Dear Rye Brook Resident,

Rye Brook Recreation has been working on its spring and summer programs. Our Little League season will open on April 23rd. Registration for Day Camp, Teen Travel Camp, Little League Baseball & Softball and Rookie League is ongoing. For all other programs, registration will begin on March 9th at 9:30pm. New additions for this spring/summer season are Rye Brook F.I.T., Cornhole Tournament, Day Trip to Botanical Gardens.

Online registration allows us to notify you of all available programs. For all recreation run programs you are able to pay online with a credit card. For outside contractor programs, you can register online and mail us your payment. If your payment is not received within seven days, your registration will be cancelled and we will accept the next waitlisted family.

A reservation is required for usage of Rye Brook's 9 tennis courts. Reservations must be done prior to 3pm the prior day on a first come first served basis. In order to make a reservation, you must be in possession of a valid 2022 tennis permit. All players on the court must make their own reservation during the weekday time slots. On weekends beginning May 14th, tennis attendants will be at both Pine Ridge and Harkness Parks and walk ons will be permitted when time slots are available as the tennis attendants will be able to track usage of our courts. The daily schedules will be posted at all parks by 4:30pm the prior day. Enjoy your tennis experience and play safe!

The Village of Rye Brook turns 40 this summer. Rye Brook's 40th birthday celebration will take place on Saturday June 18th from 12-4pm at Crawford Park. It is sure to be a special event. Also, the 1st ever Rye Brook F.I.T. event will take place on April 30th. It is a 5K walk to promote fitness and community. We will once again be hosting "Movie Nights In The Park" this summer. We will offer one movie night each month beginning in July through September. The movies and other events are listed under Special Events in our brochure. The September movie will be a Drive-In movie.

Rye Brook Recreation will be hosting a day trip to the Botanical Gardens in the Bronx. The bus will leave from Rye Brook Village Hall. Participants will receive a Tram High-light Tour and will be given some free time to explore on their own or shop at the gift shop. We will be working on some other day trips and will announce them as they come up.

In addition, we will be hosting a Cornhole Tournament on Saturday May 14th. Different age groups will play a double elimination tournament throughout the day. The winning teams will be given a chance to compete against a Village All Star Staff team. There is a maximum of 4 players per team and we will take a maximum of 8 teams per age criteria.

Rye Brook Little League will be entering its 20th season for 2nd through 7th grade players age 12 and under. The Rookie League is entering its 15th season for K and 1st graders. The Rookie League program will be a partnership with Rye Brook Travel Baseball and will mirror their Summer Rookie League program.

Rye Brook Recreation will be running the "After School For Kids" program at Ridge Street School once again in September. This will be our sixth year running the program and we hope to make this outstanding program even better. This program will run from 3:10-6:30pm at Ridge Street school and is very beneficial for the working families of Rye Brook.

The Garibaldi Park Basketball and Tennis Courts will be resurfaced in the month of August. During this process, the courts will be closed for a two week period.

The Recreation Department is open from 8:30am to 4:30pm on weekdays. We welcome any feedback on our programs. We hope Rye Brook Recreation is meeting the needs of the community. I look forward to seeing you enjoy these fine recreational programs and the beauty of the many parks within the Village.

Yours truly,

Zumba

Zumba is perfect for everybody and anybody! Each Zumba class is designed to bring people together to sweat it on.

How it Works: We take the "work" out of the workout, by mixing low intensity and high intensity moves for an interval-style, calorie burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements for fitness - cardio, muscle conditioning, balance and flexibility, boosting energy and a serious dose of awesome each time you leave class.

Pickleball

Come Play the Fastest Growing Low-Impact Racquet Sport in America, Pickleball! Pickleball is a fun sport that combines many elements of tennis, badminton and Ping-Pong. It's played on a badminton-sized court with a slightly modified tennis net using a ping-pong style paddle and a plastic ball with holes. A Pickleball court is about one-third the size of a tennis court, which means less ground to cover perhaps explaining why it is particularly popular with 40+ men and women. This is NOT an instructional program it's for players with current or previous playing experience.
