Dear Rye Brook Resident:

I hope this brochure finds you healthy during this difficult time and looking forward to some recreation activities. As the new school year is upon us, so is a new recreation season. It will be a recreation season that looks very different. We have had to think of new ways to offer programming in a safe manner given all of the concerns during this pandemic.

*Rye Brook Recreation will be offering some of our indoor programs outside like **floor hockey** and **basketball clinics**, which will take place at Rye Hills Park on the basketball court. In addition, the bowling and ice skating programs will have to be drop off programs because we are not able to meet with the kids inside the school, therefore, our staff will receive the kids at the facilities and return them back to you from that location.*

***After School for Kids** was an after school program at Ridge Street School from 3:10 until 6:30pm Mondays through Fridays. Rye Brook Recreation cannot offer this program because there are no outside groups permitted in the Blind Brook School District. We know that this program is important especially for working parents. Therefore, Rye Brook Recreation will be offering a **Drop In program** at Crawford Park, utilizing the mansion, playground and grounds from 3:20 - 5:30pm Mondays through Thursdays starting on October 1st. In order to run the program, we need a **minimum of 40 participants**. Our staff will meet with the kids, give them an opportunity to complete their homework and do some activities both indoor and outdoor. Unfortunately, at this time we are unable to offer busing to the program. If we needed to offer busing to the program from Ridge Street School, an additional fee would be charged in the amount of \$250 per month. If busing is a must, please register for the Drop In Center bus so we can make the necessary arrangements. We continue to brainstorm to try and make this program more accessible to those that need it. We will be putting a deadline for registration for September 18th at which point we will be determining whether the program will run and whether busing is needed.*

*The **Rye Brook Tennis Courts** will remain open through Thanksgiving. Reservation are required through Community Pass. To reserve a court time, residents must possess a valid 2020 tennis permit. **Reservations are still required for tracing purposes due to COVID - 19.** Reservations must be done prior to **4:00pm** on the previous day in order to make a reservation. Thank you for your patience and adhering to our safety rules for the 2020 Tennis Season.*

*As of right now, we will be conducting our **basketball ratings** outdoors at Rye Hills Park on Saturdays October 17th and 24th, Amid COVID - 19, an indoor facility is not available to us and basketball games are still not permitted in New York State. Therefore, we are hopeful that in January, the restrictions on our usage of the schools and New York State's restrictions on basketball will be lifted. If these conditions ease up, the recreation department will make the teams based on the ratings and the season will begin shortly thereafter.*

*In memory of Paula Bertolacci, the 10th annual **"Paula's Pals" Coat Drive** will take place from September 25th to December 4th to collect clean reusable coats for the needy. These coats will be donated to the Saint Peters Church, La Caritas where they will be distributed to our local needy neighbors. Paula's goal before passing in January 2011, was to donate 150 coats to the needy. We hope to meet this goal again this year. Collection boxes will be located at the Rye Brook Recreation Department and the Anthony J. Posillipo Center.*

*Please note that **online registration** will begin on Wednesday, September 9th at 9:30pm.*

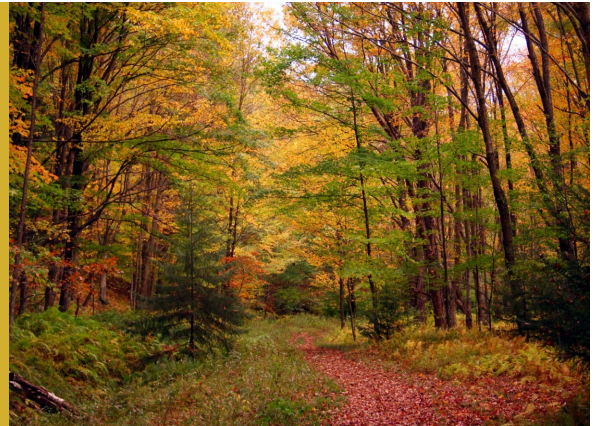

Please remember to wear your mask when six foot separation cannot be maintained.

I look forward to seeing you at some of our programs and hope that Rye Brook Recreation is meeting your recreational needs.

Babysitting Course

This valuable course will be offered every year as a service to our residents and neighbors. It provides good basic training for our students to be qualified babysitters. As a babysitter, you are responsible for the care and safety of our youth. Regardless of your age, you are performing a valuable and needed service for which you can be justly proud. We want you, the children for whom you are caring for and their parents to feel secure while you are babysitting. **The course will be given at the Rye Brook Fire House 940 King Street, Rye Brook, 7:00 to 9:00 PM on Tuesday and Thursday evenings from Oct. 3rd to Oct 29th, 2019.** The instructors for the *Baby Sitters Course* include a Physician, Registered Nurse, a Police Department Public Safety Officer, a Director of a local pre-school center, a Paramedic, and Fire Department Training Instructors. Classroom lecture is combined with instructor demonstrations and visual media. Students also participate in hands-on classes such as First Aid, Rescue Breathing, Infant Care, Fire Extinguisher use, and much more. All students receive a *Baby Sitter Course* handbook and supplemental literature. **Early registration is necessary.** The class is limited to 10 students with Rye Brook residents receiving priority. Those accepted into the class will be contacted either by phone or e-mail. For more information, please contact the Rye Brook Fire Department at 939-5144 or stop in at Fire House at 940 King Street, Rye Brook, NY. At the completion of this course, a listing of *Baby Sitter Course* Graduates, who grant us permission to use their name, will be made available to the public by the Rye Brook Fire Department. This is done as a public service to those who are seeking the services of a qualified, responsible baby sitter.
