Port Orchard City Council**

Mayor's Budget Message and Accomplishments

The 2021-2022 Biennial Budget was crafted to incorporate the risk of our changing financial environment due to COVID 19 while balancing the need to maintain a satisfactory level of service for our citizens. This budget concentrates on completing critical water and sewer capital projects already underway and investing in a stronger pavement preservation program. Additionally, it continues to support public safety and make critical investments for a sound and sustainable financial future.

This budget supports sound financial policy thresholds while balancing the current needs for our programs and citizens. This budget continues to invest in technology, innovation and streamlining process for better and more efficient use of our limited resources.

Operating Budget Highlights

Administration

- Renew and manage required contracts
- Continue to invest in processes that allow the City to respond more efficiently to the requests of the public
- Facilitate and drive the process related to our new Community Center and the related Master Planned Project

Police Department

- Invest in increased officer training
- Raise the bar within our Police department by becoming an accredited agency
- Utilize technology to better monitor and aid our department
- Create a new full time (1 FTE) Health Navigator to assist those in need of alternative services

City Clerk's Department

- *Implement a public records portal to ease the burden of manually processing these requests*
- *Continue to assist the Mayor's office to implement process improvements*
- *Renew and manage required contracts*

Public Works Department

- Funding to keep public infrastructure and maintenance a high priority in our transportation, water, sewer, storm systems as well as investments our parks and facilities.
- Provides investments in Bridge and Road maintenance
- Add a new full time (1 FTE) Engineering position
- Invests in new Public Works equipment to start a residential street repair program
- Provides funding for an additional entry level engineer to keep pace with our growing City

Finance Department

- Continuing investments in streamlining processes and moving toward more user friendly and electronic platforms

Information Technology Department

- Continue to replace outdated equipment and software
- Establishing a base line technology budget which accounts for basic hardware and software needed to perform city business
- Add a new full time (1 FTE) IT employee who will focus on process improvement projects

Human Resources Department

- Promote employee health, safety, wellness, and work life balance for all
- Continue to promote our culture as an employer of choice at the City of Port Orchard
- Recruit a qualified and diverse workforce

Department of Community Development

- Add a new full time (1 FTE) Building Inspector to keep pace with the growing needs of our community
- Complete our parks plan so that we can pursue parks grants
- Update our Shoreline Master Plan
- Complete the Downtown Sub Area Plan

Courts Department

- Continues to operate our court system in an effective and efficient manner
- Contract with Kitsap County for court security services

Capital Budget Highlights

The Capital Budget completes a major water project in Well 13, this project will provide the water we need now and into the future as well as improve our water quality. A significant investment is being made in our sewer capital project program with the 100% design and construction of the Marina Pump Station, this project will replace aging infrastructure that will protect the environment and provide for future growth. The City is preparing for our next round of transportation projects by completing right of way acquisitions for the Bay Street Pathway project and completing designs for other projects that will give us shovel ready projects that will compete well for grant opportunities. The City is dedicating resources towards preserving the current street network to increase the useful life of these valuable assets. Pedestrian Pathway. The budget invests in designs which will lead to a construction project to provide maintenance work on our 20-year hold City Hall facility. The park projects will further enhance our McCormick Splash Pad Park and the Bay Street

The **Capital Budget** was prepared with guidance from the City Council with the following principles:

- To maximize the return on investment and City resources
- The 2021-2022 Biennial Budget funds the projects in our Comprehensive Plans
- Complete the high priority projects that have already been started

Department Operations

Administration – City Council

MISSION STATEMENT

The mission of the City of Port Orchard is to provide a full range of municipal services to residents and businesses in accordance with City Council policy and direction. City staff shall deliver those services in an efficient, effective, and courteous manner with a commitment to operational excellence.

DEPARTMENT DESCRIPTION

The City Council is a body of seven individuals elected by the citizens of City of Port Orchard to establish policy for the City and its citizens. Port Orchard was incorporated as a second-class city in 1890. However, in 2017, the Council changed the classification to a Non-Charter Code City. The City is governed by a Mayor-Council plan of government and elected by its citizens to provide dedicated services to enhance the safety, livability, and prosperity of the community.

2021 & 2022 GOALS

Be ahead of change:

- Continue staff/Council communication regarding the Gorst project.
- Track changes in WSDOT's plan for addressing the City's fish barrier culverts.

Harness "the evolution" that is coming to Port Orchard:

- Provide more funding to parks and open space.

