Good afternoon, I appreciate the sentiment of convening such an important conversation at such an important time. But from the outside, this appears to be a token, one-time conversation to quell the upset folx in our town. If it is not, then I ask why there is no BIPOC on the panel? Are there plans to continue this conversation? I hope that you can take steps to ensure all BIPOC voices in our community are heard, either through an open-comment period, or by asking seeking out leaders on our BIPOC community. Additionally, I ask that you reconsider the purchase of 54 military-style assault rifles. Arming police with weapons designed to kill people en masse does not make any of us feel safer and makes some feel unwelcome and unsafe. Regards, GJS	members. Will the City of Petaluma restrict the ability of Petaluma Police to use the Nixle community alert system to lobbying for assault weapons funding?	The Petaluma Police Department was the first government agence engagement tool as well as an alert and warning system. Nixle ha Petaluma community for ten years. There are three message type use community messages just as we would for any other social me Nextdoor, Instagram, andTtwitter. Advisories are for in progress notified, but don't rise to the level of an alert. In this case, many about the rifles. See answer on Police Trust page at www.cityofpe Rescue Vehicle (MRAP) and Rifles
Please speak to the increased Militarization & Equipment and purchase of military equipment by U.S. police departments. Why and for what purpose are 54 semi-automatic assault rifles needed by Petaluma Police?	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
 Please give examples of their intended use. Thank you If there are so few "use of force" instances, why does the PPD need weapons of war? 117 	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
I support the deMilitarization & Equipment of local police departments. We don't need 54 new semi-autom. rifles. I understand the need for specially trained and equipped units to be available at a county or regional level in extreme and unusual circumstances.	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
I am opposed to militarizing the police dept. Have you already purchased the assault weapons? If not, DON'T. If you've purchased them, RETURN THEM. Keep 1-2. That's all you need. Do the right thing. 119	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
Is the recent decision to further militarize the PPD going to be reconsidered?	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
Can you discuss the individual cost of each of the new Sig Sauer rifles using taxpayer dollars and right after you discuss that, can you discuss how much each Petaluma PD officer earns annually, also from taxpayer dollars?	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
Must we have officers patrolling the streets with a high powered weapons?	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
Can we still oppose the purchase of the 52 new AR-15 style weapons?	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
With the Petaluma and greater Sonoma County community obviously protesting in record numbers against police brutality, systemic racism and the over funding of police, why did the Petaluma police department just spend 80k on 54 Rifles? Defund police!	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
Will the PPD reconsider its request for 54 semiautomatic rifles?	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
Will Petaluma PD cancel their recent order for dozens of military grade semi automatic assault rifles? If the 126 weapons are already acquired, will Petaluma PD sell or otherwise dispose of them?	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
Why was Sig Sauer chosen considering that was the rifle the Pulse Night Club shooter used to kill gay people? 127	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
Why did you choose to buy 54 rifles from Sig Sauer? The Pulse Night Club Shooter in Orlando used a Sig Sauer rifle. The Army uses Sig Sauer. Are you trying to become a militarized police force using similar rifles that a homophobe used to kill gays?	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
What magazine capacity will you be using for those rifles? The public is limited to 10. Do you plan to abide by those same limits to stand in solidarity with your community? 	I am glad that you were able to publicly post that you and your staff are "sickened, outraged, and saddened	Any bias, hate , or excessive use of force will not tolerated in the
	by the death of George Floyd." While Mr. Floyd's death happens to have become a tipping point, surely you	
	are aware that George Floyd is merely one of hundreds and thousands of black, indigenous, latinx and other	
	non-white people tortured, terrorized and brutalized to death by members of law enforcement agencies all	
	across this country. Can you and will you make a much clearer signal to your local community by posting that	
	you and your staff are equally sickened, outraged, and saddened by the the continued thriving (and often	
	encouraged) deeply-embedded law enforcement culture of white supremacy and brutality directed at non-	
	whites and blacks in particular. Then we would have more confidence that you were making a statement	
	from the heart, and not just being seen to have said "the right thing" at a pivotal moment.	
	This is not a matter of debating policy differences over the role of government, nor whether we like a larger	
	or smaller government, nor a dispute about an appropriate amount of taxation, nor about the best way to	
	deploy the proceeds of such taxation. This is a moral matter of utter right and wrong. We are now in a	
	moment in history where we all are going to have to take a stand. Either you accept and tolerate (if not	
	encourage) that horrific culture, or you oppose it - there is no middle ground. And the time has come for	
	opposition to this problem to mobilize and root out and discard this horrific product of our American history.	
	If you are on the side that opposes law enforcement using its power to threaten, intimidate and torture	
	anybody, but especially our BIPOC communities, then what specific actions will you and your staff take, right	
	now, and in the days to come, to help us combat and eliminate it? I refer to real action, not just the	
	symbolism of coming out of your building and taking a knee with us one of these afternoons. However, if	
	backed by real action, that would be a very good start. Another great step would have been ensuring there	
	were black and brown voices on this very panel. Having missed that opportunity, I strongly recommend that	
	the very next panel you convene on this topic contain the voices of black and brown leadership right here in	
	this community

	Ε	F
	Hi,	Thank you for your comments and suggestions. We will certainly
	I attended the Town Hall but was not able to speak, so I'm submitting my comments here. First, in these type of Zoom meetings, it would be very helpful if you would use the "share screen" function to show us all where to find the Transparency Portal (or any other page that is mentioned during the discussion).	
