ADDENDUM NO. 1

Airport Monument Sign City Project No. C61501907

July 6, 2020

This Addendum No. 1 modifies the Bidding Documents for the Airport Monument Sign project, City Project No. C61501907, and shall become part of the Contract Documents for this Project.

NOTICE INVITING BID CHANGE – CONTRACTOR LICENSE UPDATE

Item Number 8 “CONTRACTOR’S LICENSE CLASSIFICATION” under the Notice Inviting Bid documents, will be modified as follows:

Remove this paragraph – “In accordance with the provisions of California Public Contract Code Section 3300, the CITY has determined that the CONTRACTOR shall possess a valid **Class A license** at the time that the Contract is awarded. Failure to possess the specified license shall render the Bid as non-responsive and shall act as a bar to award of the Contract to any bidder not possessing said license at the time of award.”

Replace with this paragraph – “In accordance with the provisions of California Public Contract Code Section 3300, the CITY has determined that the CONTRACTOR shall possess a **valid Class A or Class C-45 “Sign”** license at the time that the Contract is awarded. Failure to possess the specified license shall render the Bid as non-responsive and shall act as a bar to award of the Contract to any bidder not possessing said license at the time of award.”

Summary of Change: A contractor with a Class C-45 license can also bid as the prime contractor. This change will be in effect for all locations in the bid document (including the Proposal section) where a Class A license requirement is called out, even if these locations are not specifically noted in this Addendum.

All other items of the documents shall remain unchanged. **A signed copy of this Addendum and the attached acknowledgement form shall be attached to the bid proposal. Failure to do so may cause rejection of your bid as being non-responsive.**
