Re: Renewal of Terminal Use Agreement

To Whom It May Concern,

As you know, the County of Westchester (the "County") entered into an agreement (the "Terminal Use Agreement") with all commercial airlines operating or seeking to operate at the Westchester County Airport for a term expiring on December 31, 2014, and the County subsequently exercised the first of two five-year renewal options for a period expiring on December 31, 2019.

This letter will serve as the requisite notice that the County is exercising its second and final option to renew the Terminal Use Agreement for the period from January 1, 2020 through December 31, 2024. All remaining terms and provisions of the Terminal Use Agreement will remain in effect.

If you should have any questions, please feel free to contact my office at (914) 995-2546.

Very truly yours,
