## PATROL UPDATES

**OFFICERS HAVE BEEN CONDUCTING EXTRA PATROLS THROUGHOUT DISTRICT 7 SHOPPING CENTERS.**

In an ongoing effort to reduce crime and increase traffic safety throughout District 7, officers have conducted over 90 traffic stops. Officers have also made several arrests for illegal drug possession, probation violations, and contacted individuals with outstanding arrest warrants.

In November, officers investigated two separate retail burglary attempts which occurred at Wilco and Kohls. In both cases, the individuals committing the thefts were contacted and arrested after they were caught stealing merchandise. The individual who was arrested after stealing from Kohls was also determined to be on parole and had a felony warrant out of Berkeley.

The Petaluma Police Department is dedicated to improving the quality of life in our community. We are committed to working together with residents, businesses, and community leaders to address these issues head-on. Through proactive policing, community engagement, and collaborative partnerships, we aim to create a safer, cleaner, and more welcoming environment for everyone.

## SERGEANT SPOTLIGHT

Throughout the quarter, proactive measures were implemented to address community concerns and enhance and enhance public safety in Beat 4, which encompasses districts 7 through 11. As an organization, we continue to prioritize our four service goals that guide us in our daily work planning: reduce crime, increase traffic safety, improve quality of life, and community engagement.

Officers conducted additional traffic enforcement near schools and busy intersections, leading to a noticeable improvement in compliance. In addition to our traffic enforcement efforts, officers investigated several retail burglary cases leading to the arrest of suspects. Staff attended multiple community events, such as the Walk and Roll to School, a Dia de los Muertos event, and a community lunch at Friedman's Home Improvement, which helped foster continuous engagement with our community members. As we continue into the new year, our staff will continue to work with our community members to identify and address issues impacting our community.

## CITY DAYLIGHTING UPDATE

**The City of Petaluma is on a mission to make Petaluma's streets safer for everyone!**

When vehicles park right next to an intersection or crosswalk, it makes it hard for drivers to see pedestrians entering the crosswalk. To increase safety for our community, you will see new red curbs painted to reduce parking near crosswalks around town. These updates are in accordance with the Daylighting to Save Lives Bill (AB-413), a California State law that bans vehicles from stopping, standing, or parking within 10-15 feet of the approach side of a crosswalk.

While every effort is being made to retain as many parking spaces as possible, the work will result in the removal of some spaces. If daylighting work is planned to take place in your area, you will receive a notification postcard from our project team.

## END-OF-YEAR HIGHLIGHT

We wrapped up 2024 with another successful 'Shop with a Cop' event at Target! Through donations from the Petaluma Policing Foundation and Target's 'Heroes and Helpers Foundation', we were able to provide 11 in-need students from our community with the opportunity to shop for gifts and necessities for their families. Thank you to both organizations for their generosity this holiday season!

The Petaluma Policing Foundation is a non-profit organization that aids in supporting a variety of programs that increase the health, safety and awareness of our community. Want to learn more? Head to [petalumapolicingfoundation.org](https://petalumapolicingfoundation.org)
