Hello Mr. White:

Unfortunately, I will not be able to attend the public hearing on 9/14/2016 regarding the Kryger application for an accessory dwelling unit at 5211 North Highland Street. I am the neighbor south of this property and would like to express my support for this application. I feel the impact of this project is minimal and am in agreement with the concept of increasing affordable housing in our community.

Thank you for including my consideration of this matter at the hearing.

Pat
