12.24.010 IRC administrative amendments.

The International Residential Code is adopted by the City of Ruston in RMC 12.20.020, and is amended as follows:

(a) IRC Section R101.1 is amended as follows:

R101.1 Title. These provisions shall be known as the City of Ruston Residential Code, hereinafter referred to as "this code."

(b) IRC Section R103.1 is amended as follows:

103.1 Building Department. The official in charge of the City of Ruston Building Department shall be known as the building official. A function of the department shall be the implementation, administration and enforcement of the provisions of this code.

(bc) IRC Section R105.3.1.1 is amended as follows:

R105.3.1.1 Determination of substantially improved or substantially damaged existing buildings in flood hazard areas. For applications for reconstruction, rehabilitation, addition or other improvement of existing buildings or structures located in an area prone to flooding as established by Table R301.2(1), the building official shall examine or cause to be examined the construction documents and shall make a determination of the value of the proposed work in accordance with Section R108.3 and compare it to the value of the structure before the proposed work is performed. For buildings that have sustained damage of any origin, the value of the proposed work shall include the cost to repair the building or structure to its pre-damaged condition. If the building official finds that the value of proposed work equals or exceeds 50 percent of the market value of the building or structure before the damage has occurred or the improvement is started, the project is considered to be a substantial improvement, or repair of substantial damage. Applications determined by the building official to constitute substantial improvement or substantial damage shall require all existing portions of the entire building or structure to meet the requirements of Section R322. Determinations of substantial improvement or substantial damage may be appealed in accordance with Ruston Municipal Code Section 12.20.080.

(ed) IRC Section R105.5 is amended as follows:

R105.5 Expiration. Every permit issued shall become invalid unless the work authorized by such permit is commenced within 180 days after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of 180 days after the time the work is commenced. Having required inspections performed and approved within every

180 days is evidence that work has commenced and is continuing. Permits that do not receive an inspection within 180 days of permit issuance, or within 180 days since the previous approved inspection, shall automatically expire and become invalid. The building official is authorized to grant, in writing, one or more extensions of time, for periods not more than 180 days each, based on good and satisfactory reasons. The extension shall be requested in writing prior to permit expiration, and include the permittee's explanation of the need for the permit extension. The building official may only grant an extension if good cause is shown.

Section 14. Section 12.26.020 of the Ruston Municipal Code is hereby amended to read as follows:

12.26.020 Washington State manufactured homes installation provisions.

The City of Ruston, in Section 12.20.020, adopts the International Residential Code (IRC) Appendix E, pursuant to the authority of RCW 43.22 and RCW 19.27, and amends IRC Appendix E as follows:

(a) IRC Appendix E, Section AE102.2 is amended as follows:

AE102.2 Additions, alterations or repairs.

Additions made to a manufactured home shall conform to one of the following:

1. Be certified under the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. Section 5401 et seq.).
2. Be designed and constructed to conform with the applicable provisions of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. Section 5401 et seq.).
3. Be designed and constructed in conformance with the code adopted by this jurisdiction. Additions shall be structurally separated from the manufactured home unless otherwise approved through an alteration permit approved by the Washington State Department of Labor and Industries.

(b) IRC Appendix E, Section ~~AE301.2~~ AE104.2 is amended as follows:

~~AE301.2~~ AE104.2 Additions, alterations and repairs to a manufactured home.

A permit shall first be obtained from the Washington State Department of Labor and Industries to alter, remodel, repair or add accessory buildings or structures to a manufactured home subsequent to its initial installation. Permit issuance and fees therefor shall be in conformance with the codes applicable to the type of work involved.

An addition made to a manufactured home as defined in these provisions shall comply with the provisions of the adopted building code.

(c) IRC Appendix E, Section ~~AE304.1~~AE107.1 is amended as follows:

~~AE304.1~~AE107.1 Permit fees. The fee for each manufactured home installation permit shall be as set forth in the Permit Fee Schedule as adopted by resolution by the City of Ruston City Council.

(d) IRC Appendix E, Section ~~AE305.6~~AE108.6 is amended by adding an additional paragraph as follows:

~~AE305.6~~AE108.6.1 Other inspections. In addition to the called inspections specified above, the building official may make or require other inspections of any construction work to ascertain compliance with these provisions or other codes and laws which are enforced by the City of Ruston. Manufactured homes or their accessory buildings shall not be used or occupied until a certificate of occupancy is issued in accordance with Section R110 of this code.

(e) IRC Appendix E, Section ~~AE504.1~~AE116.1 is amended as follows:

AE116.1 AE504.1 General. Accessory buildings shall not be structurally supported by or attached to a manufactured home unless engineering calculations are submitted to substantiate any proposed structural connection and all alterations to the manufactured home are approved by the Washington State Department of Labor and Industries.

Exception: The building official may waive the submission of engineering calculations if it is found that the nature of the work applied for is such that engineering calculations are not necessary to show conformance to these provisions.