Invest in downtown and the waterfront:

- Create a conceptual design for the next phase of the Bay Street pathway.
- Determine the future of the marquee.
- Begin planning how to move parking off the waterfront.

Engage community members:

- Continue plans for additional sub-areas.

Balance growth with affordability:

- Begin planning for street preservation.
- Implementing the Americans with Disabilities Act (ADA) plan as improvements are made.
- Look for funding to construct the Bethel corridor.

Create predictability in development:

- Continue sharing the toolkit to attract businesses and developers to the City.

- Establish policies for development connectivity, and check if this is already in the comprehensive plan and development regulations.

NON-FINANCIAL LONG-TERM GOALS

The Council shall protect and improve the quality of life for City residents by adopting policies that reflect the needs and desires from the majority of citizens living within the City.

DEPARTMENT OBJECTIVE

- Ensure funding levels that reflect the priorities of City residents.
- Monitor policy implementation by examining outcome statistics and financial records.
- Improve services to citizens.

No significant budget changes.

Administration - Mayor

MISSION STATEMENT

Provide leadership, direction, and supervision of City government in a manner that creates a productive working environment, enhances public trust, and promotes understanding of City services and how they are delivered.

DEPARTMENT DESCRIPTION

The City Mayor is elected at large by the citizens of the City of Port Orchard and serves as the chief administrative officer. The Mayor is responsible to the City Council and managing the departments of the City and its employees. The Mayor is also responsible for preparing the annual budget, submitting it to the Council, and administering it after it is approved. This includes enacting the Council's policies; providing City Department overview and liaison; and representing the City officially to the public and other governmental agencies.

2021 & 2022 GOALS

Goal 1: Jobs & Sustainable Development

- Support Economic Growth and Jobs
- Maintain Business Friendly Practices and Policies

Goal 2: Public Safety

- Prepare for all Hazards through Planning, Prevention, Protection, and Recovery
- Engage the Community in Preparedness Actives
- Respond Quickly and Effectively
- Maintain Order, Enforce the Law, and Protect the Public

Goal 3: Fiscal Responsibility

- Effectively Manage the Public's Money
- Improve Cost Effectiveness and Leverage Partnerships
- Implement Innovative Technologies

Goal 4: Quality of Life

- Strengthen Neighborhoods
- Improve our Parks
- Provide Recreational, Wellness, and Educational Opportunities

NON FINANCIAL LONG-TERM GOALS

- Planning and implementation of our community centers concept
- Advocate for changes that will energize our downtown with activity
- Invite investment and development to our community that will fund our capital facilities needs

- Encourage management and our elected leaders to be innovators by thinking out of the box

DEPARTMENT OBJECTIVE

- Administer government of the City of Port Orchard and policies of the Council to promote the well-being of citizens
- Proactively manage the budget process to minimize the need to cut services while still maintaining a deficit-free budget and healthy fund balance
- Administer the City's personnel rules and regulations
- Provides oversight to departmental operations
- Provides oversight for capital projects
- Provides oversight for City grant application and their administration

STATISTICS/WORKLOAD MEASURES

PERFORMANCE MEASURES

The City-wide performance measure is done by the citizens of Port Orchard. Departments align their goals and performance measures to the Mayor's priorities to ensure the City's strategic goals and objectives are accomplished, resulting in areas of improvement within the City.

STAFFING LEVELS

Staffing Levels	2019 Actual	2020 Actual	2021 Actual	2022 Actual
Mayor	1	1	1	1

ACCOMPLISHMENTS

During the 2019/2020 biennium the City completed two major capital projects in the Tremont Gateway Project and the Rockwell Park project. We also completed the drilling of well #13 and have began construction of the infrastructure that will bring this new water source online in 2021. The Mayor obtained State assistance to complete funding of the McCormick sewer lift station #2, a project that is currently under construction. A commitment of \$12 million in funding was received for a community center in our Downtown as part of a master planned development. A subarea master plan was completed for the Ruby Creek area and efforts continue to master plan our Downtown. COVID-19

challenged the City to quickly implement numerous technology improvements that allow for teleworking and video conferencing. While City Hall remains closed to the Public, we remain open for business using new and enhanced technology. At the Mayor's direction the City deployed over \$500,000 in Federal CARES Act funds with more than \$125,000 going to our Small Businesses in the form of rent relief.

SIGNIFICANT BUDGET CHANGES

The Mayor's 2021/2022 biennial budget archives a major milestone by fully implementing and funding our reserve policies. This has been a multi-year effort that helps prepare us for economic downturns. These policies have been an ongoing effort between this administration and the City Council that will serve our Citizens well now and into the future.

