

## **PUBLIC WORKS POSITION Supplemental Questionnaire**

---

These questions must be answered as a part of the employment application. Additional sheets may be used and supplemental information may be attached.

1. Discuss a project that you are particularly proud of and describe your role in its success.
  
  
  
  
  
2. Please describe you experience working with a variety of light and heavy equipment, including pick-up trucks, dump trucks, backhoes, graders, manual and power hand tools, welding equipment, and other tools and equipment.
  
  
  
  
  
3. Additional duties of this position will involve performing maintenance of water, sewer or storm systems and operating heavy equipment. Describe any special skills that would benefit the City in these areas of work.
  
  
  
  
  
4. Please describe your experience in dealing with difficult customers and provide an example of how you handled a difficult customer with a positive outcome.
  
  
  
  
  
5. How well do you work under pressure? Give an example where you have had to work in a pressured situation and how did you handle it.
