

Rye Brook Sustainability Committee

For more details: www.ryebrook.org/green/

What We Do:

In our role as an advisory committee to the Village Board of Trustees, we aim to “Keep Rye Brook Green” for its residents by increasing awareness of environmental issues and offering educational resources and community programs that help promote conservation of the environment.

We Sponsor:

- Community Clean-Up Days
- Rye Brook Green Star Business
- Recycling & Composting at Local Events
- Green Activities at Rye Brook Birthday

We Support:

Green Legislation

- Plastic Bag Ban
- Polystyrene (Styrofoam) Ban
- Straws Available Upon Request

Community Programs

- Food Scrap Recycling
- Healthy Yards Program
- Shredding/E-Waste Recycling Events
- Clean Energy with Sustainable Westchester

We Provide:

Education

- “Green” tips via Village emails & social media
- Food Scrap Recycling Presentations