This budget proposes four increases to staff, the first being an addition to the engineering department to assist with plan reviews and field inspections related to construction activity. This position will be paid for from additional permits fees and savings in contract inspection services. The second new position is funding an additional building inspector to provide acceptable levels of service to support construction activity. This position will also be funded by additional permit fees and reductions from contract services. The third is a Health Navigator position in the Police Department which connects at risk citizens with vital community services. This will be funded in partnership with an interlocal agreement between the South Kitsap Fire District and the City of Port Orchard. Lastly, an additional information technology position is added to keep up with the growing IT needs of the City and will focus on implementing process improvements and programs.

Increases are also needed in landscape services to adequately maintain the newly constructed Tremont Gateway, McCormick Village Park and Rockwell Park.

We also plan to invest in equipment that will allow our Public Works Department to patch and seal our residential streets. Transportation funding continues to decline at the Federal, State and Local levels and with no funding for major overlays we must find ways to prevent further deterioration of our City Streets.

Administration – City Clerk

MISSION STATEMENT

The mission of the Clerk is to present a courteous, service-oriented team of professionals who provide quality administrative support to the City's elected officials; accurately record, maintain, and preserve City records; ensure the City's legislative processes are open and public in accordance with Washington's Open Meetings Act; provide a link between constituents and government through the dissemination of information; direct an efficient and comprehensive city-wide records management program; perform all mandated functions under the Revised Codes of Washington and Port Orchard Municipal Code; and conduct ourselves in an ethical, impartial, and professional manner.

DEPARTMENT DESCRIPTION

The City Clerk is assisted by a Deputy Clerk and Office Assistant II. The City Clerk provides support to the Mayor and City Council. This support includes providing public access to City records, the administration, and the policy-making process. The City Clerk oversees the City's records management program and public records access; risk management services for the City; provides contract administration; process street or alley vacation requests, City Code codification; preservation of the legislative history of the City; serves as the custodian of the City seal and official City documents, and serves as a conduit between the City Council, administration, and the public. The City Clerk coordinates City Council meetings and work study sessions, produces meeting packets, audio-visual record meetings, and provides records of the proceedings; drafts ordinances, resolutions, and contracts; administers programs assigned by the Council such as cabaret licenses, pawnbrokers licenses, peddlers and hawkers licenses, special event applications; and master vendor licenses; and staffs City facility requests, Town Hall meetings, Festival of Chimes and Lights, and the Lodging Tax Advisory Committee.

2021 & 2022 GOALS

Goal 1: Deliver excellent customer service

The best customer service requires constant improvement, which requires constant assessment based on feedback and active benchmarking. Proper delivery of customer service serves the people by providing accurate information and maximizing access to municipal government in an efficient, timely, professional, and courteous manner. The department will move towards accomplishing this goal by focusing on the following objectives:

- Respond quickly and accurately to customer requests
- Provide current, comprehensive, and accurate information to meet customers' needs

Goal 2: Provide access to the City's official record and legislative documents in as many different mediums as possible

Access to information is a core function of the Office of the City Clerk. To this end, the Department is dedicated to remaining on the cutting edge of information storage and retrieval. The Department will move towards accomplishing this goal by focusing on the following objective:

- Maintain and preserve City Council proceedings and related documents (e.g., minutes, action sheets, resolutions/ordinances, contracts/agreements, leases, deed/easements)

Goal 3: Administer records management program City-wide

A viable records management program ensures that each department can maximize its operational goals by making information more readily available for service delivery. Consolidating responsibility for the City's Records Management Program increases accountability and ensures effective service delivery. The department will move towards accomplishing this goal by focusing on the following objective:

- Understand departments archiving needs
- Provide training on the State's Retention Schedule
- Realize efficiencies by coordinating activities and standardizing processes across the City

Goal 4: Effectively support the goal of operating as 'One City'

The Office of the City Clerk has a hand in almost every aspect of City business, bridging the legislative and executive sides of government. The department will move towards accomplishing this goal by focusing on the following objectives:

- Maintain easy access to needed points of contact across the City
- Communicate effectively across the City
- Provide assistance when needed across the City

Goal 5: Utilize technology and best business practices in effective service delivery

Technology provides the vehicle for enhanced access to information. The department will move towards accomplishing this goal by focusing on the following objectives:

- Apply technology effectively to provide increased and improved access to materials on-line
- Realize the fullest potential of existing technology and technical resources to provide the most complete service
- Apply technology more effectively to increase staff's ability to provide the most efficient service
- Ensure that the Department operates with fiscal responsibility
- Employ best practices for effective service delivery and applying flexibility to resource allocation

NON FINANCIAL LONG-TERM GOALS

Continue to streamline processes, maintain consistency of managing electronic and paper records.

