Dear Planning Commissioners,

Attached for your review are the draft updates to Ruston's Comprehensive Plan Chapters 1 – Introduction, Participation and Future Vision; and Chapter 2 – Community Character.

Key changes include:

- Consolidation of Chapters 1 (Introduction), 2 (Vision, Goals, and Framework), and 10 (Participation) from the 2015 Plan into a single new Chapter 1.
- Reformatted and revised Chapter 2 – Community Character for improved clarity and conciseness.

You can access the existing 2015 Comprehensive Plan and all draft “clean” copy updated chapters here:

Please note, this draft is a clean copy without specific strike-throughs and underlines. A marked-up version will follow for your review before the public hearing this Spring.

Please reach out if you have any questions or need further clarification.
