Agenda Staff Report

Agenda Item No.:	Consent Agenda 4C	Meeting Date:	February 11, 2020
Subject:	Adoption of an Ordinance Amending Port	Prepared by:	Mark R. Dorsey, P.E.
	Orchard Municipal Code Chapter 10.12		Public Works Director
	Establishing Regulations and Fees Related	Atty Routing No:	N/A
	to Parking, Stopping or Standing in Certain	Atty Review Date:	N/A
	Areas of the City		

Summary: This Ordinance is a housekeeping measure. Working in conjunction with Parking Enforcement staff to address unintended parking issues along SW Old Clifton Road associated with the McCormick Village Park Phase 2 Improvements, and given recent direction to make modifications to Waterfront Parking Lots #1 and #3, and to update recent changes in use to Lot 5, the City's Public Works Department continues to inventory existing parking signage to identify and compile necessary corrections to improve existing regulations, and make necessary revisions and/or modifications to the current Port Orchard Municipal Code (POMC), Chapter 10.12.

Relationship to Comprehensive Plan: None

Recommendation: Staff recommends adoption of an Ordinance that would update POMC Chapter 10.12.500 and 10.12.580 regarding Parking, Stopping or Standing in Certain Areas of the City.

Motion for Consideration: I move to adopt an Ordinance, thereby updating POMC Chapter 10.12.500 and 10.12.580 regarding Parking, Stopping or Standing in Certain Areas of the City, with final form approved by the City Attorney.

Fiscal Impact:	None.
Alternatives:	Do not approve and provide further direction to staff.
Attachments:	Ordinance with POMC 10.12 Redline and Ordinance Final Version.

SECTION 2. Section 10.12.580 of the Port Orchard Municipal Code is hereby amended to read as follows:

10.12.580 Parking time limited on certain city parking lots.

-(1) The city parking lots are identified as follows:

(a) Lot 1, which lies between Orchard and Frederick Streets, on the north of Bay Street. Parking in Lot 1 is a combination of city parking and Port Orchard Marina parking. Port Orchard Marina parking is the three northernmost rows and shall be managed by the Port of Bremerton. City parking is limited to four hours maximum and/or monthly merchant parking.

(b) Lot 2, which lies between Frederick Street and Sidney Avenue, north of Bay Street. Parking in Lot 2 shall be allowed for a maximum period of four hours, including two car charging stalls limited to four hours maximum, and one motorcycle stall.

(c) Lot 3, which is the five rows of parking area under city jurisdiction west of Harrison Avenue and east of and parallel to the library's easternmost exterior wall. Parking in the three westerly rows of Lot 3 shall be allowed for a maximum period of four hours at no monetary charge. Parking in the easterly two rows is paid parking and shall require a paid daily parking pass as established in POMC 10.12.620.

(d) Lot 4, which is all parking area under city jurisdiction which lies east of Parking Lot 3 and Harrison Avenue and west of the Marina Park. Parking in Lot 4 is a combination of free twohour parking for the park at the most northerly and easterly corner and paid parking and shall require a paid daily parking pass as established in POMC 10.12.620.

(e) Lot 5, which is all parking spaces on City Hall property (first floor entry). Parking in Lot 5 shall be for City Hall <u>ADA Parking</u> patrons and official vehicles only. The police chief or his/her designate may authorize deviations to this policy for Lot 5, if necessary. No monetary charge.

(f) Lot 6, which is all parking spaces abutting the landscaped area at the southwest corner of the intersection of Bay Street and DeKalb Street (Bayside Plaza). Parking in Lot 6 shall be allowed for a maximum period of two hours. No monetary charge.

(g) Lot 7, which is all parking spaces located on the library property. Parking in Lot 7 shall be limited to library staff only. Access to Lot 7 and parallel parking stalls via the adjacent parcel to the south pursuant to easement AF# (8903310122). No monetary charge.

(h) Lot 8, which lies east of City Hall, north of and adjacent to Prospect Alley (between Kitsap Street and Prospect Street). Lot 8 is for designated city vehicles and city employees via pass Monday through Friday. No monetary charge.

(i) Paul Powers Park, which lies north and east of the public works department "south shed" located at 2051 Sidney Avenue. Paul Powers Park parking is limited to dawn-to-dusk parking only.

