(Insert Title)
fees.

Be it enacted by the Board of Trustees of the
(Name of Legislative Body)

☐ County ☐ City ☐ Town ☒ Village
(Select one:)

of Sackets Harbor as follows:

§1-0 Application of provisions; definitions.

C.

SEASONAL USER: Any person, firm or corporation who takes and uses water furnished directly or indirectly from the mains of the Village to their residence, business, or other premises that has the water meter removed for at least part of a quarter. Seasonal water rates shall be set annually by the Village Board and become effective at the beginning of each fiscal year.

§1-1 Connection to Village system required; hookup fee

B.

The Board of Trustees in accordance with NYS Village Law Section: 11-1112 establishes that the actual costs of labor and material in connection with the hook up installation will be at the sole expense of the applicant or property owner. The Village Clerk will maintain a current price list for materials and the annually defined fee schedule of Village employee labor rates.

E.

Upon written application to and approval by the Village Department of Public Works, a water service will be installed from a water main located in the street upon which the applicant's premises fronts to a curb stop or shutoff valve located approximately at the applicant's property line or curb line. It shall be the responsibility of the applicant/ property owner to complete the installation of the water service from the main line to the curb stop or shutoff and from the shutoff to the building which is to be served. Before installing the main tap and covering the trench in which the water service pipe is laid from the main tap to the building, the property owner shall first notify the Village Department of Public Works and provide access thereto for inspection and approval. Any corrections required by the Village

§1-1 Connection to Village system required; hookup fee
E. (Continued)

Department of Public Works shall be made by the property owner at the property owner's expense prior to initiation of water service. In the event that the property owner shall fail to provide the Village Department of Public Works with an adequate opportunity for inspection, the Village Department of Public Works may enter onto the property, re-tap the main line, retrench the pipe and complete the proper inspection. In the event that repairs are required following said inspection, the property owner shall have a period of 15 days to complete those repairs. In the event that the property owner fails to complete those repairs within the 15 days, the Village Department of Public Works may complete the repairs to bring the service to proper standards prior to initiation of service. The cost to the Village for re-tapping, retrenching and any repair required shall be billed to the property owner based upon the prevailing labor rates in effect for the Village of Sackets Harbor at the time the work is performed, plus the cost of any materials provided by the Village. In the event that the property owner fails to remit payment for labor and materials within 30 days from the billing date, the amount thereof shall be subject to the provisions of § 1-12 of this local law.
