Dear Tree Owner,

As your city's Tree Advisory Committee, we are appointed with advising the city on a wide variety of tree-related policies, protection and management strategies. One of our continuing efforts has been working to protect some of our community's trees by giving them a Heritage/Landmark status.

Thank you for the recent inquiry you made regarding protecting tree(s) on your property by assigning them Heritage/Landmark status.

Enclosed, please find the application form. Should you choose to complete the application, your tree(s) will be entered into the City Register and information and a photo of your tree(s) may be included on the City's website. Should you choose to sell or will your property in the future, any registered trees would be associated with the deed to your property and protected from removal or alteration by the new owner or heir, as set forth in Petaluma Municipal Code Chapter 8.28.

When completing the application, please include any significant details about the tree and/or the planting of the tree. The application can be mailed back to us at:

Tree Advisory Committee
c/o City of Petaluma
11 English Street, Petaluma, CA 94975-0536.

If you have any questions about the application, please contact Tiffany Renée at 766-9917.