(j) Van Zee Park, which lies south of Tremont Street and west of Sidney Avenue, located at 300 Tremont Street. Van Zee Park parking is limited to dawn-to-dusk parking only.

(k) Rockwell Pocket Park will be limited to two-hour parking from dawn to dusk.

(2) Parking restrictions in Lots 1, 2, 3, 4, 5, 6, 7 and 8 shall be enforced on a 24-hour basis, except Saturday, Sunday, and federal holidays within the city.

(3) Parking restrictions in Lot 4 shall also be enforced on a 24-hour basis on each Saturday in the period of April 1st to October 31st.

Currency through electronic payment in an electronic parking pay station or similar instrument provided near the parking space for each 12-hour interval or part thereof.

SECTION 3. Authorization for **Posting Signs.** The City Engineer is hereby directed to post the signs as required and as a result of the amendments of Section 10.12.500 AND 10.12.580, after passage of this Ordinance, before the Effective Date.

SECTION 4. Severability. If any section, subsection, paragraph, sentence, clause, or phrase of this ordinance is declared unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining parts of this ordinance.

SECTION 5. Effective Date. This ordinance shall be in full force and effect five (5) days after posting and publication as required by law. A summary of this Ordinance may be published in lieu of the entire ordinance, as authorized by State Law.

PASSED by the City Council of the City of Port Orchard, APPROVED by the Mayor and attested by the City Clerk in authentication of such passage this 11th day of February 2020

SECTION 2. Section 10.12.580 of the Port Orchard Municipal Code is hereby amended to read as follows:

10.12.580 Parking time limited on certain city parking lots.

(1) The city parking lots are identified as follows:

(a) Lot 1, which lies between Orchard and Frederick Streets, on the north of Bay Street. Parking in Lot 1 is a combination of city parking and Port Orchard Marina parking. Port Orchard Marina parking is the three northernmost rows and shall be managed by the Port of Bremerton. City parking is limited to four hours maximum and/or monthly merchant parking.

(b) Lot 2, which lies between Frederick Street and Sidney Avenue, north of Bay Street. Parking in Lot 2 shall be allowed for a maximum period of four hours, including two car charging stalls limited to four hours maximum, and one motorcycle stall.

(c) Lot 3, which is the five rows of parking area under city jurisdiction west of Harrison Avenue and east of and parallel to the library's easternmost exterior wall. Parking in the three westerly rows of Lot 3 shall be allowed for a maximum period of four hours at no monetary charge. Parking in the easterly two rows is paid parking and shall require a paid daily parking pass as established in POMC 10.12.620.

(d) Lot 4, which is all parking area under city jurisdiction which lies east of Parking Lot 3 and Harrison Avenue and west of the Marina Park. Parking in Lot 4 is a combination of free twohour parking for the park at the most northerly and easterly corner and paid parking and shall require a paid daily parking pass as established in POMC 10.12.620.

(e) Lot 5, which is all parking spaces on City Hall property (first floor entry). Parking in Lot 5 shall be for City Hall ADA Parking patrons and official vehicles only. The police chief or his/her designate may authorize deviations to this policy for Lot 5, if necessary. No monetary charge.

(f) Lot 6, which is all parking spaces abutting the landscaped area at the southwest corner of the intersection of Bay Street and DeKalb Street (Bayside Plaza). Parking in Lot 6 shall be allowed for a maximum period of two hours. No monetary charge.

(g) Lot 7, which is all parking spaces located on the library property. Parking in Lot 7 shall be limited to library staff only. Access to Lot 7 and parallel parking stalls via the adjacent parcel to the south pursuant to easement AF# (8903310122). No monetary charge.

(h) Lot 8, which lies east of City Hall, north of and adjacent to Prospect Alley (between Kitsap Street and Prospect Street). Lot 8 is for designated city vehicles and city employees via pass Monday through Friday. No monetary charge.

(i) Paul Powers Park, which lies north and east of the public works department "south shed" located at 2051 Sidney Avenue. Paul Powers Park parking is limited to dawn-to-dusk parking only.

(j) Van Zee Park, which lies south of Tremont Street and west of Sidney Avenue, located at 300 Tremont Street. Van Zee Park parking is limited to dawn-to-dusk parking only.

