Subject: Point San Pedro Road median assessment

My apologies for my late submission, but I am having car trouble so unable to attend the meeting in person.

I am the Secretary of the Point San Pedro Road Coalition Board of Directors. The Board fully supports the modest increase in the annual assessment to be approved at tonight's City Council meeting. My fellow Board member and Roadway Committee Chair, Robert Sandoval and I would also like to thank Lorena Cordova and Aaron Tubbs for their city leadership on this ongoing effort.

Sincerely,
Kati Miller
