PROJECT DESCRIPTION:

Downtown Housing & Economic Opportunity Overlay (Overlay): The Overlay component of the project proposes a Zoning Text Amendment (ZTA) to allow areas within the proposed Overlay to increase the allowable building height from 45 feet to 75 feet with a Conditional Use Permit (CUP), increase lot coverage from 80% to 100%, allow development of multi-family uses by right within portions whereas currently residential uses only in a mixed-use building are allowed, and establish development and design controls for properties that would be subject to the proposed Overlay. The Overlay component also includes a Zoning Map Amendment (ZMA) to zone applicable parcels to the Downtown Housing & Economic Opportunity Overlay and a General Plan Amendment (GPA) to increase the maximum allowable floor area ratio (FAR) from 2.5 to 6.0.

Properties proposed for inclusion in the Overlay are located in areas defined as Subarea A, Subarea B, and Subarea C (see image below). Portions of two of the subareas, Subarea A (three parcels) and Subarea B (one parcel), are located within the Downtown Commercial Historic District boundary, while Subarea C is abutting the Commercial Historic District boundary but does not intrude into the Commercial Historic District.