(k) Rockwell Pocket Park will be limited to two-hour parking from dawn to dusk.

(2) Parking restrictions in Lots 1, 2, 3, 4, 5, 6, 7 and 8 shall be enforced on a 24-hour basis, except Saturday, Sunday, and federal holidays within the city.

(3) Parking restrictions in Lot 4 shall also be enforced on a 24-hour basis on each Saturday in the period of April 1st to October 31st.

Currency through electronic payment in an electronic parking pay station or similar instrument provided near the parking space for each 12-hour interval or part thereof.

SECTION 3. Authorization for **Posting Signs.** The City Engineer is hereby directed to post the signs as required and as a result of the amendments of Section 10.12.500 AND 10.12.580, after passage of this Ordinance, before the Effective Date.

SECTION 4. Severability. If any section, subsection, paragraph, sentence, clause, or phrase of this ordinance is declared unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining parts of this ordinance.

SECTION 5. Effective Date. This ordinance shall be in full force and effect five (5) days after posting and publication as required by law. A summary of this Ordinance may be published in lieu of the entire ordinance, as authorized by State Law.

Council Goal Setting

Due to the lack of sufficient time, the Council decided that they needed to have a separate workshop to evaluate the long-term goals that the Directors shared. To conclude the day's retreat, Councilmembers raised the following questions:

- What are the appropriate layers of management within the Police Department?
- Since the Mayor needs to focus on implementing near-term projects, how can the Council most effectively turn its attention to prioritizing long-term issues?
- How should Port Orchard address long-term concerns such as homelessness and climate change?
- How can the City be most efficient in allocating its limited resources?
- How can the City balance its growth with demands on infrastructure?
- How can the City administration be effective without being too "top heavy"?
- What are the implications of the City's growth in terms of traffic, housing, neighborhood character, etc.?

• What budget priorities require ongoing expenses vs. one-time fees?

Wrap Up (Mayor Putaansuu)

Mayor Putaansuu commented that some of the top priorities emerging from this retreat include (but are not limited to) investing in Laserfiche, hiring a Building Inspector, and hiring a Public Information Officer.

Next, Mayor Putaansuu shared the next steps following this retreat, including:

- The Council needs a separate workshop to evaluate the various priorities and projects that they discussed during the retreat.
- Scott Diener needs to confirm his role as an alternate on the Growth Management Policy Board.
- Mayor Putaansuu will update his State of the City Powerpoint to be more accessible to public audiences.

Mayor Putaansuu thanked the Council and Department Directors for an informative and productive retreat. There were no public comments.

The meeting adjourned at 3:00 PM

	No. 037-17 with Active Construction, Inc. for		Public Works Director
	the Tremont Street Widening Project	Atty Routing No:	N/A
		Atty Review Date:	N/A

Summary: On November 26, 2019, the Port Orchard City Council Authorized Change Orders No. 28 and No. 29 for Contract No. C037-17 with Active Construction, Inc., thereby bringing the current value of all change orders to date to a total of \$2,238,583.97, or 223.9% of the Contingency Value. Tonight's action is for the approval of Change Order No. 30 (final project quantities for all work schedules) at \$53,769.63. Approval of this change order brings the current value of all change orders to date to a total of \$2,292,353.60 or 229.2% of the Contingency Value, being below the 230% cap by \$7,646.40. This is the final change order for the Tremont Street Widening Project, pursuant to the final reconciliation between the City's CACM Team and the Contractor. Upon approval of Change Order No. 30 this evening, the Final Approved Project Cost will be \$15,071,532.77.

Relationship to Comprehensive Plan: Project 1.1 – Chapter 8: Transportation.

Recommendation: Staff recommends that the City Council authorize the Mayor to execute Change Order No. 30 with Active Construction, Inc. in an amount not to exceed \$53,769.63.

Motion for Consideration: I move to authorize the Mayor to execute Change Order No. 30 with Active Construction, Inc. in an amount not to exceed \$53,769.63.

Fiscal Impact: Funding up to a \$1M Contingency Value provided within the approved 2019-2020 Budget for this Project, plus the additional \$1.3M obtained. A budget amendment will be required.

Alternatives: None.

