Dear Rye Brook Resident,

Rye Brook Recreation has been working on its spring and summer programs. Our Little League season will open on April 20th. Registration for Day Camp, Teen Travel Camp, Little League Softball, Recreation Baseball, Rookie League and T-Ball is ongoing. For all other programs, registration will begin on March 20th at 9:30pm. Highlights for this spring/summer season are Rye Brook F.I.T., Cornhole Tournament, Casino Night, Snapology, and Pickleball Impact Zone and Fill Me Up Buttercup.

Online registration allows us to notify you of all available programs. For all recreation run programs you are able to pay online with a credit card.

A reservation is required for usage of Rye Brook's 9 tennis and pickleball courts. Reservations must be through Court Reserve. In order to make a reservation, you must be in possession of a valid 2024 Season pass. All players on the court must have a reservation during the weekday time slots. On weekends beginning May 11th, tennis attendants will be at both Pine Ridge and Harkness Parks and walk-ons will be permitted when time slots are available as the tennis attendants will be able to track usage and accept fee for the courts. The Court Reserve app on your phones will allow season pass holders the ability to reserve courts up to the hour desired to play when slots are available. Enjoy your tennis and pickleball experience and play safe!

*The Village of Rye Brook will host a number of special events this spring and summer. Rye Brook's 42nd birthday celebration will take place on Saturday **June 17th** from 12-4pm. It is sure to be a special event. Also, the 3rd Rye Brook F.I.T. event will take place on **April 6th**. It is a 5K walk to promote fitness and community. We will once again be hosting "Movie Nights In The Park" this summer. We will offer one movie night each month beginning in July through September. The movies and other events are listed under Special Events in our brochure. **Every Friday** in the month of July, we will be serving **Free Ice Cream** at Pine Ridge Park for our Ice Cream Friday events.*

*Also we will be hosting a Cornhole Tournament on **Saturday May 11th**. Different age groups will play a double elimination tournament throughout the day. The winning teams will be given a chance to compete against a Village All Star Staff team. There is a maximum of 4 players per team and we will take a maximum of 8 teams per age criteria.*

*In addition to the spring/summer events, Rye Brook Recreation would like you to save the dates for these upcoming fall programs: **Pumpkin Patch (October 12th)** and **Winterfest (December 6th)***

Rye Brook Little League will be entering its 22nd season for 2nd through 7th grade players age 12 and under. The Rookie League is entering its 17th season for K and 1st graders. The Rookie League program will be a partnership with Rye Brook Travel Baseball and will mirror their Summer Rookie League program. The inaugural season of T-Ball will mirror the rookie league and run for 3, 4 and 5 year old residents.

Rye Brook Recreation will be running the "After School For Kids" program at Ridge Street School once again in September. This will be our eighth year running the program and we hope to make this outstanding program even better. This program will run from 3:10-6:30pm at Ridge Street school and is very beneficial for the working families of Rye Brook.

The Harkness Tennis Courts will be resurfaced in the month of August. During this process, the courts will be closed for a two week period.

The Recreation Department is open from 8:30am to 4:30pm on weekdays. We welcome any feedback on our programs. We hope Rye Brook Recreation is meeting the needs of the community. I look forward to seeing you enjoy these fine recreational programs and the beauty of the many parks within the Village.

Yours truly,

*Robert Bertolacci
Parks & Recreation Superintendent*

Zumba

Zumba is perfect for everybody and anybody! Each Zumba class is designed to bring people together to sweat it on.

How it Works: We take the "work" out of the workout, by mixing low intensity and high intensity moves for an interval-style, calorie burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements for fitness - cardio, muscle conditioning, balance and flexibility, boosting energy and a serious dose of awesome each time you leave class.
