17	Public Works I believe that the residential neighborhoods are being neglected. Streets are poorly maintained and areas such as the existing park, Ridgecrest, needs work to improve the general appearance. Such as; topping or removing and replacing existing trees, paving of tennis court parking lot and removal of mud from sidewalks. The most prominent feature of the park is the garbage and recycle bins that are prominently displayed.	12/26/2020 10:44 AM
18	Public Works The residential areas are being neglected. Trees dangerously leaning over roads, concrete storm drains in need of repair, potholes and pavement deterioration occurring, haven't seen any new residential paving projects in years, etc.	12/26/2020 9:10 AM
19	Comm/Eco Development Place more emphasis on reaching our marginalized community members.	12/22/2020 9:02 PM
