Overtime Compensation for Part-time Employees

I. Purpose

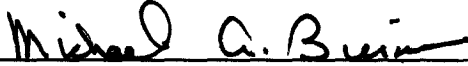

This policy establishes that department directors and or designated managers or supervisors may authorize the payment of overtime for non-exempt part-time employees subject to the provisions of the Fair Labor Standards Act (FLSA) and not covered by a Memorandum of Understanding or Compensation Plan.

II. Policy

The FLSA provides that a non-exempt weekly or hourly-paid employee, who works more than 40 hours in a work week, must be paid an overtime rate of one and one-half times his/her regular hourly rate of pay for time worked in excess of 40 hours in the work week.

When a non-exempt part-time employee is required to work in excess of his/her regularly scheduled 8, 9 or 10 hour day or is required to work on a non-scheduled day but works less than 40 hours in a work week, directors, managers or supervisors may authorize the payment of overtime.
