

**City of Petaluma
Police Department**

The Petaluma Police Department is committed to providing its community with only the highest level of trained personnel. Consistent with 21st Century Policing best practices, training and education remain top priorities in our mission of delivering professional police services. The department strives to use a broad spectrum of training sources for its personnel's educational and professional development.

This list represents that commitment.

Certain documents or portions of documents related to these trainings may be exempt from disclosure under the California Public Records Act on one or more of the following grounds:

- a) Records regarding security and safety procedures that are exempt pursuant to California Government Code § 6254(f)
- b) Materials for which the City of Petaluma does not hold the copyright or have permission to publish