Reason for Change:

This change order is being written to reflect the final quantities for the project. For budgeting purposes the contractors numbers have been used to ensure budget remains for possible valid outstanding items that have not been paid. This change order includes work in all schedules as well as sales tax where required. Attached is a list of all bid items that pertain to this project per each schedule. The attached document shows the quantities and cost of the original contract and the authorized contract revisions compared to the total quantity and cost expected at project completion. A takeoff of this breakdown will show that each bid item has been individually reconciled so that the total at completion is equivalent to the original contract and authorized revision quantity calculation and valuation per bid item. The net Increase of \$53,769.63 results in a final approved contract value of \$15,017,763.14.

CALL TO ORDER AND ROLL CALL

Mayor Putaansuu called the meeting to order at 6:09 p.m.

Roll call was taken by the City Clerk as follows:

Councilmember Ashby	Present
Councilmember Chang	Present
Councilmember Clauson	Present
Councilmember Cucciardi	Absent
Councilmember Diener	Absent
Councilmember Lucarelli	Present
Mayor Pro-Tem Rosapepe	Present
Mayor Putaansuu	Present

Staff present: Public Works Director Dorsey, Community Development Director Bond, City Clerk Rinearson and Office Assistant II Whisenant were also present.

Pledge of Allegiance

Mayor Putaansuu led the audience and Council in the Pledge of Allegiance.

1. South Kitsap Community Events Center (SKCEC) Request for Qualifications.

Mayor Putaansuu handed out the interlocal agreement (ILA) the city has entered with the Kitsap Public Facilities District (KPUD) and the draft request for qualification (RFQ). Mayor attended the KPUD meeting, and at that meeting there was discussions from the KPUD on the Department of Commerce (DOC) may want a feasibility study. He stated that the City is planning to move forward with the RFQ and will let the candidates know that we are waiting to hear back from DOC.

Community Development Director Bond confirmed that typically the Department of Commerce review takes more time than a RFQ process. We may be done with our selection process before they get back to us. We may have some time to thoroughly review the RFQ if we wanted to.

Council Direction: No direction was given.

Councilmember Rosapepe joined the meeting.

Mayor Putaansuu informed councilmembers that their new Microsoft Surfaces have arrived, and they can coordinate with IT to receive their new devices.

2. Spring/Fall Cleanup Program

Public Works Director Dorsey expressed the need for councilmembers direction to amend the spring/fall cleanup program. Explained areas of concern with the city's growth since the program initiated in the 1980s. He provided pictures of the current state of the items being picked up.

Councilmember Ashby joined the meeting.

Mayor, councilmembers, and staff discussed the overall concerns of the program; staff time, cost of pick up items, benefit to the citizens and the city, and potential alternatives.

Council Direction: Staff to bring back to the March Work Study for further discussion.

3. Parks Plan Update – Kickoff Meeting and Presentation

Tom Beckwith and Jennifer Kiusalaas, with Beckwith Consulting Group, presented the scope of work planned through the proposed schedule to reach out to the public through proven methodologies and gather priorities for the Park Plan update.

Mayor, councilmembers, and staff discussed coordinating with existing sports leagues, provided examples of other local community event centers, what will be gathered for survey information, various public outreach methods, and funding components. The process will define what this City's needs are.

Council Direction: No direction was given.

ADJOURNMENT

The meeting adjourned at 7:58 p.m. No other action was taken. Audio/Visual was successful.

Brandy Rinearson, MMC, City Clerk

CITY OF PORT ORCHARD REQUEST FOR STATEMENT OF QUALIFICATIONS FROM QUALIFIED A&E PROFESSIONAL SERVICES CONSULTANTS

SOUTH KITSAP COMMUNITY EVENTS CENTER

Planning, Programming, Schematic Design, Design Development, Ad Ready Construction Documents, and Bid Support

The City of Port Orchard (City) hereby solicits interest from professional services consulting firms with expertise in architecture and engineering, community design, and public outreach. The Agreement will be for approximately 24-33 months in duration, with the option for the City to extend it for additional time and money, if necessary. Consultants will be considered for the project described below.

The City of Port Orchard reserves the right to amend terms of this Request for Qualifications (RFQ) to circulate various addenda, or to withdraw the RFQ at any time, regardless of how much time and effort consultants have spent on their responses.