DEPARTMENT OBJECTIVE

Provide excellent customer service to the public, assist the Mayor in day-to-day operations of the City, perform actions by the Council, and assist other departments when needed.

Municipal Court

MISSION STATEMENT

The mission of Port Orchard Municipal Court is to establish and maintain public trust and confidence in the Court by ensuring independence, accessibility, accountability, and fairness for all citizens.

DEPARTMENT DESCRIPTION

The Municipal Court as a separate yet equal branch of government is responsible for adjudicating misdemeanor and gross misdemeanor criminal cases for violations occurring within the City limits including criminal traffic cases (such as DUI's), criminal non-traffic cases (such as Assault 4 Domestic Violence), non-criminal traffic infractions (such as speeding) and non-traffic infractions (such as code enforcement violations), and parking tickets. In addition, the Municipal Court is responsible for maintaining all court records involving these cases, to efficiently and effectively administer justice, and to serve the public as well as maintain compliance with the law. The Court is committed to a strong justice system based on public awareness and prevention in order to ensure a safe community for all citizens.

2021 GOALS

- Continue to maintain all court records within the parameters required by State law, local laws, and court rules
- Continue to efficiently and effectively administer justice
- Continue scanning all post-conviction DUI and DV cases for record retention purposes
- Continue maintenance of court forms and procedures as legislation dictates
- Continue monitoring of interpreter Language Assistance Plan
- Prepare Court for electronic retention (paperless) allowing external access to archived and closed cases.

2022 GOALS

- Continue to prepare Court to convert to digital (paperless) court
- Continue to maintain all court records within the parameters required by State law, local laws, and court rules
- Continue to efficiently and effectively administer justice
- Continue maintenance of court forms and procedures as legislation dictates

Police Department

MISSION STATEMENT

The Mission of the Port Orchard Police Department is to protect the lives, property, and rights of all members of our community. We will work to reduce crime, and the fear of crime, while remaining proactive and innovative in our approach to the enforcement of the law. Our community shall know we are all members of one team through our transparency, accountability, and engagement.

VISION

The Port Orchard Police Department aims to be amongst the finest law enforcement agencies in the State of Washington; one which delivers the highest quality public service to make the City of Port Orchard one of the safest communities in the nation.

DEPARTMENT VALUES

SERVICE – Serving the Port Orchard community is our greatest honor and privilege. We will do so in an impartial, courteous, responsive, efficient, and humble manner. We will work hand in hand with all members of our community to solve problems that affect public safety.

HONOR – We hold ourselves accountable to the highest standards of our profession while valuing equality, diversity, and individual rights. Our badge is a symbol of public faith; we accept it as a public trust so long as we are true to the ethics of our service.

INTEGRITY – Integrity is our standard for we shall always do what is morally, ethically, and legally right. We are honest and truthful in our words and actions. Our integrity will build trust and confidence, for this is our defense against corruption.

DEPARTMENT DESCRIPTION

The Chief of Police serves as the department Director with support from the Deputy Chief of Police. The Police Department consists of twenty-nine employees and one volunteer. The Operations Division contains the Patrol Unit and the Investigation Unit. This division is staffed by four sergeants, two detectives, fifteen peace officers, one parking enforcement officer, and one volunteer reserve peace officer. The Administrative Services Division manages records and evidence and is staffed by an office manager, two full-time and one part-time records/evidence specialist.

The police department is a full-service municipal law enforcement agency. It offers a 24/7 patrol response with additional functions to include marine patrol, emergency management, and a school resource officer program. The department works collaboratively with its regional partners on major criminal investigations and participates in several multi-jurisdictional task forces.

2021 GOALS

- Maintain appropriate staffing levels for the demands of the City.
- Implement a new county-wide records management system for all criminal cases.
- Implement a shared Community Health Navigator program with South Kitsap Fire Rescue.
- Develop and establish a 3-5-year Strategic Plan.
- Obtain accreditation through the Washington Association of Sheriffs and Police Chiefs (WASPC).
- Complete training requirements of the Law Enforcement Training and Community Safety Act (LETCSA) ahead of the state-mandated requirement.
- Upgrade property/evidence room storage.