	Secondly, I would like to make a comment about community policing. I'm so glad our dept. has shifted toward this model. As I go on my daily walk and see officers driving around my neighborhood, I often think how an opportunity for Police Image is missed when officers stay in their cars. Could our officers get out of the cars occasionally to walk a bit of a path and engage in conversations with local residents? Also, once shelter-in-place is over, perhaps a series of "Picnics with the Police" could be set up in local parks all over Petaluma so residents can get to know the officers assigned to their neighborhood.	
	Lastly, I heard Chief Savano mention how traffic incidents injure people much more frequently than other types of incidents. It made me wonder about the signs I occasionally see (usually close to schools) that show people their actual speed and start flashing when a car is speeding. Are these effective at reducing speeding? If so, how much does each one cost? Perhaps a community campaign could be started to raise private funds (from Rotary or other community groups) to buy more of these to put around town. I know that North McDowell (near Lagunitas Brewery) is an incredibly dangerous place where people dart across the street could the city talk with local construction firms like Ghilotti to possibly get time and materials donated to build a pedestrian bridge? What great advertising that would be for a company. We know the city doesn't have the funds, but maybe some private partnerships could creatively help solve local needs.	
	Thank you for the community outreach event tonight and for taking the time to listen to all of our voices.	
	Laine Gen Hello, this question is for the Police Department and/or the Police Chief. I wonder if anyone has taken a look at the PD's website? The images on this website appear to reinforce a Militarization & Equipment of the Petaluma Police Force, many officers holding guns in full out combat gear. I wonder if you might consider shifting your focus to a community orientated policing and thus have the images demonstrate a connection with the community reinforcing justice and peacein conversation with citizens. Thank you.	The photograph on our home page has been changed and was int Department. It was not intended to send any other message.
	As a middle aged white woman I know I cannot understand the fear of my Black and Brown neighbors. I understand their concern when they are pulled over by a police officer and it saddens me greatly. My question is - when this situation occurs (as an example was given last night on the town hall zoom call) I would like to be able to pull over (a safe distance away) and video the situation just to give my black and brown friends/neighbors a sense of safety that they are lacking. What is the police stance on actions like these that are taken from white privileged citizens, like myself, that would like to support Black Lives Matter?	Any member of the public can record situations in public places as officer or the other members of the public during the contact.

	Throughout the U. S. there has been an over-Militarization & Equipment of policing. It is time to look to the future instead of continuing failed strategies of the past. A good place to start may be in redirecting the \$80,000 grant away from weapons.	We understand the need for additional services in the community not involve a police response. The police budget has been reduce resources are not sufficient to address the demand we experience do not have enough available time to proactively police the comm criminals and engage in community policing efforts that build stro has been answered and is posted on the police trust page at www
	There has been an image circulating online featuring a large armored vehicle with "Petaluma PD Rescue" written on it. When was this vehicle purchased? Who approved its purchase? How has it been used? When? It seems like a gross misuse of funds.	See answer on Police Trust page at www.cityofpetaluma.org/polic (MRAP) and Rifles
	Please let us know if anything specific is on or off the table (so to speak) as we think about unbundling the various tasks of the Petaluma police. One example I'm thinking of is traffic stops that could be eliminated through the use of speeding camera technology and some sort of community monitoring system for other minor moving violations. Without going into details, are you open to looking at and possible completely changing the whole range of police actions?	These are great ideas that require changes with state legislation t currently prohibited by law. We welcome any and all recomment community.
	Opinion: I think 9% is low, perhaps as businesses open up and business-start-up incentives arise in Petaluma, then Petaluma could bring in more revenue money.	We agree and would suggest you engage us in our Fiscal and Orga www.cityofpetaluma.org/fos
	Moving forward what changes are in place for less police spending, more accountability, de-escalation & anti- racist training? Return the \$80K of arms purchased and invest in preventative violence, our community, schools, POC, social workers, etc.	We currently provide the training you reference to our officers buunderstand the need for additional services in the community to a involve a police response. The police budget has been reduced signesources are not sufficient to address the demand we experience do not have enough available to proactively police the community engage in community policing efforts that build stronger trust and
	In an email from Mike Healy to local college student, he emphasized that the \$80,000 was made for the event of an active shooter.	We agree completely with the need for additional mental health revention is key and working together we can signficantly reduce the ability to completely control an incident from happening.
	It's been proven that the key factor of an active school shooter comes from poor mental health. In the city budget, couldn't the money from the police budget be repurposed and used in something more beneficial like a city-wide mental health initiative? This could solve the problem at it's core. Studies have reported that 60% of school shootings end before the police arrive. Why can't we solve the problem by making sure that a school shooting never happens, instead of solving the problem after it happens?	
	If the majority of police calls are for mental health issues, how feasible would it be to move the average amount of money spent by the police department on mental health calls to a different, specialized body?	To meet the demand for our services and to restore services that need more funding for the Police Department. We also agree add funded by County, State, and Federal agencies. Without addition to help with mental health services at the local level.