Project Description

The City of Port Orchard proposes to construct an approximately 24,000 square foot South Kitsap Community Events Center (SKCEC) building, including adjacent site improvements. The SKCEC will provide a central gathering place and multi-purpose facility in downtown Port Orchard that will support a multitude of functions for local and regional use. The facility will house the City's Regional Library branch and support large events such as galas, community festivals, conferences, concerts, and service group meetings. The project will also support the redevelopment of the shoreline area with pedestrian and water access. The facility will include a catering kitchen and other amenities to support events requiring food service. The project will serve as a centerpiece of a much larger redevelopment project that includes parking, office, commercial, retail, and residential development.

The work to be performed by the selected A&E PROFESSIONAL SERVICES CONSULTANT consists of evaluation, design and public outreach, as broken down into the following Task Items:

Task 1: Project Planning, Public Outreach, Schematic Design, and Cost Estimates.

Task 1.1: Prepare Draft Management Plan. (Task 1.2 from KPFD Contract) (15-21 months)

Deliverable: Draft Management Plan.

Task 1.2: Public Outreach, Concept Planning, and Space Programming. (Task 1.3, Task 2.1, 2.2, 2.3, 2.4, and 2.5) from the Kitsap Public Facilities District (KPFD) Contract)

Task 1.2.1: Initial public outreach – Determine space needs.

Task 1.2.2.: Site alternative identification and assessment.

Task 1.2.3.: Seek City Council, public, and stakeholder input on possible sites

Task 1.2.4.: Review feasibility report prepared by the KPFD.

Task 1.2.5.: Assess alternatives for SKCEC ownership.

Task 1.2.6.: Final (chosen) site selection and investigation including Environmental Assessment, preliminary storm drainage report, preliminary geotechnical report, biological evaluation (if needed),

topographical survey, archaeological and cultural resources report including inadvertent discovery plan, and utilities capacity evaluation (water/sewer).

Task 1.2.7.: Concept Planning, Space Programing, Public Outreach. Provide at least three preliminary Schematic Design (SD) alternatives and cost estimates for each alternative, and conduct public process to review and evaluate alternatives.

Task 1.2.8 Develop Preferred Alternative based on feedback from the stakeholders, public, and the City Council.

Task 1.2.9 City to perform independent feasibility study prior to proceeding to task 2.

Deliverables 1.2.1.: Report summarizing public outreach and space demands.

Deliverable 1.2.2.: Report summarizing alternative sites including assessments of each site.

Deliverable 1.2.3.: Final (chosen) Site Investigation Report including EA, preliminary storm drainage report, preliminary geotechnical report, biological evaluation (if needed), topographical survey, archaeological and cultural resources report including inadvertent discovery plan, and utilities capacity evaluation (water/sewer).

Deliverable 1.2.4.: Concept Plans and Space Programing Report

Deliverable 1.2.5.: Preferred alternative schematic and site plan.

Task 2: Prepare 60% Design Development, Cost Estimates, and Shoreline Permit Submittal. (9-12 months)

Task 2.1: Prepare 60% Design Development (DD) plans and Shoreline Development Phasing Plan (SDPP). (KPFD Contract Task 3.1)

Deliverable 2.1: 60% Design Development (DD) Plans for site improvements and building, finalize reports from Task 1.2. Develop SDPP [Phase 1 CEC building and landscape/hardscape, Phase 2 shoreline restoration, Phase 3 overwater structure(s)]. Finalize all technical reports. Prepare Environmental Checklist. Prepare Traffic Impact Analysis/Parking Analysis. Prepare complete application for SSDP (and Shoreline Variance if required).

Task 2.2: Cost Estimates. (KPFD Contract Task 3.2)

Deliverable 2.2: Consultant to provide cost estimates for completion of plans, specifications and bid documents for three phases of project and for construction of each phase of project.

Task 2.3: Operations and Maintenance Costs and Responsibilities. (KPFD Contract Task 3.3.)

Deliverable 2.3: Determine estimated facility operating costs and tenant responsibilities. Work with partners to identify operational cost responsibilities.

