

RESOLUTION NO. 15316

AMENDED RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN RAFAEL ESTABLISHING THE COMPENSATION AND WORKING CONDITIONS FOR UNREPRESENTED MID-MANAGEMENT EMPLOYEES (July 1, 2024 through June 30, 2027)

1. MID-MANAGEMENT EMPLOYEES

The Mid-Management Employees of the City of San Rafael are the Mid-Management Job Class Titles ("Mid-Managers") enumerated in Exhibit A, attached hereto and incorporated herein. This Resolution shall constitute the compensation and conditions of employment for Unrepresented Mid-Managers for the period from July 1, 2024 through June 30, 2027.

2. SALARY AND COMPENSATION GOALS

A. *GOALS AND COMPENSATION DEFINITIONS*

It is the goal of the City Council to try to achieve a total compensation package for all Mid-Managers that is competitive compared to similar cities in our labor market. The survey cities are Fairfield, Hayward, San Leandro, South San Francisco, Alameda, Napa, Novato and Santa Rosa. The Council's goal is to attract and retain the most qualified Mid-Managers in accordance with the City's ability to pay.

Total Compensation for survey purposes shall be defined as: Top step salary (excluding longevity pay steps), educational incentive pay, holiday pay, uniform allowance, employer paid deferred compensation (except for such portion that may be part of employee cafeteria plan), employer's contribution towards employees' share of retirement, employer's retirement contribution, employer paid contributions toward insurance premiums for health, life, long term disability, dental and vision plans, management allowance, and employer paid cafeteria/flexible spending accounts.

B. *COMPENSATION SURVEYS*

In order to measure progress towards the above-stated goal, the City shall survey Mid-Management positions in the final year of the Resolution in advance of discussions regarding a successor Resolution.

Identified positions from other agencies include positions that are filled as well as those that may be unfilled, so long as the position is identified by the survey agency as being on the salary schedule and having a job class description. Other city/agency positions are established as benchmark positions in San Rafael's compensation survey based upon similar work and similar job requirements.

The City shall review the survey data for accuracy and completeness. The City shall provide the survey data to all Mid-Managers. During the term of this Resolution, Mid-Managers agree to work with the City to identify and implement a new benchmark strategy such as an alignment of Mid-Manager salaries with the respective department director.

C. *SALARY INCREASES*

Individual classification salary increase percentages depend on the labor market adjustment applied to each position. The salary schedule included with this salary resolution authorizes the proposed new salary for each position.

3. INSURANCE

Health & Dental Insurance benefits are prorated for part-time employees in accordance with the percentage of full-time work schedule. Domestic partners who are registered with the Secretary of State and same-sex spouses are considered dependents under these benefits. Pertinent taxes will be

applied to coverage provided to registered domestic partners and same sex spouses as required by federal and state laws.

A. HEALTH INSURANCE

The monthly flex dollar allowance effective the paycheck of July 1, 2024 shall be:

For employee only:	\$ 735.86
For employee and one dependent:	\$1,471.71
For employee and two or more dependents:	\$1,913.24

The monthly flex dollar allowance effective the paycheck of December 15, 2024, shall be:

For employee only:	\$ 950.00

If the Kaiser Bay Area premium rate increase is less than five percent (5.0%), the flex dollar allowance shall only increase the amount of the Kaiser Bay Area premium increase. In the event that the Kaiser Bay Area premium rate increase for the upcoming calendar year exceeds ten percent (10%) and is less than fifteen percent (15%), the City and the employee will split the cost of the increase above ten percent (10%) evenly; each paying 50% of the dollar value of the increase between 10-15%.

Upon the expiration of this resolution, the flex dollar allowances shall increase on the December 15th paycheck of each subsequent year up to a maximum of three percent (3%) on an annual basis, based on but not to exceed the Kaiser Bay Area premium rate increase for the upcoming calendar year.

The City shall contribute to the cost of medical coverage for each eligible employee and his/her dependents, an amount not to exceed the California Public Employees' Medical and Hospital Care Act (PEMHCA) contribution, as determined by CalPERS on an annual basis. This portion of the monthly flex dollar allowance is identified as the City's contribution towards PEMHCA. The balance of the monthly flex dollar allowance (after the PEMHCA minimum contribution) may be used in accordance with the terms of the cafeteria plan to purchase health benefits.

