

City of Port Orchard Alarm System Registration

9.22.010 Telephone number of person authorized to turn off of reset alarm.

It is an infraction to have or maintain on any premises within the city any type of burglary, robbery, or fire alarm or alarm system unless there is on file with the city of Port Orchard Police Department a notice of the telephone numbers of at least two persons authorized to enter such premises and turn off such alarm and who can be reached at all times. It is an infraction for any person to fail to appear and turn off any such alarm within one hour after being notified by the Port Orchard Police Department to do so. (Ord. 1797 § 3, 2000).

Name of property owner: _____

Address of alarm: _____

Phone number: _____, Cell _____

Alarm Company: _____, Phone _____

Please list in order of preference the information for persons who should be contacted in the event that police respond to an alarm on your property. Also indicate if this person will have a key to that residence. You must provide at least two contact persons.
