**After School for Kids** is an after school program at Ridge Street School. The typical after school program times will be from dismissal (approx. 3:10pm) until 6:30pm (pickups can occur at any time in between) and the times will be extended when shorter school days are scheduled in advance. As in the past, if your child is participating in a separate PTA or Recreation program at Ridge Street Elementary School during the after school program hours, Rye Brook Recreation staff will bring and return the children to these programs as well. For those not registered in any other alternative programs, the children will be busy with a variety of recreational activities.

Rye Brook Recreation will be hosting an **Old Fashioned Drive-In Movie** in the Office Park at 1100 King Street on Saturday, September 10th (**rain date September 11th**). We will be showing the movie (**Jumanji - The Next Level**) which will begin at 7:30pm, where refreshments will be sold. Come early and get a good parking/viewing spot for the movie. We hope to see all of you at this event to kick off the new school and recreation year.

The **Rye Brook Tennis Courts** will remain open through Thanksgiving. Reservation are required through **Community Pass**. To reserve a court time, residents must possess a valid 2021 tennis permit. **Reservations are still required for tracing purposes due to COVID - 19.** Reservations must be done prior to **3:00pm** on the previous day in order to make a reservation. Thank you for your patience and adhering to our safety rules for the 2021 Tennis Season. In the month of October, Tennis Courts 3 and 4 at Pine Ridge Park will be closed for resurfacing for 2 weeks.

In memory of Paula Bertolacci, the 11th annual **"Paula's Pals" Coat Drive** will take place from September 25th to December 3rd to collect clean reusable coats for the needy. These coats will be donated to the Saint Peters Church, La Caritas where they will be distributed to our local needy neighbors. Paula's goal before passing in January 2011, was to donate 150 coats to the needy. We hope to meet this goal again this year. Collection boxes will be located at the Rye Brook Recreation Department and the Anthony J. Posillipo Center.

Please note that **online registration** will begin on Wednesday, September 8th at 9:30pm.

I look forward to seeing you at some of our programs and hope that Rye Brook Recreation is meeting your recreational needs.

This valuable course will be offered every year as a service to our residents and neighbors. It provides good basic training for our students to be qualified babysitters. As a babysitter, you are responsible for the care and safety of our youth. Regardless of your age, you are performing a valuable and needed service for which you can be justly proud. We want you, the children for whom you are caring for and their parents to feel secure while you are babysitting. **The course will be given at the Rye Brook Fire House 940 King Street, Rye Brook, 7:00 to 9:00 PM on Tuesday and Thursday evenings from Oct. 5th to Oct 26th, 2021.** The instructors for the *Baby Sitters Course* include a Physician, Registered Nurse, a Police Department Public Safety Officer, a Director of a local pre-school center, a Paramedic, and Fire Department Training Instructors. Classroom lecture is combined with instructor demonstrations and visual media. Students also participate in hands-on classes such as First Aid, Rescue Breathing, Infant Care, Fire Extinguisher use, and much more. All students receive a *Baby Sitter Course* handbook and supplemental literature. **Early registration is necessary.** The class is limited to 10 students with Rye Brook residents receiving priority. Those accepted into the class will be contacted either by phone or e-mail. ### **Tai Chi**

#### **ZOOM CLASS**

The Program is a Mixture of 3 Key Programs, Tai Chi, Chi Gung, and Feldenkrais. Tai Chi is considered one of the oldest forms of Martial Arts, Tai Chi relaxes the mind as it strengthens, stretches and reconditions the muscles. Often called "meditation in motion" Tai Chi uses a consistent flow of movement combined with deep abdominal breathing to relax and rejuvenate the mind, body and soul. Chi Gung is the art of balancing internal energy within your body to achieve physical, mental and spiritual health. Chi Gung training uses the mind to move chi energy throughout the body and to cultivate willpower, patience and endurance. With proper training you can learn to gain more energy, and even slow down the signs of aging. Feldenkrais is gentle exercise that helps to eliminate the division between body and mind, as it restores full physical function and relieves pain. The exercises are designed to give you greater freedom of movement and increased performance. This is ideal for senior citizens and those looking to strengthen the mind-body connection.

## Pickleball

Come Play the Fastest Growing Low-Impact Racquet Sport in America, Pickleball!

Pickleball is a fun sport that combines many elements of tennis, badminton and Ping-Pong. It's played on a badminton-sized court with a slightly modified tennis net using a ping-pong style paddle and a plastic ball with holes. The game is most often played as doubles. A Pickleball court is about one-third the size of a tennis court, which means less ground to cover perhaps explaining why it is particularly popular with 40+ men and women.

### DESCRIPTIONS:

**Open Play Sessions:** Adults (18+) play Pickleball on 3 regulation sized outdoor courts.

A limited number of monthly passes are available for the open play sessions for \$20 for residents and \$25 for non-residents. Players have to make a reservation via Community Pass in order to play on any certain day and are expected to put up and tear down the portable nets as a group. Please park near the Mansion in Crawford Park (122 N. Ridge Street, Rye Brook, NY 10573).

Walk about 150 ft south toward the playground.

Facing away from the Mansion, you should see a 6 ft wall.

Go around that wall. You are now at the 3 outdoor Pickleball courts in Rye Hills Park.

Zumba is perfect for everybody and anybody! Each Zumba class is designed to bring people together to sweat it on.