Conditional Opt-Out Payment: An employee may elect to waive the City's health insurance coverage and receive the value of the Employee Only contribution as a monthly Opt-Out payment in accordance with the terms of the cafeteria plan, and the Affordable Care Act, if the employee complies with the following conditions:

- 1) The employee certifies that the employee and all individuals in the employee's tax family for whom coverage is waived, have alternative Minimum Essential Coverage as defined by the Patient Protection and Affordable Care Act through a provider other than a federal marketplace, a state exchange, or an individual policy.
- 2) During the City's annual open enrollment period, the employee must complete an annual written attestation confirming that the employee and the other members of the employee's tax family are enrolled in alternative Minimum Essential Coverage. The employee agrees to notify the City no later than 30 days if the employee or other member(s) of the

employee's tax family lose coverage under the alternative Minimum Essential Coverage Plan.

- 3) The employee understands that the City is legally required to immediately stop conditional opt-out payments if the City learns that the employee and/or members of the employee's family do not have the alternative Minimal Essential Coverage.

The City reserves the right to modify at any time, the amount an employee is eligible to receive under this paragraph, if required by IRS Cafeteria Plan regulations, other legislation or Federal and/or California agency guidance.

Miscellaneous Allowance for Employees hired on or before January 1, 2009:

The City shall pay to employees hired on or before January 1, 2009, a miscellaneous allowance in an amount equivalent to the difference between the employee's benefit election for coverage under PEMHCA and their flex dollar allowance, if their benefit election under PEMHCA exceeds their flex dollar allowance. FURLOUGH PROGRAM

Both the City of San Rafael and the Mid-Management Group employees recognize the current economic condition of the State of California and the City of San Rafael. Through this recognition and in a cooperative spirit the City of San Rafael and these employees have worked expeditiously on the development of a Furlough Program. This Agreement does not mean the City will necessarily implement furloughs; but in the event it is necessary to implement due to continued economic problems in the City of San Rafael the procedures for this Furlough Program shall provide for both Voluntary Time Off (herein described as VTO) and Mandatory Time Off (herein described as MTO).

Voluntary Time Off (VTO).

The needs of the City and the respective departments (as determined by the Department Director and City Manager) will need to be considered in the actual granting of VTO. Any VTO time granted and the resulting savings will have a corresponding impact on the time needed through MTO.

1. An employee's VTO time would count in determining how many hours of MTO an employee needed to take during the fiscal year.
2. Employees who take VTO at a time other than when MTO is taken by other employees will have to take vacation leave, compensatory time off or leave without pay if the MTO results in the closure of the department.

Mandatory Time Off (MTO).

MTO will be taken by the employee during the MTO period when feasible in their respective department (as determined by the Department Director and City Manager). The City will attempt to schedule MTO time in blocks of days (between Christmas and New Years) or individual days next to scheduled holidays and/or weekends.

1. Employees may not take paid vacation time in lieu of designated MTO time.
2. MTO time shall be considered time in pay status for the accrual of leave and eligibility for holidays. MTO time will not impact health, dental and life insurance benefits. At this time MTO time will impact Marin County retirement contributions; but if the Marin County Retirement Association changes its policy on this the City will, effective the first of the month following notice from the Marin County Retirement Association, make the necessary change in the program's administration to correspond with the change in the policy. Any employee who notifies the City no later than 07/30/11 of their retirement date and retires from the Marin County Retirement System during FY 11-12 shall be exempted from the MTO requirements. If said employee did not retire during FY 11-12 as stated, said employee would be docked in pay an amount equivalent to the number of MTO hours taken by other represented employees.
3. MTO time shall apply toward time in service for step increases, completion of probation, and related service credit.

RESOLUTION EXHIBIT "B"**

4. Other Terms and Conditions:
 - a. The MTO program shall be limited to a maximum five percent (5%) reduction in work hours/pay for the fiscal year. When the maximum MTO reduction (5%) is implemented, the involved employee shall be credited with three (3) days of float time.
 - b. Float Time accrued through the MTO Program must be taken in the fiscal year following the furlough, with supervisory approval, or the leave will be forfeited. The float days have no cash value upon termination of employment. If an employee is laid off before having the opportunity to take unused furlough induced float time, said employee would be eligible to take the unused furlough induced float time during the thirty-day layoff notice period.
 - c. Should the City of San Rafael experience a financial windfall during the fiscal year that furloughs are implemented, the City agrees to re-open discussions on this Furlough Program.
 - d. The City agrees that it will attempt to distribute the dollar value of any MTO time implemented equally over the remaining number of pay periods in the fiscal year.
