

Tree Lighting at 5:30!  
Due to construction this year, the event  
takes place across the street  
from City Hall facing the waterfront...

### Welcome Honorary Tree Lighter Carolyn Powers

Carolyn Powers is well-known in the community she served.

Carolyn Powers, who served 26 years on the Port Orchard City Council, is our honorary tree lighter this year. A woman of conviction and, ever the hard worker, she also served as a State Representative from 1979 to 1983. Her husband, Paul D. Powers was mayor of Port Orchard from 1972 to 1982.

Now, in her late 90's, she continues to encourage her family to "follow their dreams and to work hard!" She has always believed each individual can make a difference in the world and has lived out her long years as a champion wife, mother and encourager of others.

We recognize her lifetime of service to our community!
