Benefits will remain in force until the earliest of: the date you are no longer disabled, the date the policy terminates, the date you are Disabled for 6 consecutive months, or the day after the last period for which premiums are paid. You are considered disabled if, because of injury or sickness, you are unable to perform all the material duties of your Regular Occupation, or you are receiving disability benefits under your Employer’s plan.

Waiver of Premium – If you become Disabled prior to age 60, you won’t need to pay premiums for your life insurance coverage, provided we/the Insurance Company determine(s) you are Disabled. “Disabled” for this coverage means, because of injury or sickness, you are unable to perform the material duties of your regular occupation, or are receiving disability benefits under a program sponsored by your employer, for the first 12 months after your Disability began. Thereafter, you must be unable to perform the material duties of any occupation that you are or may reasonably become qualified based on your education, training or experience. If you qualify for this coverage and have insured your spouse or children, the insurance company will also waive their premium if applicable. After premiums have been waived for 12 months, they will be waived for future periods of 12 months if you remain Disabled. This benefit will remain active until age 65 subject to proof of continuing disability each year.

Accelerated Death Benefit – Terminal Illness – if two unaffiliated doctors diagnose you or your spouse as terminally ill while the coverage is active, with a life expectancy of 12 months or less, the benefit for Terminal Illness provides up to:

Spouse: 75% of your Term Life Insurance coverage amount or \$750, whichever is less.

Conversion – To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends.

Important Definitions and Policy Provisions:

When Your Coverage Begins and Ends – Coverage becomes effective on the later of the program’s effective date, the date you become eligible, the date your enrollment elections are received if applicable, or the date you authorize any necessary payroll deductions if applicable. Your coverage will not begin unless you are actively at work on the effective date. Dependent coverage, if applicable, will not begin for any spouse or child who on the effective date is an inpatient in a facility or is home confined and under the care of a physician. Coverage will end on the earliest of the date you are eligible for coverage under a plan intended to replace this coverage, you or your dependents if applicable, are no longer eligible, the group policy is no longer in force, or required premiums are not paid.

Benefit Reductions, Exclusions and Limitations:

Benefit Reduction Schedule - If you are still employed, your benefits will reduce to 50% at age 70.

Limitations - The Accelerated Death Benefit is payable only once. Using this benefit reduces the life insurance death benefit. The amount payable under the Accelerated Death Benefit may be reduced by the amount of other benefits already paid to the insured under the policy. See your certificate for details.

THIS POLICY PROVIDES LIMITED COVERAGE. IT PAYS A FIXED BENEFIT AND DOES NOT COVER MEDICAL EXPENSES AS INCURRED. THIS IS NOT A SUBSTITUTE FOR COMPREHENSIVE OR MAJOR MEDICAL HEALTH INSURANCE. THIS COVERAGE DOES NOT SATISFY THE INDIVIDUAL MANDATE OF THE AFFORDABLE CARE ACT BECAUSE THE COVERAGE DOES NOT MEET THE REQUIREMENTS OF MINIMUM ESSENTIAL COVERAGE.

Eligibility:

All Active, Part-time Job Share Employees in Bargaining Unit 1, 3 and 4 working a minimum of 20 hours per week.

Employee: You will be eligible for coverage immediately.

Available Coverage:

	Benefit Amount	Maximum	Guaranteed Issue Amount
Employee	\$37,500	\$37,500	\$37,500

Additional Features:

Continuation of Disability – If your active service ends due to disability, at age 60 or over, your life insurance coverage will continue while you are disabled. Benefits will remain in force until the earliest of: the date you are no longer disabled, the date the policy terminates, the date you are Disabled for 6 consecutive months, or the day after the last period for which premiums are paid. You are considered disabled if, because of injury or sickness, you are unable to perform all the material duties of your Regular Occupation, or you are receiving disability benefits under your Employer’s plan.

Waiver of Premium – If you become Disabled prior to age 60, you won’t need to pay premiums for your life insurance coverage, provided we/the Insurance Company determine(s) you are Disabled. “Disabled” for this coverage means, because of injury or sickness, you are unable to perform the material duties of your regular occupation, or are receiving disability benefits under a program sponsored by your employer, for the first 12 months after your Disability began. Thereafter, you must be unable to perform the material duties of any occupation that you are or may reasonably become qualified based on your education, training or experience. If you qualify for this coverage and have insured your spouse or children, the insurance company will also waive their premium if applicable. After premiums have been waived for 12 months, they will be waived for future periods of 12 months if you remain Disabled. This benefit will remain active until age 65 subject to proof of continuing disability each year.

