Zumba:

Zumba is perfect for everybody and anybody! Each Zumba class is designed to bring people together to sweat it on.

How it Works: We take the "work" out of the workout, by mixing low intensity and high intensity moves for an interval-style, calorie burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements for fitness - cardio, muscle conditioning, balance and flexibility, boosting energy and a serious dose of awesome each time you leave class.
