## Agenda

### **1. 10 Ridgewood Drive, Environmental and Design Review and Variance – PLAN24-032**

Request for an Environmental and Design Review Permit (ED24-025) to expand the existing upper story living space and relocate the garage partially below existing grade. The application requires a Variance to exceed the maximum upper story floor size for the R5 zoning district (V24-001).

### **2. Adjournment**
