2. The breaking down of any purchase or contract into units or phases for the purpose of avoiding the maximum dollar amounts is prohibited. The amount of a contract includes all amendments. Amendments that do not exceed in total 10 percent of the contract amount up to \$25,000 may be entered into without prior city council approval.

B. All contracts presented for signature by the mayor shall be signed by the city attorney as to form and legality.

C. The mayor in his or her discretion may present any contract to the city council for prior approval, even if the contract is allowed to be approved without prior city council approval.

D. Interlocal agreements shall be presented to the city council for prior approval.

E. Other than the mayor, no elected or appointed official has the authority to purchase or enter into contracts on behalf of the city. For the purposes of this section, a purchase does not include approved travel, training or per diem reimbursements consistent with the personnel policies.

F. For the purpose of this chapter, “contract” means any agreement creating a legal relationship between the city and another person or entity, or any amendment thereto.

1.21.020 Emergency contracts.

A. The city council authorizes the mayor or designee to enter into emergency contracts for purchase of materials, supplies, equipment or services using unappropriated funds in emergency situations.

B. "Emergency" means a set of unforeseen circumstances that either:

1. Presents a real, immediate threat to the proper performance of essential functions; or

2. May result in material loss or damage to property, bodily injury, or loss of life if immediate action is not taken;

3. For public works projects, may result in a substantial loss to the city if the contract is not immediately entered into.

C. Emergency procurements shall be made with such competition as is practical under the circumstances.

D. A written determination of the basis for the emergency and for the selection of the particular contractor/vendor shall be included in the contract file.

E. A record of each emergency procurement shall be made and shall set forth the contract's name, the amount and type of the contract, and listing of the item(s) procured under the contract, which shall be reported to the city council at the next subsequent council meeting.

F. If a contract is awarded without competitive bidding due to a declared emergency, the city council must adopt a resolution certifying the emergency situation existed no later than two weeks or the next council meeting following the award of the contract, whichever is longer.

1.21.030 Purchasing Policy.

The mayor is authorized to develop internal purchasing policies that are consistent with this chapter and state competitive bidding laws.

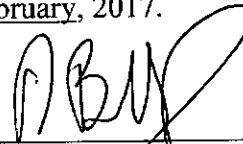

Section 2. Severability. If any section, sentence, clause or phrase of this Ordinance should be held to be unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this Ordinance.
