Three Words on Ballot: Global Transportation Manager

200-Word Statement:

I am running for Petaluma City Council to help our community. I have raised three adult children and now my wife, Kristi, and I are raising our 10-year-old son, Jackson, here on the east side. I am fully committed to making Petaluma work for working families like mine.

As the son of a truck driver from a small town in the Midwest, I joined the Army right after high school, served my country, came home, and went to college where I earned my Bachelor's degree in Accounting and an MBA. The last 20 years, I've worked in supply-chain logistics, trucking and global distribution. Today I lead a global transportation team for RH (formerly Restoration Hardware).

Locally, I've coached youth football, basketball, and baseball. I currently serve on the Board for Petaluma Valley Little League, the City's Transit Advisory Committee (TAC), and Pedestrian and Bicycle Advisory Committee (PBAC).

I know how to work with teams and get things done efficiently. Petaluma is a great town and I know we can work together to reduce our cost of living, fix our roads and sidewalks, and improve our parks, public pool and fairgrounds for all our families. I ask for your vote.
