## **Current Covid Policy Masks are Required**

In response to the updated guidance from the Center for Disease Control and the enhanced spread of COVID-19 due to the Delta variant, the Village of Rye Brook and the Rye Brook Senior Citizen Center has updated its mask policy to reflect the following:

*\*Be aware that these guidelines will change as we continue to move forward.*

### **Regardless of vaccination status:**

Everyone must enter the building wearing a mask, have their temperature read and sign in each day.

### **Masks ARE required when:**

Riding on our Village Bus or Mini Van to and from AJP and on Trips  
Walking through the building  
When physical social distance is unable to be maintained.

### **Masks are NOT required for those that are Vaccinated when:**

In the multi-purpose room behind plexi glass during meal time  
Activities that are outdoors

### **NON VACCINATED**

### **Masks ARE required at ALL times;**

Regardless of whether activity is Outside or Social Distance is maintained.

Although the risk of infection among fully vaccinated people remains relatively low, being in an indoor setting for a significant amount of time could increase your risk. Being with others that are providing care for younger grandchildren could increase your risk, being in crowded areas or when social distance is not able to be maintained could increase your risk.

If you have not already done so, please bring your vaccination card in to be copied for our files!

***Your Best Precaution is to wear a well fitted mask, cover sneezes and coughs, wash hands often and stay home if you are not feeling well.***
