in full force and effect until August 14, 2020, at which time it shall become ineffective and shall be removed from the Codified Ordinances of the city of Oakwood, Ohio, unless Council acts to readopt or otherwise continue the provisions herein.~~

Section III.

If any section, subsection, subdivision, sentence, clause, phrase, or portion of this ordinance or the application thereof to any person or place, is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, the remainder of this ordinance shall be and remain in full force and effect.

Section IV.

This ordinance shall be and remain in force from and after the earliest date permitted by law.

PASSED BY COUNCIL OF THE CITY OF OAKWOOD, this \_\_\_\_\_ day of \_\_\_\_\_, 2020.

A RESOLUTION

BY: \_\_\_\_\_ NO. \_\_\_\_\_

AUTHORIZING THE BUILDING COMMISSIONER TO GRANT REASONABLE EXTENSIONS OF ZONING CERTIFICATES DURING THE COVID-19 PANDEMIC.

WHEREAS, on March 9, 2020, the Governor declared a State of Emergency in Executive Order 2020-01D relating to a global pandemic involving Covid-19, a novel coronavirus; and

WHEREAS, the Ohio Department of Health subsequently issued a number of orders drastically limiting commercial and non-commercial activity in the state of Ohio; and

WHEREAS, on April 30, 2020, the Ohio Department of Health issued a Director's Order that began reopening businesses, with exceptions, through a process known as "Responsible RestartOhio;" and

WHEREAS, the Responsible RestartOhio process remains underway, but due to disruptions in supply chains within Ohio, nationally, and globally, there are material shortages affecting the building and construction industries in Ohio; and

WHEREAS, social distancing requirements and other issues relating to public health have impacted the labor force and the ability for contractors to perform work in an efficient and effective manner; and

WHEREAS, Section 1009 of the Oakwood Zoning Code provides for the issuance of zoning certificates to authorize certain building or remodeling projects in Oakwood, and specifies that the certificate will lapse and become null and void six (6) months after issuance if construction has not commenced; and

WHEREAS, Council is concerned that delays due to material shortages and labor issues may cause zoning certificates to lapse and become null and void, despite a property owner's diligence in pursuing an approved project, and wishes to authorize the Building Commissioner to grant reasonable extensions thereof to avoid unnecessary hardship for Oakwood property owners; and

WHEREAS, the Constitution of the State of Ohio, in Article XVIII, Section 3, grants municipalities the authority to exercise all powers of local self-government and to enforce local police, sanitary, and other similar regulations as are not in conflict with the general laws; and

WHEREAS, pursuant to this constitutional home rule authority, the people of the city of Oakwood, Ohio, have adopted a Charter and Codified Ordinances to exercise the powers of local self-government and enforce local police power regulations; and

WHEREAS, consistent with its home rule authority, and in order for the city of Oakwood to directly assist property owners in this uncertain time, Council finds it appropriate to temporarily authorize the Building Commissioner to issue extensions of zoning certificates;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF OAKWOOD, MONTGOMERY COUNTY, OHIO, THAT:

SECTION I.

The Building Commissioner is hereby authorized to issue extensions of zoning certificates issued pursuant to Section 1009 of the Oakwood Zoning Code. An extension issued hereunder shall not extend more than six (6) months beyond the original expiration of a zoning certificate.

SECTION II.

In exercising the authority granted by Section I, the Building Commissioner may develop application forms, extension letters, and other documents as needed, and shall develop criteria for evaluating extension requests in an objective, uniform manner that recognizes the realities of

the current state of emergency and its impact on the construction and building industries, while minimizing disruption and protecting Oakwood's neighborhoods from unreasonable delay.

SECTION III.

Recognizing that material shortages and labor issues may continue beyond the period of declared emergency, this resolution and the authority granted herein shall be in effect for a period of twelve (12) months from the date of its approval, unless terminated earlier or extended by action of Council.

SECTION IV.

Any provision within this resolution which conflicts with any State or Federal law or constitutional provision or conflicts with or is superseded by any Executive Order of the Governor of the State of Ohio or President of the United States shall be deemed inapplicable and deemed severed from this Resolution with the remainder of the Resolution remaining in full force and effect.

SECTION V.

Council hereby finds and determines that all formal actions taken relative to the passage of this resolution were taken in an open meeting of this legislative authority, and that all deliberations of this legislative authority and of its committees, if any, which resulted in formal action were taken in meetings open to the public, in full compliance with applicable legal requirements, included Section 121.22 of the Ohio Revised Code.

SECTION VII.

This resolution shall become effective immediately upon passage.
