Self-Certification

This self-certification must be submitted to the Village within thirty (30) days of the date of the last planting.

****

Residents who have received a Tree Removal Permit, can now submit a sworn affidavit to show proof of replanting trees for their Tree Permit. Under these certain conditions, is the applicant granted a Tree Removal Permit. All persons granted a tree removal permit shall be required to replant native noninvasive 2" to 2 1/2" caliper tree(s) on said property per Village of Rye Brook Code Section 235-18. Species such as, but not limited to, Elms, Oaks, Maples, Zelkovas, Beech, etc., are acceptable.

Residents have up to thirty (30) days after the last tree replanting to submit the Self-Certification. Self-Certification shall not preclude the Approving Authority from performing inspections at its discretion to confirm that all replanting requirements have been met.