2022 GOALS

- Maintain appropriate staffing levels for the demands of the City.
- Maintain WASPC Accreditation.
- Convert to electronic parking enforcement in collaboration with the municipal court.
- Maintain continuity of training plans for both Divisions.

NON-FINANCIAL LONG-TERM GOALS

- Convert remaining paper case files to digital files and purge as required by law.
- Develop and implement a Community Advisory Board.
- Increase engagement through the advisory board and cooperative relationships with community groups.
- Increase clearance rates for criminal cases.

STATISTICS/WORKLOAD MEASURES

Department Measures	2018 Actual	2019 Actual	2020 Estimated	2021 Estimated	2022 Estimated
Calls for service	21,108	20,591	21,507	21,069	21,055

*This data includes self-initiated activity such as patrol checks, on-view incidents, and traffic stops.

**Estimated calls for service are determined by averaging the previous three years.

PERFORMANCE MEASURES

The Port Orchard Police Department reports all crime information through NIBRS (National Incident Based Reporting System). Each year WASPC publishes these crime statistics for public view. This includes crime types, number of reported offences, and clearance rates. Data can be found on their website at <https://www.waspc.org/crime-statistics-reports>.

The City of Port Orchard continues to be safe for its residents with a measurable decrease in the crime rate over the last three years. This is in direct correlation to the solid and dedicated work of the men and women of this department.

TOTALS	29.5	28.75	29.25	29.25

ACCOMPLISHMENTS

- Collaboratively established a new Mission Statement, Vision, and Values.
- Updated the entire policy manual and introduced Lexipol as the delivery and management system.
- Significantly increased training hours for commissioned officers to include both on-line delivery and hands-on practical scenarios.
- Increased oversight of day-to-day operations and adapted internal processes to reflect each Division's base function more accurately.
- Increased internal audits.
- Added a fourth sergeant's position to increase supervisory coverage of the Operations Division.
- Converted to a paperless case management system.
- Started the process to achieve accreditation through the Washington Association of Sheriffs and Police Chiefs (WASPC).

SIGNIFICANT BUDGET CHANGES

- Parking Enforcement Officer position has been adapted from two part-time positions to one FTE position.
- Community Health Navigator position is a completely new FTE that will be shared with South Kitsap Fire Rescue. Under contract, SKFR will fund 0.5 FTE of the position.
- The position of Public Service Officer has been eliminated and security for the municipal court is being handled within that department.
- Increased training costs to maintain standards.

Community Development

MISSION STATEMENT

Provide and administer planning, building, permitting and code enforcement services that emphasize efficient and effective customer service and professional expertise while supporting the goals of the community, the Mayor, and the City Council.

DEPARTMENT DESCRIPTION

The Department of Community Development is responsible for the City's planning, building, permitting and code enforcement functions. Department staff are responsible for long range planning, which includes tasks such as reviewing and processing amendments to the City's comprehensive plan, updating the City's land use plans and maps, ensuring consistency between the City's technical infrastructure plans and its land use plans, capital budgeting, staffing for the City Council's Land Use and Economic Development & Tourism committees, and updates to the City's development and environmental regulations. Long range planning tasks also include public outreach, such as staffing public hearings at the Planning Commission, creating and administering surveys to gather public input, and other innovative methods of facilitating communication between the City, its elected officials, and the public. The Department is also responsible for short range planning activities which include tasks such as building permit application review, business license application review, sign permit review, meetings with prospective developers, conducting environmental review, and ensuring that site development permits issued through the Public Works department also comply with the City's land use regulations and critical area protection requirements. The Department also coordinates with other local, state and federal agencies on plan development and project review. This includes attending and actively participating in regional planning meetings, and providing notice of planning activities and development projects to affected agencies such as WSDOT, South Kitsap Fire and Rescue, Kitsap Public Health, Kitsap Transit, the Department of Ecology, the Department of Fish and Wildlife, FEMA, and/or the Department of Natural Resources, and reporting to state and federal agencies as required by law. The Department also manages other special projects as assigned.

2021-2022 GOALS

- Shoreline Master Program Update. The City is required to complete an update to its Shoreline Master Program by June 30, 2021.
- Transportation Impact Fee Update. The City is required to update its transportation impact fee calculation every three years to consider projects that have been completed and changes to the comprehensive plan. The Department will continue coordinating with Public Works on this project.
- Hire and manage a consultant to assist in the development of the next subarea plan to be prepared in accordance with the City's comprehensive plan.

