

# CITY OF PETALUMA – PLANNING DIVISION

---

## PENDING PROJECTS SUMMARY (June 1, 2022)

This update provides a summary of all proposed major developments within the City of Petaluma. The development summary tables are separated by Commercial Projects, Mixed Use Projects, Residential Projects and Annexations. Please contact the developer directly for project details such as construction timing, cost and availability.

## DEFINITIONS OF STATUS CATEGORIES

**IN PLANNING PROCESS:** Formal project application has been filed for one or more discretionary planning approvals. Residential projects of fewer than two units are not included unless Planning Commission approval is required, nor are non-residential projects that do not result in new development.

**ALL PLANNING APPROVALS:** The project has received all discretionary approvals from the city, with no appeals pending.

**IN PLAN CHECK:** The project has received all planning approvals; construction drawings have been submitted to the Building Division.

**UNDER CONSTRUCTION:** The project has received all planning approvals; final plans approved; building and other permits have been issued; may be under construction.

**INACTIVE:** Action by applicant needed; more than six months passed since request for action made by staff.

**NOTE:** This list was prepared by the City of Petaluma Planning Division for informational purposes only. The City does not warrant the accuracy of the information provided.
