Fire Battalion Chief

Summary
Plan, assign and direct both emergency and non-emergency activities for his/her shift; command emergency response scenes; plan, organize and direct the activities and programs of a division/shift within the Fire Department; provide administration assistance for overall department operations.

Class Characteristics
General direction is provided by the Fire Chief; responsibilities include the direct and indirect supervision of management, professional, technical, and support services positions.

Essential Duties, Skills, and Demands of the Position
The duties, skills, and demands described here are representative for those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with a disability to perform the essential duties, skills, and demands.

Duties:
Plan, organize, coordinate, administer, direct, and evaluate the work of staff in a division/shift.

Supervise multi-company response to emergency fire, medical aid, hazardous material, rescue and other situations and direct stations responding to the emergency; relieve subordinate officers of command upon arrival and assess emergency situation requesting additional companies as appropriate.

Direct and coordinate the location and work of incoming companies; brief Fire Chief on the situation, explain strategy and tactics being employed; confer on and coordinate station operations and personnel issues with Fire Chief and Fire Captains; maintain command of emergency operations until relieved by Fire Chief.

Plan and supervise a specialized area of the department such as training or maintenance and upkeep of equipment and apparatus; participate in fire prevention activities; monitor changes in equipment and methods and recommend the incorporation into department activities.

Develop specific proposals for action on current and future City needs; conduct analytical and operational studies and prepare recommendations and findings; evaluate public complaints pertaining to activities or individuals in the department; may direct the investigation within the department.
Assist in the selection of staff; appraise employee performance and counsel employees regarding work performance and procedures.

Interpret City regulations, policies, and procedures to staff; maintain records using a computer and prepare periodic, special, and technical reports relating to assigned area of responsibility.

May be called upon to give staff reports to City Council or management staff; may serve as the acting Fire Chief as required; act as Fire Department liaison in various city, county, and state committees; perform a variety of public relations and public speaking duties.

Perform related duties as assigned.

Skills/Abilities:
Make appropriate plans and tactical decisions in multi-company response situations.

Plan, assign, direct, review, and evaluate the work of others.

Select, train and motivate assigned staff.

Develop and implement goals, objectives, policies, procedures, work standards, and supervisory controls.

Assess emergency incidents and develop, implement, and direct appropriate response strategies.

Develop and conduct classroom and practical training courses and programs.

Render emergency medical care at the basic life support level.

Maintain accurate records and prepare clear and concise reports and other written materials using a computer.

Operate a variety of tools, equipment, and apparatus used in fire, medical, and other emergency response.

Communicate effectively both verbally and in writing.

Establish and maintain effective working relationships with those contacted in the course of the work.

Physical Demands and Work Environment:
While performing the duties of this job, the employee is regularly required to sit, stand, walk, use hands to finger, handle, or feel, and talk or hear. The employee frequently is required to reach with hands and arms; climb or balance; stoop, kneel, crouch, or crawl; and taste or smell. The employee must frequently lift and/or move weight up to 50 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth
perception, and ability to adjust focus. While performing the duties of this job, the employee is frequently exposed to outside weather conditions. The employee is occasionally exposed to fumes or airborne particles. The noise level in the work environment is usually moderate.
