## ADDENDUM NO. 2

### Pavement Restoration 20/21 City Project Number C16102139

March 1, 2021

This Addendum No. 2 modifies the Bidding Documents for the Pavement Restoration 20/21 C16102139 project. This Addendum shall become part of the Contract and all provisions of the Contract shall apply thereto. Bidders shall acknowledge all Addendums in the Bid Schedule.

#### CLARIFICATION TO CONTRACTORS – QUESTION AND ANSWER

Question #1: In Regard to the Cape Seal for this project. The plans highlight Teton Court and Shenandoah Court in red, but the quantities are not listed on the street listing. Please Clarify.

Response #1: *The City intends to Cape Seal all of Smokey Mountains Drive including the Cul-de-sac, Teton Court, and Shenandoah Court from Acadia Drive to the end of the Cul-de-sac as highlighted in red and shown on the plan set. Disregard the Cape Seal quantity estimate for line items titled Smokey Mountains and Smokey Mtns in the street listings. An updated quantity of 6823 SY can be used for the combined area. A revised Bid Schedule reflecting this change is attached. Figures provided in the street listing are estimates for scoping and bidding purposes, actual quantities are subject to verification.*

#### REVISED BID SCHEDULE

**A Revised Bid Schedule has been included here as an attachment and shall be incorporated as part of the bid documents. The attached Revised Bid Schedule replaces the Bid Schedule and supersedes it in its entirety.**

This Addendum No. 2 shall become part of the Contract and all provisions of the Contract shall apply thereto. Bidders shall acknowledge all Addendums in the Bid Schedule.
