Side Letter of Agreement Between the Peace Officers' Association of Petaluma and the City of Petaluma

Permanent Part Time Dispatchers

Representatives of the City of Petaluma and the Peace Officers' Association of Petaluma (POAP) Unit 6 have met and conferred on the newly created Permanent Part-Time Employee status for Public Safety Dispatcher and reached agreement on this Side Letter of Agreement.

The parties agree to the following:

Shift Sign Ups

Full-time and job-shared positions participate in bi-annual shift sign ups based on seniority. Permanent part-time employees (PPTE) will not participate in shift sign ups. PPTE's will be utilized to fill voids in the schedule.

This may result in a schedule that is inconsistent. Management will make an effort to give advanced notice on changes in the schedule.

Due to the fact that PPTE's are not assigned to a schedule, they will have the first opportunity to sign up for additional mandatory overtime to supplement their schedules.

Vacation Sign Ups

Full time and shared positions participate in annual vacation sign ups. Annual vacation sign-ups are for pre-scheduled vacations consisting of one or two week blocks. PPTEs will be required to submit pre-scheduled vacation at this time. This will consist of time off requests in one or two week blocks. The PPTE sign-ups will be considered separate from the full time and shared positions. Only one PPTE may take pre-scheduled vacation during the same week. In the event of conflict, seniority amongst the PPTEs will decide who will prevail for any given week.

Time Off Requests

The PPTE will comply with Section 7.12 Compensatory Time, of the MOU.

Vacation Time Accrual

Current part time employee's moving to PPTEs shall be credited their years of service with the City of Petaluma for the purposes of determining their vacation accrual rate and limits. PPTEs will accrue vacation at a rate of 60% of the outlined accrual rates in section 12.1 of the MOU.

Order In's for Mandatory Overtime

PPTEs will be subject to being ordered in for mandatory overtime. The dispatch supervisor follows the procedure outlined in a memo titled "communications center staffing and overtime ordering," dated June 4th, 2013. The memo states the total number of overtime hours of the past two pay periods will be the general guideline. PPTEs will be considered to have accrued "overtime" for the purposes of mandatory overtime order-in's any time they exceed ten hours in a day or twenty four hours in a week.

Shift Differential

A PPTE who is assigned to hours which qualify for shift differential for a period of four consecutive weeks shall receive the applicable shift differential provided to full-time and job share dispatchers under the Unit 6 MOU.

Comp Time/Overtime Accrual

PPTEs will begin to accrue straight time compensatory time once they exceed their regular number of hours based on their FTE. The employee may instead choose to be paid at the straight time rate for all hours worked in excess of their regular number of hours.

PPTEs will accrue compensatory time or overtime at a rate of time and a half in the same manner as Job Share employees once they exceed ten hours in a shift.

PPTEs will accrue compensatory time or overtime at a rate of time and a half once they exceed forty hours in a week.

Pro-rated Leave and Benefits

All leave and all benefits shall be pro-rated based on the employee's FTE.

Merit Pay, Step Increases, and Probationary Period

Standards for merit pay, step increases, and probationary period for the PPTE shall be on the same basis as a regular full-time employee.

Probationary Period

Current part time employees moving to PPTEs will not be subjected to a probationary period. Any new employee hired as a PPTE will be subjected to a probationary period as outlined in the MOU.

The City of Petaluma is not a party to the Trust, and aside from transferring funds, has no obligations to the management, regulatory compliance or performance of the Trust.
- B. <u>Contributions to the PORAC Retiree Medical Trust</u>

Employee Contributions. The City of Petaluma will transfer a mandatory monthly pre-tax employee contribution of one hundred dollars (\$100.00) for each employee hired by the employer on or after January 1st 1990, and currently working in the bargaining unit represented by the Association, on an ongoing biweekly (24 times per year) basis of fifty dollars (\$50.00) biweekly. - C.. Reporting rules. The City of Petaluma will comply with reasonable rules set by the Trust Office with regard to reporting and transferring the required contributions set forth above, typically involving providing the Trust Office with the name, social security number and amount paid by each employee. In the event the reporting requirement of the Trust requires reporting beyond that which the City of Petaluma typically provides for other similar purposes (health insurance), the City of Petaluma may require the Association to pay for any reasonable costs related to programming or producing such reports. Prior to engaging in any activity that could result in such an expense, the City of Petaluma will secure the Association's authorization.
- D. <u>Indemnification</u>. - E. <u>Exclusive purpose of trust.</u> The monies contributed to the Trust fund shall only be used for retiree health insurance premiums or health care expenses, as allowed by law. There shall be no employee election/option available to take such amount in unrestricted cash.
- F. <u>Separate trust.</u> The purpose of this Trust shall be to provide for retiree health care expense reimbursement benefits. The Trust shall be and remain separate and apart from any City of Petaluma health insurance funding program, unless changed by mutual written agreement of the parties. The contributions set forth herein, unless otherwise dictated by law or rules set forward by the employees' pension system, shall be considered salary for purpose of calculating pension benefits.
- G. <u>Increase in Contribution.</u> Further, the Association shall have the option, during the life of this Agreement, to direct the City of Petaluma to further increase the employee contribution rate by some multiple of \$25 for each employee. The contributions shall be included as salary for purpose of calculating retirement benefits.

The City of Petaluma hereby acknowledges receipt of the Trust Agreement governing the Trust and will comply with rules set by the Trust Office in regard to reporting and depositing the required contributions set forth above.
