Elected Officials, Community Members and Visitors,

It is my pleasure to present to you the police department's 2012 annual report.

2012 resulted in even more challenges for our agency. Two new police officers were hired to help replace retiring officers and another hired to help deal with the newly acquired Bethel Corridor annexation. Most of 2012 was spent "catching up" to the large number of new police events that we became responsible for due to annexation and an increase in police events in our existing city limits.

We saw a dramatic increase in calls for police service: up 35% from the year before. Unfortunately, with that came an increase in crimes reported. Violent crime rose 20% in 2012 compared to 2011. Property crimes increased 18% for the same period. The significant increase to property crimes can be traced back to our annexation of the large commercial district with shoplifters making up the majority of that 18% increase. About the only good number related to crime statistics was the 17% reduction in auto thefts.

Other good news includes our "simply excellent" response times to police calls, improved clearance rates on index crimes (most of which are considerably better than the national averages), and the response from our customers indicates we are doing A+ work and people feel safer than ever in their homes and in their neighborhoods (Quality Service Audit).

This year two veteran police officers retired from our agency. Officer Ron Patterson retired but now holds his 3rd position with the city (first public works, then police officer, now parking enforcement). And an exceptional police detective, E. Jerry Martin also is now enjoying retirement. In addition, we continue to hope for the best recovery possible for Officer Bob MacFann who was injured while serving his country in Afghanistan. We hope that one day Bob will be well enough to take his place back in the department.

This is the last annual report that I will write for you while serving as your police chief. As I have compiled this report I have had time to think of the great accomplishments we have made as a team. This team was made of up elected officials, police officers and staff, and our community members. These last 13½ years have been the most rewarding of my life. I will truly miss this community and those people who have been so supportive of me during this time. It has been an honor to be associated with so many great people here in the city that I proudly call my friends.

As I depart, I'm confident that the women and men of the Port Orchard Police Department will continue to provide this community with the best level of service possible.

Sincerely,

Alan L. Townsend