- Work with the Public Works department to complete an Old Clifton Road corridor plan and 60% design. This work will likely begin in 2021 with completion scheduled for late 2022.
- Complete an update to the City's parks plan, to ensure that the City is eligible to apply for grant funding during the next application round at the state Recreation Conservation Office (RCO), including an update to the City's parks impact fee.
- Dangerous/Abandoned Buildings. Continue to enforce land use codes concerning dangerous and abandoned buildings and seek abatement if required (1-2 houses annually).
- Manage the City's South Kitsap Community Event Center planning and design project.
- Complete the City's Buildable Lands reporting in advance of the 2024 periodic update to the City's Comprehensive Plan.
- Complete the Downtown and County Campus Subarea Plan and Planned Action EIS project.

NON-FINANCIAL LONG-TERM GOALS

- Professional policy guidance. Provide professional policy guidance to the Mayor, City Council, Council Committees, Planning Commission, Design Review Board and other City departments on all matters related to land use, the built environment, building, code enforcement, and long-range planning within the City and its unincorporated urban growth area (UGA).
- Community planning activities. Provide direction for community planning efforts, including the development of neighborhood and sub-area plans, economic and community development, future capital facility needs and facilitation of community participation in City planning efforts, including periodic updates to the City's comprehensive plan, thus insuring compliance with the State of Washington Growth Management Act (GMA) goals and policies.
- Public Participation. Provide a variety of opportunities for public participation in the planning process.
- Permit Center. Administer the City's Permit Center, including the review and processing of development under the City's development regulations, Title 20 of the Port Orchard Municipal Code (POMC); shoreline management permits under the State Shoreline Management Act (RCW 90.58) and city Shoreline Master Program; subdivisions, short plats and boundary line adjustments; environmental policy per RCW 43C.21; design review pursuant to POMC Title 20; and review and update City land use and development codes and maps, as appropriate.
- Port Orchard Design Review Board. Provide staff support and professional guidance to the City's Design Review Board, pertaining to the City's optional design review process.
- Port Orchard Planning Commission. Provide staff support and professional guidance to the City Planning Commission.
- Hearing Examiner. Provide administrative services for the office of the Hearing Examiner. Prepare staff reports, public notices, distributions, and professional representation for public hearings.
- Urban Growth Area Project Review. Review applications and environmental assessment reports on projects within unincorporated Kitsap County lying within the City's urban growth area, to provide comment on the impacts and to recommend mitigation measures to the Kitsap County Department of Community Development.
- Annexation Guidance. Provide guidance to landowners or interest groups who desire to annex unincorporated areas into the City of Port Orchard, consistent with state law and the city's

annexation policy. Process annexation petitions and reports in conjunction with Kitsap County, the Kitsap Regional Coordinating Council, and the Kitsap Boundary Review Board.

- **Code Enforcement.** Provide enforcement of the City's land use, development, environmental and nuisance codes in a fair, equitable and timely manner. Enforcement coordinates with other departments and agencies in resolving complaints and provides a positive client service attitude to enhance the City's enforcement of land use and nuisance codes.
- **Inter-Governmental Relations.** Act as liaison between City, County, regional, state, tribal and federal governmental organizations and agencies, representing the interests of the City of Port Orchard and its citizens. This includes continued involvement in inter-jurisdictional coordination under the Growth Management Act.
- **Grant Development.** Develop grant applications with County, regional, state, and federal agencies for City projects related to parks, planning, building, engineering, public works, capital facilities and economic development.
- **Economic Development.** Facilitate and produce products that assist the City in the pursuit of the adopted goals and funding for the economic development projects identified by the Mayor and City Council.
- **Staff Participation in the KRCC Planning Directors Meeting.** Attend and participate in monthly meetings of the Planning Directors to develop policies and recommendations for the KRCC.
- **Development Review.** Review applications as submitted within the required timelines.
- **Staff Participation at the Puget Sound Regional Council** includes membership on the Regional Staff Committee and expected work to implement Vision 2050.
- **Ongoing participation in stakeholder groups** such as the Kitsap Building Association, Chamber of Commerce, etc.

DEPARTMENT OBJECTIVE

Annual Comprehensive Plan update. Annually consider amendments to the Port Orchard Comprehensive Plan to include possible revisions to the land use map and/or comprehensive plan text, based upon City-initiated amendments and/or privately initiated amendments.