Conversion – To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends.

Important Definitions and Policy Provisions:

When Your Coverage Begins and Ends – Coverage becomes effective on the later of the program’s effective date, the date you become eligible, the date your enrollment elections are received if applicable, or the date you authorize any necessary payroll deductions if applicable. Your coverage will not begin unless you are actively at work on the effective date. Dependent coverage, if applicable, will not begin for any spouse or child who on the effective date is an inpatient in a facility or is home confined and under the care of a physician. Coverage will end on the earliest of the date you are eligible for coverage under a plan intended to replace this coverage, you or your dependents if applicable, are no longer eligible, the group policy is no longer in force, or required premiums are not paid.

Benefit Reductions, Exclusions and Limitations:

Benefit Reduction Schedule - If you are still employed, your benefits will reduce to 50% at age 70.

Limitations - The Accelerated Death Benefit is payable only once. Using this benefit reduces the life insurance death benefit. The amount payable under the Accelerated Death Benefit may be reduced by the amount of other benefits already paid to the insured under the policy. See your certificate for details.

THIS POLICY PROVIDES LIMITED COVERAGE. IT PAYS A FIXED BENEFIT AND DOES NOT COVER MEDICAL EXPENSES AS INCURRED. THIS IS NOT A SUBSTITUTE FOR COMPREHENSIVE OR MAJOR MEDICAL HEALTH INSURANCE. THIS COVERAGE DOES NOT SATISFY THE INDIVIDUAL MANDATE OF THE AFFORDABLE CARE ACT BECAUSE THE COVERAGE DOES NOT MEET THE REQUIREMENTS OF MINIMUM ESSENTIAL COVERAGE.

Benefits will remain in force until the earliest of: the date you are no longer disabled, the date the policy terminates, the date you are Disabled for 6 consecutive months, or the day after the last period for which premiums are paid. You are considered disabled if, because of injury or sickness, you are unable to perform all the material duties of your Regular Occupation, or you are receiving disability benefits under your Employer’s plan.

Waiver of Premium – If you become Disabled prior to age 60, you won’t need to pay premiums for your life insurance coverage, provided we/the Insurance Company determine(s) you are Disabled. “Disabled” for this coverage means, because of injury or sickness, you are unable to perform the material duties of your regular occupation, or are receiving disability benefits under a program sponsored by your employer, for the first 12 months after your Disability began. Thereafter, you must be unable to perform the material duties of any occupation that you are or may reasonably become qualified based on your education, training or experience. If you qualify for this coverage and have insured your spouse or children, the insurance company will also waive their premium if applicable. After premiums have been waived for 12 months, they will be waived for future periods of 12 months if you remain Disabled. This benefit will remain active until age 65 subject to proof of continuing disability each year.

Accelerated Death Benefit – Terminal Illness – if two unaffiliated doctors diagnose you as terminally ill while the coverage is active, with a life expectancy of 12 months or less, the benefit for Terminal Illness provides up to:

Employee: 75% of your Term Life Insurance coverage amount or \$100,000, whichever is less.

Conversion – To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends.

Important Definitions and Policy Provisions:

When Your Coverage Begins and Ends – Coverage becomes effective on the later of the program’s effective date, the date you become eligible, the date your enrollment elections are received if applicable, or the date you authorize any necessary payroll deductions if applicable. Your coverage will not begin unless you are actively at work on the effective date. Dependent coverage, if applicable, will not begin for any spouse or child who on the effective date is an inpatient in a facility or is home confined and under the care of a physician. Coverage will end on the earliest of the date you are eligible for coverage under a plan intended to replace this coverage, you or your dependents if applicable, are no longer eligible, the group policy is no longer in force, or required premiums are not paid.

Benefit Reductions, Exclusions and Limitations:

Benefit Reduction Schedule - If you are still employed, your benefits will reduce to 50% at age 70.

Limitations - The Accelerated Death Benefit is payable only once. Using this benefit reduces the life insurance death benefit. The amount payable under the Accelerated Death Benefit may be reduced by the amount of other benefits already paid to the insured under the policy. See your certificate for details.
