Hello Kate

All the homeless are creating hygiene concerns, rats, etc [REDACTED] intrusion, alternative place all these homeless people [REDACTED] on clean up details, wash, scrub down with appropriate equipment City of San Rafael and mandated that they shower and clean up their personal property [REDACTED] tents etc. [REDACTED]

This will be appropriate for thier lives and for the entire [REDACTED] City of San Rafael, help restore everyone's values in life. [REDACTED]

I understand this with all my years helping others, since my youngest brother passed away last year, [REDACTED] homeless, even though he worked FT plus OT Smart and Final San Mateo. Unaware of his lifestyle, we text one another weekly. [REDACTED]

Please do share this with your fellow council members [REDACTED] and everyone who is helping the homeless regain their lifestyles. Achieve healthy outreach, share with everyone [REDACTED] throughout bay region. [REDACTED]
