(Failure to submit a budget request & the district's Resolution/Ordinance may adversely affect next year's Levy collection)

Preliminary Values Are Subject to Change.

Districts will receive **Final** values in late December.

Amended Levy Certifications may be submitted to the Pierce County Council & Pierce County Assessor-Treasurer after final values have been calculated.

The district's Ordinance/Resolution **must** identify these three components.

- The **dollar amount of the previous year's levy**. The actual levy received, including refunds.
- The **dollar amount of increase** reflects the difference between the previous year's actual levy and the 1% growth of the highest lawful levy, or a lesser amount if banking levy capacity.
- The **percent of increase** equals the change over the prior year's actual levy plus the dollar amount of increase equal to the district's highest lawful levy for this year, or a lesser amount if banking levy capacity.

The sample Ordinance/Resolution enclosed provides the amounts for districts wishing to request their highest lawful levy.

Levy FAQs

Q. How should the Ordinance/Resolution read if the district is limited at a lesser amount due to the statutory maximum rate limit?

A. Prepare the document as though there is no limit due to the statutory maximum rate. Add language to inform the district's taxpayers of the rate limit and the projected allowable levy to the Ordinance/Resolution.

The Ordinance/Resolution must contain three amounts; last year's actual levy, the dollar amount & percent of increase needed for the following year. The intent of the district must be clear in the Ordinance/Resolution.

Q. Why does the sample Ordinance/Resolution show more/less than 1%?

A. The 1% limit refers to the limitation of increase to a district's highest lawful levy known as the Levy Limit Factor. The percent of increase approved in a district's Ordinance/Resolution equals the change over the prior year's actual amount levied plus the dollar amount of increase for the next year's budget needs.

- The simple act of passing an Ordinance/Resolution allows a district to increase the Highest Lawful levy by the lesser of 1% or the IPD, depending on the size of the district.
- The increase authorized in the document identifies how much of that increase is required for the next year's budget needs.

Q. Why does the sample show \$0 increase and an increase of 0%?

A. The total amount levied in the prior year is more than this year's increase from the limit factor, the district should ask for a \$0 and 0% increase. This does not affect any increase allowed by the limit factor increase of the highest lawful levy. Once a district passes the Ordinance/Resolution the Highest Lawful levy is allowed to increase by the limit factor.

A district's Ordinance or Resolution controls two levy limitations;

- 1. The act of passing a resolution/ordinance allows the Limit Factor increase (lesser of 1% or the IPD) to the highest lawful levy.*
- 2. The authorized percent and dollar amount stated increase over the prior year's actual, Certified levy request.*

Q. What documents need to be submitted by November 30?

A. No later than November 30, provide a copy of the approved Ordinance/Resolution & the Levy Certification (Budget Request).

FAILURE TO PROVIDE THESE DOCUMENTS BY THE DUE DATE COULD ADVERSLEY AFFECT YOUR LEVY.
