

City of Port Orchard
Request for Qualifications

The City of Port Orchard solicits Statements of Qualification from qualified A&E Professional Services Consultants with expertise in street design, sanitary sewer design, and construction phase consulting. Scope: Sidney Road SW is a developing corridor within the City of Port Orchard that lacks adequate pedestrian and bicycle facilities. Improvements along the corridor will include the addition of sidewalks, curb and gutter, RRFBs, bike lanes, installation of street lighting, and stormwater improvements. Additionally, development along the corridor necessitates the construction of a portion of the sanitary sewer force main that will run to a new sewer lift station in the future. Project site is located at Sidney Rd SW from SW Hovde Rd to SR16 Overpass. Deadline for Submittals: 2:00 p.m. on September 8, 2023. For full information on the Sidney Rd Non-Motorized Improvements Project, please visit our website at: www.portorchardwa.gov/bids-and-proposals . Contact: Christian Williams, PE (360) 876-4991 or publicworks@portorchardwa.us. Consultant agrees to comply with the provisions of Title VI.
