### INDUSTRIAL DISTRICTS

#### Sections:

**20.36.010 Light Industrial (LI)**

**20.36.020 Heavy Industrial (HI)**

**20.36.010 Light Industrial (LI)**

(1) Intent.

The Light Industrial district is intended to accommodate manufacturing and light industrial uses in order to promote economic viability, encourage employment growth, and limit the encroachment of non-industrial development within established industrial areas. Development should be operated in a relatively clean and quiet manner, and should not be obnoxious to nearby residential or commercial uses. The Light Industrial designation should be applied in established light industrial or manufacturing areas or where such land use pattern is desired in the future and in areas designated Industrial in the Comprehensive Plan.

(2) Building Types Allowed. Building types (POMC 20.32) are not applicable in the Light Industrial district.
