**Note:** All applications identified by “Deposit + Staff Time & Materials” mean that applicants will be billed for the full cost of processing the application based on staff time and materials over and above the amount of the deposit. Staff hourly rates shall be determined by annual regular work order rates established by the City of Petaluma Finance Department for the given fiscal year(s) in which the application is processed. For applications requesting multiple entitlements, the deposit shall be the sum of the individual application fees and/or deposits.

<sup>a</sup> If an applicant files for the Appeal, the \$305.20 appeal fee (including administrative overhead costs) shall be a deposit and the applicant shall be billed for any additional costs of processing the appeal on a staff time and materials basis. If a member of the public files an appeal, the appeal fee shall be \$305.20 (including administrative overhead costs) and any additional costs of processing the appeal shall be billed to the applicant on a time and materials basis.

<sup>b</sup> “Mitigation Monitoring” fees shall be based on full cost recovery (deposit plus staff time and materials) and required as a condition of approval of every application requiring mitigation monitoring. The Planning Manager shall determine the amount of the initial deposit based on the nature and scope of the mitigations.