PERFORMANCE MEASURES

Permitting activity has increased significantly since 2017. The City has granted final plat approvals on numerous subdivision projects in recent years, and expects to issue final plat approvals creating approximately 600 new lots in 2021. An additional 200-300 lots will likely be created in 2022. Additionally, in 2020 the City received building permits for five separate apartment complexes consisting of approximately 400 units, and is expecting additional multifamily submittals in 2021-2022. This significant increase in growth will put stress on the existing resources that the City deploys in support of development and will also place upward pressure on other City services such as police, parks, and other services. The McCormick Woods area is experiencing an especially rapid increase in development activity, and this rate of activity is projected to increase over the next four years as new water and sewer facilities are constructed.

The possibility of a new courthouse, school district projects, fire district projects, a community event center, and mixed-use projects to be planned, designed, and permitted in 2021-2022 would exceed existing staff resources for project review and inspection. The Department seeks staffing increases to support the increased level of development activity, but is awaiting the results of the organizational study prior to making specific requests. The Department needs building inspection and administrative staffing increases at a minimum to accommodate the recent increases in permitting activity. These increases would be supported by recent increases in permitting revenue.

ACCOMPLISHMENTS

The City continued implementing the 2016 Comprehensive Plan during the 2019-2020 biennium. Its biggest accomplishments were the adoption of a new form based zoning code, the completion of the Ruby Creek Neighborhood Subarea Plan, the update to the City's Multi Family Tax Exemption (MFTE) code, designation of the City as an Opportunity Zone, and accomplishing all of these tasks while increasing development activity. Other milestones included the award of Department of Commerce funds for the completion of a Downtown and County Campus Subarea Plan and Planned Action EIS, the award of \$12,000,000 in funds for a community event center, including the kickoff of the planning and design of that project, and the navigation of a water moratorium at McCormick Woods, including the adoption of several agreements to ensure that construction was able to resume in that area.

Numerous ordinances were brought forward for City Council approval during the biennium with significant contributions from DCD, including:

- Amendments to the City's MFTE Ordinances
- Adoption of a form-based zoning code.
- Adoption of an update to the City's Public Works Engineering Standards and Specifications.
- A zoning map update
- Code enforcement updates, including Nuisance Vehicles, Zoning Enforcement and Penalties, and Nuisances.

- An ordinance allowing 9-lot short plats.
- Ordinances enacting and repealing a moratorium on development related to water availability.
- A housekeeping ordinance to update Title 20
- Adoption of the Ruby Creek Neighborhood Subarea Plan
- Ordinances amending the Comprehensive Plan in 2019 and 2020.
- Amendments to the Accessory Dwelling Unit Code.

SIGNIFICANT BUDGET CHANGES

The 2021-2020 DCD Budget is not significant changed, but staffing increases are sought with requests pending the outcome of the organization study being prepared for the City. In 2021-2022, the City will continue to implement the 2016 comprehensive plan and the updated development regulations adopted in furtherance of this plan. The Department will also begin laying the groundwork for the 2024 periodic update to the comprehensive plan by preparing a buildable lands report. The Department will continue working on some ongoing long-range planning projects and special projects. This includes completion of the Parks Plan, the SMP, an Impact Fee Ordinance, the Downtown and County Campus Subarea Plan and Planned Action EIS, and the South Kitsap Community Event Center planning and design project. The Department will also initiate a subarea plan for one of the City's designated centers. In addition, the Department will engage in regional planning efforts including completion of the the Vision 2050 update through PSRC and updates to the Countywide Planning Policies to address Vision 2050. Finally, as the City continues to use its new land use and development codes, some fine tuning will ultimately be required through a series of housekeeping amendments. With significant increases in development activity, the Department will continue to provide high quality, professional permit application, review, and inspection services. As permit volumes increase, the Department will keep the City Council apprised of the Department's workload, review timelines, and inspection backlog.

Public Works

PUBLIC WORKS DEPARTMENT MISSION STATEMENT

The Public Works Department for the City of Port Orchard strives to provide safe and reliable utilities by exceeding expectations and setting excellence as the standard. These standards are met through efficient and effective customer service responses, prudent leadership and by fostering a dedicated staff focused on sustainable infrastructure. These tenets guide Public Works in providing reliable service to a growing and robust community.