Task 3: Shoreline Permits, 100% Ad Ready Construction Documents (PS&E) and Complete Applications for Development. (Task 5 from KPFD Contract) (6-12 months)

Task 3.1:Prepare SSDP application, submit, and provide application support.Deliverable 3.1:Attend meetings and provide support for (SSDP) application.

Task 3.2: Prepare 100% ad ready construction documents (PS&E) for each phase of the approved shoreline phasing plan (CEC, over water structures (such as a pier), Shoreline Restoration). Deliverable 3.2: 100% ad ready construction documents (PS&E).

Task 3.3: Prepare complete applications for building permits, land disturbing activity permits (LDAP), and stormwater drainage permits (SDP). Prepare and file JARPA application. Deliverable 3.3: Complete application submittal packages and provide resubmittal support as needed.

Task 3.4: Prepare plans for any offsite Improvements (if required under SEPA, SSDP, or as conditions of other permit approvals).

Deliverable 3.4: Provide permit application submittal packets for offsite improvements.

Task 4: Bid Support

Desmond Hansen (known as Graves 33) is one of Seattle's most prolific artists with a resume that includes the completion of 13 individual aerosol/acrylic enamel murals painted for the public, an album release of original music, dozens of pen, ink, and colored pencil illustrations for private commissions and a live-painting performance at the 2018 Morgan Junction Festival.

If you've visited the West Seattle area in that time you have undoubtedly seen one or more of the 4foot electric boxes featuring Desmond's homage to famous figures who made their mark on Seattle.

Hansen ensures that the murals have long term sustainability, by using a clearcoat guaranteed to last 10-years; protecting the art from both graffiti and the elements.

Subject:	SR 160 City of Port Orchard Artwork on a WSDOT maintained Signal Control Cabinet	
Attachments:	Port Orchard - Public Art - Proposal.docx	

Hi Mark and Nick,

You might recall back in February of 2019 we had some emails back and forth on the WSDOT requirements for covering a WSDOT maintained signal controller cabinet. I'm hesitant to sign the attachment since it's somewhat open ended with no conditions. However, we have no objections with this email being an attachment to it if that helps you. Basically one of the last February emails said, with a little 2020 tweaking to it:

My memory was we've allowed this in at least in two other cities. So after looking at those past emails, and then discussing this with Traffic Engineer Steve Kim and Signals Superintendent Jim Newman, we are OK with your proposal provided:

- 1. It does not interfere with our maintenance or repair work.
- 2. It does not restrict any door swing or mechanical movement.
- 3. It does not block or cover any venting of the cabinet.
- 4. Dark colors are not used that would cause excessive heat in the cabinet during summer months.
- 5. It meets all National Electric Code (NEC) requirements, which is mainly related to the bullets above.
- 6. Highly reflective material is not used that might distract or blind drivers.

7. Any maintenance/future replacement of the artwork will be city's responsibility. WSDOT will not maintain, repair, or replace the artwork.

8. The City agrees that if the artwork product fails, or is in disrepair, or for any reason as determined solely by WSDOT that it must be removed, it shall be removed in a reasonable amount of time by the City at City expense, including restoration of the cabinets to their pre-artwork condition such that there are no scratches, left over residue, or any other repairs or restoration still needed as a result of the artwork being on the cabinet (i.e. bring it back to pre-artwork condition).

Also, if WSDOT has to replace the cabinet for whatever reason, WSDOT will make a good faith effort to notify the City of the proposed replacement should the artwork be able to be removed and/or returned. However, should the WSDOT work be emergency replacement, such as if cabinet was severely damaged, the city acknowledges the replacement of the cabinet is the priority and saving the artwork may not be possible.

Finally, the Artwork in general must follow the guidelines in the WSDOT Design Manual chapter 950 at http://www.wsdot.wa.gov/publications/manuals/fulltext/M22-01/950.pdf. Keep in mind this document was written primarily with the Interstates in mind, and includes a process that could take months to obtain WSDOT approval. Due to this being one controller cabinet in downtown Port Orchard we will not require that approval process to be followed, but instead wanted you be aware of what WSDOT in general considers as acceptable and not acceptable art work (i.e. no advertising, no bright colors or messages that might distract a driver, etc.).

Therefore, if the artwork is basically what is proposed below, and if you can agree to these WSDOT conditions above, we are OK with your proposal. Will this work for you?
