

Brian Barnacle

Occupation: Petaluma City Councilmember

Age: 39

Since being elected to the Petaluma City Council in 2020, I've worked hard to maintain and improve our quality of life. Today, we are investing five times more into fixing streets and twice as much on basic park maintenance. For the first time since 2009 our fire and police are fully staffed. We're stronger financially than we've been in 20 years.

We've made a lot of progress, but there is important work to do. Who we elect this year will set foundational policies for housing, transportation and public safety, the fairgrounds, and environmental protection. I'm running for a second term to ensure we have a council who is responsive, thoughtful, and stays true to our roots while not being stuck in the past.

I grew up on a West Petaluma farm and have strong connections throughout our community. My background is in city planning and clean energy – and I am endorsed by our last four Mayors, our Firefighters, Sierra Club, trade unions, and hundreds of community members.

Whether you've lived here forever or just moved here, we all want a thriving city that is safe, affordable, and prosperous. I would be honored to continue representing you. I ask for your vote.