DEPARTMENT DESCRIPTION

The City of Port Orchard Public Works Department is the proud caretaker of the City's infrastructure. Public Works currently operates and maintains two water systems with a daily water supply capacity of 4.77 million gallons and manages 36 miles of sanitary sewer system. Public Works is responsible for more than 59.5 lane miles of roads with 1,024 traffic signs and 16 traffic-controlled intersections. For stormwater, the department owns and operates 422 miles of culverts/storm water pipe, 36 miles of ditch/swales and 2110 municipal storm catch basins. The department is also responsible for 71.76 acres of parks and 31 structures and buildings within the city.

DIVISIONAL OVERVIEW

The success of the City of Port Orchard Public Works Department is a direct result of deep partnerships among its divisions and the diverse talent and qualifications of its highly motivated staff. The Public Works Department is comprised of Engineering, Public Works Utilities Operations and Maintenance and Administration.

ADMINISTRATION MISSION STATEMENT

To plan, oversee and improve each Department's administrative activities and to ensure that expectations are met or exceeded in the most efficient, effective, responsive and responsible manner.

ENGINEERING MISSION STATEMENT

To provide engineering expertise, architectural design and construction management services for the City, its departments and other governmental agencies in the most efficient, effective, responsive and responsible manner.

PUBLIC WORKS UTILITIES MISSION STATEMENTS

Roads & Park Maintenance Mission Statement: To provide and maintain all City roads and parks in a safe and accessible condition in the most efficient, effective, responsive and responsible manner.

Facilities Management Mission Statement: To provide and maintain a safe, accessible and functional environment for employees, tenants and visitors of all City facilities and grounds in the most efficient, effective, responsive and responsible manner.

Utilities Management Mission Statement: To provide City consumers with safe and reliable water, and wastewater treatment services at the lowest reasonable rates in the most efficient, effective, responsive and responsible manner.

Shop Mechanic Mission Statement: To provide and maintain safe, reliable and appropriate vehicles, heavy equipment and fleet services for all City Departments in the most efficient, effective, responsive and responsible manner.

Stormwater Management Mission Statement: To regulate and manage use of the City's Municipal Separate Storm Sewer System as required by the City's NPDES permit while conscientiously managing and protecting surface and receiving waters for public health and enjoyment.

NON-FINANCIAL LONG-TERM GOALS

- Cross-Train Engineering Staff for Both Development and Capital Improvement Projects
- Improve Eng. Depart. Ability to Perform Focused Studies & In-House Design Projects
- Cross-train Public Works Crew Across Diverse Disciplines
- Improve Public Works Ability to Perform Construction Repairs/Improvements In-House
- Improve Public Works Ability to Perform Pavement Maintenance In-House
- Continue to Elevate Public Works Talent Pool
- Continue Public Works Reorganization and Succession Planning
- Streamline Public Works Workflow Through Improved Staffing Organization and Tools
- Provide Positive and Meaningful Direction for Public Works Staff
- Continue to Improve Response Time to Public Service Requests

DEPARTMENT OBJECTIVE

- Maintain and Improve Public Works Services Reliability
- Increase Efficiency of Public Works Ability to be Responsive to its Citizens

Equipment Rental & Revolving Fund

Equipment Rental and Revolving Fund

MISSION STATEMENT

The mission of the ER&R program is to manage the city's fleet of vehicles in a single fund which will cover operations, maintenance, and replacement. The ER&R program will add value to the city by standardizing equipment replacement. The staff will monitor the age and condition of the vehicles in the fleet as well as appropriate funding for timely replacement of vehicles.

DEPARTMENT DESCRIPTION

The ER&R fund was created by Ordinance NO. 023-18. The ER&R program will be managed by the staff of the Finance Department. The staff will work to support proper budgeting and planning for vehicle replacements and additions to the fleet. Each participating department will make annual contributions to pay for the operations, maintenance, and replacements of the assets.

2021 & 2022 GOALS

- Manage fund balance and provide a mid-biennial review.
- Support departments in the replacement and additions of fleet vehicles and equipment.

NON-FINANCIAL LONG-TERM GOALS

Continue to refine processes while maintaining records within the parameters required by state law.

DEPARTMENT OBJECTIVE

Provide information and assistance to department directors and staff in making data driven decisions for purchase and replacements of fleet vehicles and equipment.

STATISTICS/WORKLOAD MEASURES

The standards for useful life of vehicles has been determined and used to identify fleet vehicles and equipment in need of replacement for the 2021 – 2022 biennium budget. Future replacements will be determined by using the useful life standards, mileage, and vehicle condition.

2021-2022 Replacement Plan

The following have been reviewed by the department directors, returned to the ER&R Program manager and identified for replacement or addition during the 2021-2022 biennium.
