Hi Chris,

The goal is supposed to be a DBE Goal and it should be an evaluation under item #5 for DBE participation.

Andrea and/or Marlisa,
Please refer to the question below.

Looks like I made an error using "UDBE" and it should be "DBE". Please verify.

Many thanks,
Chris

You don't often get email from karen.lee@kpff.com. [Learn why this is important](#)

Hi Chris,

We have a question regarding the SR166/Bay Street Reconstruction RFQ.

Under the Scope of Work section, it states *The UDBE goal for the Consultant Agreement is 16%*. Under Evaluation Criteria #5, it says **Approach to meet the DBE or SBE goal (10 points)**. Is the City of Port Orchard Public Works looking for the goal to be 16% UDBE or 16% DBE or SBE?

Please see link below about UDBE:

Thanks,
Karen
